## **Love And Control In Sexuality:**

**Love and Control in Sexuality** William Norman Pittenger, 1974-01-01      The Bond of Love: Catholic Teaching on Marriage & Sexual Ethics Willem Jacobus Cardinal Eijk, 2025-09-10 Contemporary attitudes toward marriage family life and human sexuality have undergone profound changes since the mid twentieth century spurred by a host of social and cultural factors Large segments of the population in the West now hold views on marriage and sexual ethics that are very different from the values and norms taught by the Church Indeed Catholic teaching on the truth of marriage and human sexuality is open to strong criticism including among groups of Catholics and seems at best poorly understood In The Bond of Love Willem Jacobus Cardinal Eijk provides a comprehensive and unflinching account of the Church's teaching on marriage and sexual ethics dispelling misconceptions and elucidating its truth with grace and clarity As he demonstrates far from being a set of arbitrary rules that constrain human freedom this teaching is instead a deep wisdom for human flourishing anchored in the truth of God and man divinely revealed within Scripture Tradition and the Gospel Eijk first locates Catholic teaching on marriage and sexuality in relation to the currently dominant views in Western society He follows this with an exposition of the fundamental starting point of the Church's teaching on the nature of marriage and sexuality rooted in theological anthropology Next discussed is the virtue of chastity the integration of the sexual faculties into the personality and what it requires of both married and unmarried persons The volume concludes by addressing practices and circumstances that violate the essence of marriage This powerful witness to the truth and beauty of Catholic teaching on marriage and sexual ethics is a vital resource for pastors teachers and all of the Church's faithful striving to live in the love and communion that is grounded in Christ      Sex, Love, and Romance in the Mass Media Mary-Lou Galician, 2013-11-05 Volume offers a critical examination of the portrayals of relationships in the various media and debunks the myths perpetuated there For courses in media criticism media literacy mass communication interpersonal communication      Love and Sexuality in Social Theory Emiliano Bevilacqua, Mariano Longo, Michael Hviid Jacobsen, 2024-11-27 Love and Sexuality in Social Theory considers the role that love and sexuality play in private and public life Drawing on both classical and contemporary social theory this book presents both theoretical and empirical studies of love and sexuality as social factors from the earliest reconstructions of modern emotional life to the most recent analyses of liquid love With attention to the consequences that passions and desires have both on morals and behaviour it departs from the analysis of society in terms of the division of labour and utilitarian mechanisms to consider how a society based on performances values human energy and emotional behaviour in a contradictory way This book therefore presents and discusses classic authors from Georg Simmel and Pitirim Sorokin to Marianne Weber and Simone De Beauvoir through the work of Erving Goffman and ending with contemporary authors such as Michel Foucault Anthony Giddens Zygmunt Bauman Ulrich Beck and Eva Illouz By presenting love as the social foundation of altruism an essential element in modern conceptions of subjectivity and a force shaping intimacy and contemporary social

life this book will appeal to scholars of sociology particularly those interested in social theory and the sociology of emotions

Special Love / Special Sex Robert S. Fogarty, 1994-10-01 Victor Hawley was a thirty year old dental assistant with a passion for collecting butterflies who fell in love with Mary Jones another colony member Because of the community's unique social and sexual practices however the two were kept apart and denied their request to have a child In the eyes of the community their love was unsanctified Instead on the order of colony founder John Humphrey Noyes Jones was subsequently impregnated by Noyes's son Fogarty effectively uses the diary to illuminate with particular clarity the largely ignored darker side of the community Thus this rare chronicle opens for radical reinterpretation the Oneida Community's plan on procreation and the central role that sexual domination played in its history Hawley's intense struggle to reconcile individual and community needs and desires illustrates a fundamental tension that characterized the community in the years immediately preceding its dissolution In 1877 after twenty three years at Oneida Victor Hawley left the

community with Mary Jones after he nursed her through an agonizing pregnancy that ended in stillbirth They married had five children and lived on their own outside the embrace of Eden From numerous entries in Hawley s secret diary which were written in an arcane shorthand Robert S Fogarty successfully extracts some astonishing personal details which include descriptions of areas of community life never before revealed on such matters as religious commitment and experiments in eugenics Special Love Special Sex will be specifically of interest to scholars in utopian and communitarian studies and to social historians

What if a family was introduced into your almost perfect life and turned your world upside down in the worse way What if these people made you feel vulnerable uncertain maybe even insecure Now let s take this a step further What if this family were racist and you were black And what if you had been a part of this distasteful family and you had no clue Could it be possible that you had been reincarnated purposefully to face the hate that you once gave out Perhaps you have been picked by a loving universe to bring this racist family to an awakening although you don t remember making this agreement This is what happens to Nova an intelligent pretty secure young woman who lives in an affluent black family where everything seemed to be in its proper perspective That is until the Young family arrive in her town Amid issues of racism drugs and teen problems *Love Life and Beyond* shows the reader another way at looking at life s jarring troubles through the story of Anne a racist from the South who dies from a brain aneurism After some time to reflect in the spiritual realm Anne s soul is ready for another trial on Earth this time in the body of Nova a black girl Having no clue of her previous non physical proclamation to transform their beliefs a personal battle erupts when Trent and Nova are thrown together many times through distressing situations Sonia gets involved with the wrong crowd and begins using drugs and Nova is the only person capable of helping Brenda and her family Trent resents her association with his family and like a smoldering volcano Trent and Nova reach their boiling point with venomous hate for one another until something unforeseen happens and the impact of it alters all of their lives forever      **Youth Sexuality in the Context of HIV/AIDS in South Africa** Karl Peltzer,Supa Pengpid,Teresa-Ann B. Mashego,2006 Dowsett 2003 notes that by far the vast majority of non biomedical research on HIV AIDS has been behavioural research usually by survey methods counting people s sex acts partners preferences places times and reasons for sex and assessing levels of risk for HIV infection revealing the dominance of seeing sex largely as behaviours      **Love, Sex, Gender, and Superheroes** Jeffrey A. Brown,2021-11-19 With examples taken from both the Golden Ages of DC and Marvel comics as well as more recent superhero comics films television and merchandising this study provides a comprehensive look at the contradictory messages the superhero genre sends about love sexuality and gender      The Real Facts Of Life Margaret Jackson,2005-08-04 During the last twenty years feminist research into the history of sexuality has made important contributions to the theoretical understanding of the relationship between sexuality and male power When sexology became established as a science feminists had for many years been engaged in a struggle to change male sexuality by waging campaigns against male sexual violence and abuse of women and children by challenging the institutions of marriage and prostitution and by asserting in theory and in practice the right to female sexual autonomy Despite the excellent research published in this important and fascinating aspect of feminist history there are still gaps in our knowledge *The Real Facts of Life* aims to fill these gaps Why and when did sexuality become an important political issue for the 19th century feminist What was the history of campaigns against double standards of sexual morality Why were feminists so divided in their views

about sexual freedom and its relationship to women's emancipation. The analysis of these issues illuminates past and present feminists' ideas and theories about sexuality. Margaret Jackson's main aims in *The Real Facts of Life* are to make a contribution towards understanding the history of the struggle for female sexual autonomy, to provide a revolutionary feminist analysis of the social construction of sexuality and its relationship to male power, and to provide a critique of sexology and the male-defined concept of sexual liberation.

**Philosophy of Sex and Love** Patricia Marino, 2019-03-13

Writing for non-specialists and students as well as for fellow philosophers, this book explores some basic issues surrounding sex and love in today's world among them: consent, objectification, non-monogamy, racial stereotyping, and the need to reconcile contemporary expectations about gender equality with our beliefs about how love works. Author Patricia Marino argues that we cannot fully understand these issues by focusing only on individual desires and choices. Instead, we need to examine the social contexts within which choices are made and acquire their meanings. That perspective she argues is especially needed today when the values of individualism, self-expression, and self-interest permeate our lives. Marino asks how we can fit these values which govern so many areas of contemporary life with the generosity, caring, and selflessness we expect in love and sex.
