Adapting Translation for the Stage Geraldine Brodie, Emma Cole, 2017-07-06 Translating for performance is a difficult and hotly contested activity Adapting Translation for the Stage presents a sustained dialogue between scholars actors directors writers and those working across these boundaries exploring common themes and issues encountered when writing staging and researching translated works It is organised into four parts each reflecting on a theatrical genre where translation is regularly practised The Role of Translation in Rewriting Naturalist Theatre Adapting Classical Drama at the Turn of the Twenty First Century Translocating Political Activism in Contemporary Theatre Modernist Narratives of Translation in Performance A range of case studies from the National Theatre's Medea to The Gate Theatre's Dances of Death and Emily Mann's The House of Bernarda Alba shed new light on the creative processes inherent in translating for the theatre destabilising the literal performable binary to suggest that adaptation and translation can and do coexist on stage Chronicling the many possible intersections between translation theory and practice Adapting Translation for the Stage offers a unique exploration of the processes of translating adapting and relocating work for the theatre

0 to 9 and the New York Avant-Garde Ross Hair, 2025-09-08 Edited and self published by Bernadette Mayer and Vito Acconci from 1967 to 1969 0 to 9 not only documented some of the most compelling examples of intermedia performance contemporary poetry and post formalist art of the period but also pioneered new ways of conceiving and using the magazine as medium and instrument 0 to 9 and the New York Avant Garde Publishing by Numbers examines how the magazine both responded to and helped shape key developments in New York's often fractious avant garde communities The book pays particular attention to the ways in which Mayer and Acconci foregrounded the material and generic qualities of the magazine and conceived their periodical as a means of generating as well as documenting art and poetry 0 to 9 and the New York Avant Garde considers the ways in which 0 to 9 interacted with other artistic movements and theoretical concerns of the period including cybernetics Pop Art structuralism and information theory Arguing for the enduring importance of the magazine and its unique position in the history of New York's experimental art and literary scenes this study contends that 0 to 9 was both a swan song of 1960s idealism and a precursor for the directions that avant garde art would take in the decades that followed the magazine's demise

F. Farquhar,1928 **Writing the Environment in Nineteenth-Century American Literature** Steven Petersheim, Madison Jones IV,2015-09-17 The nineteenth century roots of environmental writing in American literature are often mentioned in passing and sometimes studied piece by piece Writing the Environment in Nineteenth Century American Literature The Ecological Awareness of Early Scribes of Nature brings together numerous explorations of environmentally aware writing across the genres of nineteenth century literature Like Lawrence Buell the authors of this collection find Thoreau's writing a touchstone of nineteenth century environmental writing particularly focusing on Thoreau's claim that humans may function as scribes of nature However these studies of Thoreau's antecedents contemporaries and successors also reveal a range of other writers in the nineteenth century whose literary treatments of nature are often more environmentally attuned than most readers have noticed The writers whose works are studied in this collection include canonical and forgotten writers men and women early nineteenth century and late nineteenth century authors pioneers and conservationists They drew

attention to the conflicted relationships between humans and the American continent as experienced by Native Americans and European Americans Taken together these essays offer a fresh perspective on the roots of environmental literature in nineteenth century American nonfiction fiction and poetry as well as in multi genre compositions such as the travel writings of Margaret Fuller Bringing largely forgotten voices such as John Godman alongside canonical voices such as Nathaniel Hawthorne Herman Melville Walt Whitman and Emily Dickinson the authors whose writings are studied in this collection produced a diverse tapestry of nascent American environmental writing in the nineteenth century From early nineteenth century writers such as poet Philip Freneau and novelist Charles Brockden Brown to later nineteenth century conservationists such as John James Audubon and John Muir *Scribes of Nature* shows the development of an environmental consciousness and a growing conservationist ethos in American literature Given their often surprisingly healthy respect for the natural environment these nineteenth century writers offer us much to consider in an age of environmental crisis The complexities of the supposed nature culture divide still work into our lives today as economic and environmental issues are often seen at loggerheads when they ought to be seen as part of the same conversation of what it means to live healthy lives and to pass on a healthy world to those who follow us in a world where human activity is becoming increasingly threatening to the health of our planet

Dear Love; Based on Certain Poems and Letters of Elizabeth Barrett and Robert Browning Jerome Kilty,1970 **Trouble Came to the Turnip** Caroline Bird,2006 A collection of zesty idiosyncratic and formally delightful poems *Trouble Came to the Turnip* explores fairy tale fantasy and the bittersweet world of romance with humour and originality **St. Nicholas** ,1878 **Camarade** Theo Dorgan,2025-06-12 All things considered I wonder if shooting that policeman made me the man that I am In this masterful new work award winning author Theo Dorgan has written a philosophical thriller of extraordinary depth An Irishman in Paris considers the weight and impact of a single violent act that forced him to flee Ireland forty years ago When Vincent a young Algerian friend suggests Joseph should write his life story Joseph embarks on a self examination that will lay bare perhaps only to himself a singular and surprising life Set against the evocative backdrops of Paris and Cork *Camarade* explores a life shaped by one fateful moment and the quiet violence of self reckoning The story unfolds in a dual timeline Joseph s present day existence in Paris with its muted rhythms and introspective solitude and his youth in 1960s Ireland raised on his grandfather s stories of the Flying Column and revolution After one violent act Joseph finds himself exiled in France during the turbulent decades of the Algerian Crisis and May 68 where he discovers comradeship unexpected freedom in careful neutrality As Joseph writes he confronts the central question of his life did a single act of life changing violence make him who he is or was he always destined to become this man Written in precise contemplative prose *Camarade* examines how we construct meaning from our past while questioning the nature of authenticity and self awareness At once an intimate character study a meditation on history violence and the enduring impact of our choices This novel asks us to consider the space between who we imagine we are destined to be and
