Love And Letters In New England Two Nineteenth Century Courtships:

Love and Letters in New England Elizabeth G. von Klemperer, 2002 Love and Letters in New England Courtship, Love, and Marriage in Nineteenth-Century English Canada Peter Ward, 1990-03-01 Courtship love and marriage are seen today as very private affairs and historians have generally concluded that after the late eighteenth century young people began to enjoy great autonomy in courtship and decisions about marriage Peter Ward disagrees with this conclusion and argues that freedom in nineteenth century English Canada was constrained by an intricate social institutional and familial framework which greatly influenced the behaviour of young couples both before and after marriage Love and power in the nineteenth century Virginia Jeans Laas, 1998 This fascinating biography of a Gilded Age marriage closely examines the dynamic flow of power control and love between Washington blue blood Violet Blair and New Orleans attorney Albert Janin Based on their voluminous correspondence as well as Violet s extensive diaries it offers a thoroughly intimate portrait of a fifty four year union which in many ways conformed to societal norms yet always redefined itself in order to fit the needs and willfulness of both husband and wife With abundant documentary evidence to draw on Laas ties this compelling story to broader themes of courtship behavior domesticity gender roles extended family bonds elitism and societal stereotyping Deeply researched and beautifully written Love and Power in the Nineteenth Century has the dual virtue of making an important historical contribution while also appealing to a broad popular audience

Heterosexual Histories Rebecca L. Davis, Michele Mitchell, 2021-02-09 The history of heterosexuality in North America across four centuries Heterosexuality is usually regarded as something inherently natural but what is heterosexuality and how has it taken shape across the centuries By challenging ahistorical approaches to the heterosexual subject Heterosexual Histories constructs a new framework for the history of heterosexuality examining unexplored assumptions and insisting that not only sex but race class gender age and geography matter to its past Each of the fourteen essays in this volume examines the history of heterosexuality from a different angle seeking to study this topic in a way that recognizes plurality divergence and inequity Editors Rebecca L Davis and Michele Mitchell have formed a collection that spans four centuries addressing the many different racial groups geographies and subcultures of heterosexuality in North America The essays range across disciplines with experts from various fields examining heterosexuality from unique perspectives a historian shows how defining heterosexuality sex and desire were integral to the formation of British America and the process of colonization a legal scholar examines the connections between race sexual citizenship and nonmarital motherhood a gender studies expert analyzes the Clinton Lewinsky scandal and explores the intersections of heterosexuality with shame and second wave feminism Together these essays explain how differently earlier Americans understood the varieties of gender and different sex sexuality how heterosexuality emerged as a dominant way of describing gender and how openly many people acknowledged and addressed heterosexuality s fragility By contesting presumptions of heterosexuality s stability or consistency Heterosexual Histories

opens the historical record to interrogations of the raced classed and gendered varieties of heterosexuality and considers the implications of heterosexuality's multiplicities and changes. Providing both a sweeping historical survey and concentrated case studies, *Heterosexual Histories* is a crucial addition to the field of sexuality studies.

Searching the Heart Karen Lystra, 1992-06-25 In January 1862 Charles Godwin courted Harriet Russell ultimately unsuccessfully with the following lines: "Like cadences of inexpressibly sweet music your kind words came to me causing every nerve to vibrate as though electrified by some far off strain of heavenly harmony. Almost ten years later Albert Janin upon receiving a letter from his beloved Violet Blair responded with "I kissed your letter over and over again regardless of the small pox epidemic at New York and gave myself up to a carnival of bliss before breaking the envelope. And in October 1883 Dorothea Lummis wrote candidly to her husband Charles "I like you to want me dear and if I were only with you I would embrace more than the back of your neck be sure. In Karen Lystra's richly provocative book *Searching the Heart* we hear the voices of Charles, Albert, Dorothea and nearly one hundred other nineteenth century Americans emerge from their surprisingly open, intimate and emotional love letters. While historians of nineteenth century America have explored a host of private topics including courtship, marriage, birth control, sexuality and sex roles, they have consistently neglected the study of romantic love. Lystra fills this gap by describing in vivid detail what it meant to fall in love in Victorian America. Based on a vast array of love letters, the book reveals the existence of a real openness, even playfulness between male and female lovers which challenges and expands more traditional views of middle class private life in Victorian America. Lystra refutes the common belief that Victorian men and women held passionlessness as an ideal in their romantic relationships. Enabling us to enter the hidden world of Victorian lovers, the letters they left behind offer genuine proof of the intensity of their most private interactions, feelings, behaviors and judgments. Lystra discusses how Victorians anthropomorphized love letters, treating them as actual visits from their lovers, insisting on reading them in seclusion, sometimes kissing them as Albert does with Violet's and even taking them to bed. She also explores how courtship rituals which included the setting and passing of tests of love succeeded in building unique emotional bonds between lovers and how middle class views of romantic love which encouraged sharing knowledge and intimacy gave women more power in the home. Through the medium of love letters, *Searching the Heart* allows us to enter unnoticed the Victorian bedroom and parlor. We will leave with a different view of middle class Victorian America.

World of Trouble Richard Godbeer, 2019-11-26 An intimate account of the American Revolution as seen through the eyes of a Quaker pacifist couple living in Philadelphia. Historian Richard Godbeer presents a richly layered and intimate account of the American Revolution as experienced by a Philadelphia Quaker couple, Elizabeth Drinker and the merchant Henry Drinker, who barely survived the unique perils that Quakers faced during that conflict. Spanning a half century before, during and after the war, this gripping narrative illuminates the Revolution's darker side as patriots vilified, threatened and in some cases killed pacifist Quakers as alleged enemies of the revolutionary cause. Our Emily Dickinsons Vivian R. Pollak,2016-10-19 For Vivian R Pollak Emily Dickinson s work is an extended meditation on the risks of social psychological and aesthetic difference that would be taken up by the generations of women poets who followed her She situates Dickinson s originality in relation to her nineteenth century audiences including poet novelist and Indian rights activist Helen Hunt Jackson and her controversial first editor Mabel Loomis Todd and traces the emergence of competing versions of a brilliant but troubled Dickinson in the twentieth century especially in the writings of Marianne Moore Sylvia Plath and Elizabeth Bishop Pollak reveals the wide range of emotions exhibited by women poets toward Dickinson s achievement and chronicles how their attitudes toward her changed over time She contends however that they consistently use Dickinson to clarify personal and professional battles of their own Reading poems letters diaries journals interviews drafts of published and unpublished work and other historically specific primary sources Pollak tracks nineteenth and twentieth century women poets ambivalence toward a literary tradition that overvalued lyric s inwardness and undervalued the power of social connection *Our Emily Dickinsons* places Dickinson s life and work within the context of larger debates about gender sexuality and literary authority in America and complicates the connections between creative expression authorial biography audience reception and literary genealogy *Gregarious Saints* Lawrence J.

Friedman,1982-05-31 Professor Friedman studies the abolition movement through individuals and groups in the USA **My Brother Slaves** Sergio Lussana,2016-05-20 Trapped in a world of brutal physical punishment and unrelenting back breaking labor Frederick Douglass mused that it was the friendships he shared with other enslaved men that carried him through his darkest days In this pioneering study Sergio A Lussana offers the first in depth investigation of the social dynamics between enslaved men and examines how individuals living under the conditions of bondage negotiated masculine identities He demonstrates that African American men worked to create their own culture through a range of recreational pursuits similar to those enjoyed by their white counterparts such as drinking gambling fighting and hunting Underscoring the enslaved men s relationships however were the sex segregated work gangs on the plantations which further reinforced their social bonds Lussana also addresses male resistance to slavery by shifting attention from the visible organized world of slave rebellion to

the private realms of enslaved men's lives. He reveals how these men developed an oppositional community in defiance of the regulations of the slaveholder and shows that their efforts were intrinsically linked to forms of resistance on a larger scale. The trust inherent in these private relationships was essential in driving conversations about revolution. *My Brother Slaves* fills a vital gap in our contemporary understanding of southern history and of the effects that the South's peculiar institution had on social structures and gender expression. Employing detailed research that draws on autobiographies of and interviews with former slaves, Lussana's work artfully testifies to the importance of social relationships between enslaved men and the degree to which these fraternal bonds encouraged them to resist.

Love in an Envelope Leroy S. Carpenter, 2008 The letters between Leroy Carpenter living in Colorado and Martha Bennett living in Iowa reveal their growing affection for each other and the challenges they would face in frontier Colorado.

A Craving Vacancy Susan Ostrov Weisser, 1997 Susan Ostrov Weisser scrutinizes sexuality by questioning the changing ideas of romantic love and femininity in Victorian England. Focusing her analysis on the works of Samuel Richardson, George Eliot, and Emily and Charlotte Brontë, Weisser reveals the complex relationship between conceptions of romantic passion and tenets of sexuality. She defines the Victorian period as a time when these ideas were shifting according to changing ideas of gender. With close attention to textual details, she introduces the concept of Moral Femininity, placing it in useful opposition to the competing Victorian ideal of the Lady.
