lessons **Difficulties With Girls** Kingsley Amis,2013-04-04 In Kingsley Amis's *Difficulties With Girls* Jenny Bunn and Patrick Standish have settled into London life with their troubled courtship long behind them. Patrick works in publishing and Jenny teaches sick children in a hospital. They have reached a certain level of maturity or so they think. It is not long before they realize their respectability will be severely tested by seductive neighbours with a taste for whisky, the sexually confused Ted Valentine, and the literary set of Hampstead. In this funny and provocative study of a young couple growing up, Amis shows us that the difficulty with marriage is that it's so hard to preserve, especially when Patrick and Jenny harbour deep yearnings for a different kind of life. Kingsley Amis's 1922-95 works take a humorous yet highly critical look at British society, especially in the period following the end of World War II. Born in London, Amis explored his disillusionment in novels such as *That Uncertain Feeling* (1955). His other works include *The Green Man* (1970), *Stanley and the Women* (1984), and *The Old Devils* (1986), which won the Booker Prize. Amis also wrote poetry, criticism, and short stories. Field & Stream, 1999-07 FIELD STREAM America's largest outdoor sports magazine celebrates the outdoor experience with great stories, compelling photography, and sound advice, while honoring the traditions hunters and fishermen have passed down for generations.

Spiffies and Loonies Jean-Paul G. POTET,2019-07 *Spiffies and Loonies* is a situational comedy developed into 88 episodes. It departs from the typical ones in which the plot hinges on the emotional and irrational decisions made by the lead characters. The opposite happens here. First of all, Brad and Dolly meet, fall in love, and marry. To make things worse, they become rich after a few episodes. They are therefore geared to lead the eventless life of the happy few. Fortunately, they are surrounded by misfits warped by one big deviant trait. When these do not bump into Brad and Dolly along the way, they will come and knock on their door, thus a turmoil of events running from the amusing to the fantastic, with a lot of absurdities in between. You will soon be captivated by the antics of these cartoon-like characters and will ask for more. Several passages are spoofs of literary works. Each episode is independent enough from the others to be read or performed for its own sake.
