Love Is One Of Choices:

One Love, One Cure, One Choice Blissfullah,2010 If you are content I dare you to loose all comfort As indeed you are sure I dare your mind to wonder You say that you are okay but happiness you can t find it The tears you cry invisible but with God you cannot hide them Escape with exciting new authors LaRonda and Maurice Martel as they dare to impact the nations with an astonishing message of One Love One Cure One Choice From the depths of tribulation and through the sharks of life together as one LaRonda and Maurice share their life of experiences and love through passionate prayers and exquisite entreaties With touching experiences overcame this unique and joyful author couple has plenty to share walking in obedience to God s will preparing His people for eternal salvation in the existence of Christ Jesus our beloved Savior Each and every line is sure to capture you on a spiritual level leaving each reader prepared and aware Setting Christianity apart from all other choices and giving unto each exactly what is needed One Love One Cure One Choice **One Hundred Choice Selections** Phineas Garrett,1905 **Christians Today—Questions—Choices We Make !** Charles Phillips,2019-05-31 The one purpose of this book is that you can understand the relationship our Creator God wants with His children that He has created on this earth As you have read and discover how far we all have departed from what our Creator made at creation week we all need to renew our relationship with our Creator God My friend whoever you are and wherever you are and no matter how far you have gone away from God this call is for you Accept Christ s atoning sacrifice for your sins there on Calvary s cross where the old account was settled years ago You cannot purchase His Gift only except His Gift of Love Soon and very soon The Son of Man shall come in the glory of His Father with His angels and then He shall reward every man according to his works Matt 16 27 Do you want to be one of those that will hear His voice calling those who Loves Christ Make your decision today **Gaia Speaks** Pepper Lewis,2007-05-01 Pepper Lewis is a natural intuitive a gifted full body channel and a recognized writer speaker and teacher of metaphysics who travels the world sharing Gaia s wisdom at conferences seminars and in personal sessions The unique and distinctive channeled messages brought forth by Pepper have become favorites of readers all over the world Most popular are the featured articles authored by the sentience of our planet Mother Earth affectionately known as Gaia which also appear in the pages of the monthly Sedona Journal of Emergence and in these books Gaia has always been animated engaging and even humorous That being said she is also very direct and does not diminish her words to suit a guest She aims directly for our hearts and rarely misses Her energy is just as you might imagine the Earth to be youthful and ancient strong and elemental soft innocent and pristine refined but a little rough around the edges Gaia s voice is different than my own and her use of language is altogether her own Most people hear a dialect but cannot place it Everyone seems to experience her in unique and different ways which not surprisingly is her intention Pepper Lewis These days there are lots of channelers around but only one Pepper Lewis Her process with Gaia is unique and the profundity of her messages rings with truth and the wisdom of the ages Lee Carroll channel for Kryon The book you now hold

is like a mystery that will unfold as you read it More than a collection of pages you will find that it is one part textbook and one part oracle You might even wonder if it is biographical or autobiographical in nature as the coincidental references to your own life will seem almost uncanny How can that be Gaia is a living learning teaching library of everything that is was or might be related to the Earth Because you are Gaian you are also a part of the great living library that is Gaia you are a library within Gaia one whose contents are a collection of ever unfolding experiences You are a lifetimes old master storyteller unraveling each tantalizing chapter That ts why you cannot help but find yourself within these pages Your purposes are made of multidimensional similes and metaphors designed to stimulate encourage create and resolve As Gaia tells it you have at least seven purposes or reasons for being You instinctively consciously or unconsciously know one or more of these but others may remain hidden for many years or even throughout your entire lives Given this expanded view of what you are and why you are here you can begin to see how this book might be of use to you Love Out Loud Joyce Meyer,2011-11-02 Jesus said You must love the Lord your God with all your soul and with all your strength and with all your mind and your neighbor as yourself Luke10 27 If one had to choose a single verse in the Bible that is a formula for successful living this would be the one to live by says Joyce Meyer love God yourself and others in that order Many Christians get mixed up about love They know they should love God and others but many do not understand that loving oneself is one third of God s equation They mistakenly think of it as selfishness or self aggrandizement Joyce Meyer believes that this misconception is one of the greatest pitfalls in the Christian journey Loving oneself in a balanced healthy manner is essential in order to have healthy relationships with God ourselves and others Drawing upon her previous work and teaching series as well as original devotions the author of Power Thoughts examines the three loves that we ve been commanded to exhibit Themes of Work and Love in Adulthood Neil J. Smelser,Erik Homburger Erikson,1980 Revised papers from a conference under the auspices of the Western Center of the American Academy of Arts and Sciences which was held May 8 9 1977 at the Center for Advanced Study of the Behavioral Sciences in Palo Alto California The Law of Love and Love as a Law Mark Hopkins,1881 *Why Love Hurts* Eva Illouz,2012-06-05 A new book by the award winnning sociologist Eva Illouz on modern love Sets out to explain why love is such a painful experience for many people why we invest so much in the search for love and why it so often disappoints us *The End of Love* Eva Illouz,2021-09-15 Western culture has endlessly represented the ways in which love miraculously erupts in people s lives the mythical moment in which one knows someone is destined for us the feverish waiting for a phone call or an email the thrill that runs down our spine at the mere thought of him or her Yet a culture that has so much to say about love is virtually silent on the no less mysterious moments when we avoid falling in love where we fall out of love when the one who kept us awake at night now leaves us indifferent or when we hurry away from those who excited us a few months or even a few hours before In *The End of Love* Eva Illouz documents the multifarious ways in which relationships end She argues that if modern love was once marked by the freedom to enter sexual and emotional bonds

according to one's will and choice contemporary love has now become characterized by practices of non choice the freedom to withdraw from relationships Illouz dubs this process by which relationships fade evaporate dissolve and break down unloving While sociology has classically focused on the formation of social bonds The End of Love makes a powerful case for studying why and how social bonds collapse and dissolve Particularly striking is the role that capitalism plays in practices of non choice and unloving The unmaking of social bonds she argues is connected to contemporary capitalism which is characterized by practices of non commitment and non choice practices that enable the quick withdrawal from a transaction and the quick realignment of prices and the breaking of loyalties Unloving and non choice have in turn a profound impact on society and economics as they explain why people may be having fewer children increasingly living alone and having less sex The End of Love presents a profound and original analysis of the effects of capitalism and consumer culture on personal relationships and of what the dissolution of personal relationships means for capitalism *The Wife* Anne O.

Nimmus,2014-12-09 This is my memoir I know what you're thinking what kind of an unexceptional egocentric thirty something year old writes a memoir I'll tell you someone that had life figured out by kindergarten and by college was destined to take on the world with a certifiably impenetrable heart I was religiously raised thinking that I would never ever screw things up the way my parents had and unlike most marriages mine really was meant to be happily forever after that's until I realized I am really just one in six billion We aren't so different I am no stranger to love and fear **You Can Master Your Fear** Magdalena Scopelitis,2012-06-26 Be the master of your fear and you can rule over your life Fear is the only obstacle between you and your dreams between you and what you most love So says Archangel Raphael who in this series of channelings unravels the mysteries of fear and through its darkest paths guides you step by step up to the glade of love He helps you tear away fears masks one by one till you come to know its real face only then does he teach you the ways to transmute it into love thus eliminating its disastrous implications According to Archangel Raphael fear shows that somewhere in the deepest part of your being you have chosen hatred versus love and your life cannot have real meaning Only when your fear is transformed can real life happen to you The end of your fear will signal the beginning of your life Until that day comes you will have just lived in a lie in an illusion I am only asking you to give me your fear Archangel Raphael adds and I will give back to you your love the most precious gift you ever had Boundaries of Self and Reality Online Jayne
