for everything that has happened He still has to deal with the dirty cops trying to infiltrate their circle Will he be able to hold it together as everything around him falls apart Shadow and his brothers tear up the city of Chicago looking for the ones responsible What he doesn't know is the one closest to him is their biggest enemy Babyface was always the laid back brother but now he has to turn into the savage he never wanted to be As he steps into a life he wanted to leave behind to save his family will he push away the only girl to steal his heart Everything done in the dark must come to the light but when it does will the Hoover gang be able to overcome all the secrets deceit and greed Who will come out on top in this battle of love and war
