Eaton,2023-08-10 A gang of misfits brutally murder a young woman in a public park The media dismissed it as a random act of violence A rushed investigation was closed with no suspect in custody The gang thought they were in the clear when suddenly the mutilated body of a member turned up dead The Pursuit 2 is a fast paced short novel It begins with a riveting series of episodes that follow assassins Mateo Torres and Harper Mane as they round up each gang member Once the killings begin the remaining members are terrified by the increasingly gruesome nature of each assassination To evade capture they split up and go their separate ways Follow along as Mateo and Harper make the gang pay for the murder of their most valued informant Before they complete the mission however Harper

is called away on a new assignment Mateo stays behind to continue the killings While away Harper stumbles onto information that changes everything she thought she knew about the case with the gang members Incredibly the plot changes as an astonishing sequence of events opens the possibility the original pursuit may be far from over Harper discovers the park murder was not a random act at all but part of a sinister plan masterminded by someone potentially involved with her new assignment The Pursuit 2 is a thriller that clarifies details from an assumed random murder to an astonishing tale of wealth and entitlement taken to a whole new level With the help of a new friend Harper skillfully navigates a web of deceit to unravel an amazing backstory that outlines what really happened that fateful day in the park Does this new information affect the original mission Could the case be closed or is the mission just getting started Follow along as Harper meticulously peels back complex layers of secrecy that expose family friends and enemies all plotting revenge against one another

The Most Frightening Story Ever Told Philip Kerr,2016-09-06 Roald Dahl meets R L Stine in this spine tingling and hilarious tale from a bestselling author Billy Shivers doesn't have a lot of excitement in his life He prefers to spend his days reading alone in the Hitchcock Public Library So it is a bit out of character when he finds himself drawn to the Haunted House of Books and a competition daring readers to survive an entire night spent inside The Haunted House of Books is a cross between a bookstore and a booby trap It's a creaky old mansion full of dark hallways and things that go bump in the night and the store's ill tempered owner Mr Rapsallion only adds to the mystery But the frights of the store itself are nothing compared to the stories it holds These stories are so ghastly so terrifying so shocking that once you've read them you'll never be the same Does Billy dare begin Do you Not for the faint of heart oscillating between spooky and mysterious this will appeal to readers looking for a fright School Library Journal

That is until a top Russian spy infiltrates the supposedly impenetrable Ghost Mountain base steals the weapon and sets in motion a disaster of catastrophic proportions Colonel Joseph Perez a Ghost Mountain operative who has been trained on the weapon is all that stands in the way of it reaching Russia Recognizing the immensity of what could happen with this weapon in the wrong hands he is prepared to risk everything including his life in both the present and the past to reclaim it What follows is a teeth gnashing fast paced cat and mouse game with the Russian spy that tests Colonel Perez to his limits and makes for a page turning read that will appeal to fans of science fiction spy novels and thrillers alike **New York Supreme Court ,**
