Love Eclipsed Joyce Carol Oates Faustian Moral Vision:

Love Eclipsed Nancy Ann Watanabe, 1998 This book demonstrates the greatness of Joyce Carol Oates who is a nominee for a Nobel Award in Literature Nancy Watanabe discusses Oates's previously undiscovered roots in the literatures of Europe and Asia Watanabe's thought provoking analyses are enhanced by a cinematically inspired principle of organization that reflects Oates's own stratagems In a massive build up of metaphorical links between a Copernican world of nature and actions taken by ordinary people in the course of their daily living Oates portrays America as a land of justice that is always a step behind a Faustian desire for freedom to pursue material desires Oates documents an eclipsing of a divinely inspired Christian love by Faustian quest Through this study readers will gain a broader perspective and a more accurate assessment of Oates's global significance *A Study Guide for Joyce Carol Oates's "We Were the Mulvaney's"* Gale, Cengage Learning, 2016-06-29 A Study Guide for Joyce Carol Oates's *We Were the Mulvaney's* excerpted from Gale's acclaimed *Novels for Students* This concise study guide includes plot summary character analysis author biography study questions historical context suggestions for further reading and much more For any literature project trust *Novels for Students* for all of your research needs **The Concise New Makers of Modern Culture** Justin Wintle, 2008-11-28 A Who's Who of Western culture from Woody Allen to Emile Zola Containing four hundred essay style entries and covering the period from 1850 to the present *The Concise New Makers of Modern Culture* includes artists writers dramatists architects philosophers anthropologists scientists sociologists major political figures composers film makers and many other culturally significant individuals and is thoroughly international in its purview Next to Karl Marx is Bob Marley with John Ruskin is Salman Rushdie alongside Darwin is Luigi Dallapiccola Deng Xiaoping rubs shoulders with Jacques Derrida as do Julia Kristeva and Kropotkin With its global reach *The Concise New Makers of Modern Culture* provides a multi voiced witness of the contemporary thinking world The entries carry short bibliographies and there is thorough cross referencing as well as an index of names and key terms *Dark Eyes on America* Gavin Cologne-Brookes, 2009-08-01 A sound and engaging book that creates a balanced overview of Oates's career while tackling the question of her role in the wider community *Modern Fiction Studies* Joyce Carol Oates is America's most extraordinary and prolific woman of letters In *Dark Eyes on America* Gavin Cologne-Brookes illuminates the vision of this remarkable master of her craft finding evidence in her novels of an evolving consciousness that ultimately forgoes abstract introspection in favor of a more practical approach to art as a tool for understanding both personal and social challenges With her clear eyed perception of human behavior Oates has for decades offered unhesitating explorations of genre topic and style making her an inevitable if somewhat elusive subject for critical assessment Cologne-Brookes's conversations and correspondence with Oates his close textual study of her novels and abundant references to her essays stories poetry and plays result in a work that critically synthesizes the layers of her writing This comprehensive yet accessible study offers an essential analysis of one of the twentieth century's most significant

writers A thoughtful thorough study which encourages readers to re examine Oates s novels within a philosophical context
Journal of the American Studies Association of Texas **Between Human and Divine** Mary Reichardt,2010 An introduction to recent and emerging Catholic literary works and artists New Makers of Modern Culture Justin Wintle,2016-04-22 New Makers of Modern Culture is the successor to the classic reference works Makers of Modern Culture and Makers of Nineteenth Century Culture published by Routledge in the early 1980s The set was extremely successful and continues to be used to this day due to the high quality of the writing the distinguished contributors and the cultural sensitivity shown in the selection of those individuals included New Makers of Modern Culture takes into full account the rise and fall of reputation and influence over the last twenty five years and the epochal changes that have occurred the demise of Marxism and the collapse of the Soviet Union the rise and fall of postmodernism the eruption of Islamic fundamentalism the triumph of the Internet Containing over eight hundred essay style entries and covering the period from 1850 to the present New Makers of Modern Culture includes artists writers dramatists architects philosophers anthropologists scientists sociologists major political figures composers film makers and many other culturally significant individuals and is thoroughly international in its purview Next to Karl Marx is Bob Marley next to John Ruskin is Salman Rushdie alongside Darwin is Luigi Dallapiccola Deng Xiaoping runs shoulders with Jacques Derrida as do Julia Kristeva and Kropotkin Once again Wintle has enlisted the services of many distinguished writers and leading academics such as Sam Beer Bernard Crick Edward Seidensticker and Paul Preston In a few cases for example Michael Holroyd and Philip Larkin contributors are themselves the subject of entries With its global reach New Makers of Modern Culture provides a multi voiced witness of the contemporary thinking world The entries carry short bibliographies and there is thorough cross referencing There is an index of names and key terms **The Monarch and the (Non)-Human in Literature and Cinema** Nizar Zouidi,2023-12-27 This collection studies the representations of the character of the monarch in literature and cinema Being a person an institution a character archetype and a narrative role the characters of the monarch and other royal or regal characters oscillate between humanity and the non human As such they are hybrid forms of existence and subjectivity The authors of this collection explore this hybridity across large spectra of genres historical periods and cultural contexts Some of the most prolific and widely read scholars analyze the archetype of the monarch on the page the stage and the screen They cover large swathes of intersecting creative and interpretive territories including ancient epic and religious poetry Arthurian legends British Renaissance and modern drama British horror films and Hollywood crime and sports films This collection also features interviews with six prominent comic book writers and artists who discuss the influence of classical royal archetypes on their works Women Vigilantes and Outlaws in American Popular Media Gregory Bray,Andrew J. Ball,2025-08-14 This interdisciplinary collection of essays examines how women vigilantes social bandits outlaws and anti heroines were represented in American novels movie serials radio dramas films comics and pulp fiction from the post Civil War era through

World War II Demonstrating a broad spectrum of methodological and critical approaches the book includes essays from seasoned as well as emerging scholars The collected essays fill a gap in present popular culture studies and intersect with outlaw studies gender studies feminism historical studies and media archaeology along with citizenship and national identity The volume also considers how representations of women relate to matters of class sexuality and ethnicity By analyzing female outlaws both real and imagined this study highlights the ways that these women have become symbols of justice and social transformation in American cultural memory This book is an ideal resource for researchers and academics in popular culture studies media studies outlaw studies comparative literature and feminist studies as well as historians who focus on media in the late nineteenth and early twentieth centuries

The Routledge Companion to Literature and Class Gloria McMillan, 2021-09-01 The Routledge Companion to Literature and Class offers a comprehensive and fresh assessment of the cultural impact of class in literature analyzing various innovative interdisciplinary approaches of textual analysis and intersections of literature including class subjectivities mental health gender and queer studies critical race theory quantitative and scientific methods and transnational perspectives in literary analysis Utilizing these new methods and interdisciplinary maps from field defining essayists students will become aware of ways to bring these elusive texts into their own writing as one of the parallel perspectives through which to view literature This volume will provide students with an insight into the history of the intersections of class theory of class and invisibility in literature and new trends in exploring class in literature These multidimensional approaches to literature will be a crucial resource for undergraduate and graduate students becoming familiar with class analysis and will offer seasoned scholars the most significant critical approaches in class studies

The Routledge Handbook of Violence in Latin American Literature Pablo Baisotti, 2022-02-28 This Handbook brings together essays from an impressive group of well established and emerging scholars from all around the world to show the many different types of violence that have plagued Latin America since the pre Colombian era and how each has been seen and characterized in literature and other cultural mediums ever since This ambitious collection analyzes texts from some of the region's most tumultuous time periods beginning with early violence that was predominately tribal and ideological in nature to colonial and decolonial violence between colonizers and the native population through to the political violence we have seen in the postmodern period marked by dictatorship guerrilla warfare neoliberalism as well as representations of violence caused by drug trafficking and migration The volume provides readers with literary examples from across the centuries showing not only how widespread the violence has been but crucially how it has shaped the region and evolved over time
