Hustling Hitler Walter Shapiro,2016-06-14 From acclaimed journalist Walter Shapiro the true life story of how his great uncle a Jewish vaudeville impresario and exuberant con man managed to cheat Hitler s agents in the run up to WWII All his life journalist Walter Shapiro assumed that the outlandish stories about his great uncle Freeman were exaggerated family lore some cockamamie Jewish revenge fantasies dreamt up to entertain the kids and venerate their larger than life relative Only when he started researching Freeman Bernstein s life did he realize that his family was actually holding back the man had enough stories vocations and IOUs to fill a dozen lifetimes Freeman was many people a vaudeville manager boxing promoter stock swindler card shark and self proclaimed Jade King of China But his greatest title perhaps the only man who can claim such infamy was as *The Man Who Hustled Hitler* A cross between *The Night They Raided Minsky s* and *Guys and Dolls* Freeman Bernstein s life was itself an old New York sideshow extravaganza one that Shapiro expertly stages in *Hustling Hitler* From a ragtag childhood in Troy New York Shapiro follows his great uncle s ever crooked trajectory through show business from his early

schemes on the burlesque circuit to marrying his star performer May Ward and producing silent films released only in Philadelphia Of course all of Freeman s cons and schemes were simply a prelude to February 18 1937 the day he was arrested by the LAPD outside of Mae West s apartment in Hollywood The charge Grand larceny for cheating Adolf Hitler and the Nazi government In the capstone of his slippery career Freeman had promised to ship thirty five tons of embargoed Canadian nickel to the F hrer when the cargo arrived the Germans found only huge useless quantities of scrap metal and tin It was a blow to their economy and war preparations and Hitler did not take the bait and switch lightly Told with cinematic verve and hilarious perspective Hustling Hitler is Shapiro s incredible investigation into the man behind the myth By reconstructing his great uncle s remarkable career Shapiro has transformed Freeman Bernstein from a barely there footnote in history to the larger than life eternal hustler who forever changed it **Hot Potato** Bob Kuska,2004-03-29 When Edwin Henderson introduced the game to Washington D C in 1907 he envisioned basketball as a way for more outstanding black student athletes to excel at northern white colleges and debunk negative stereotypes of the race Almost simultaneously black basketball was catching on quickly in New York Kuska establishes that these two cities served as the birthplace of the black game **The Human Face of the Alaska Gold Rush** Steve Levi,2021-01-01 It is the land of the Alaska Gold Rush where nuggets were said to be the size of goose eggs where men froze to death in search of the elusive yellow metal and dancehall girls lured overnight millionaire sourdoughs into marriage Honky tonk pianos punctuated the howl of the north wind in towns that were half tent and half ramshackle collections of driftwood whalebone and packing cases It was a time of whiskey and gold and long lonely trails behind a dogsled It was in a word ALASKA In cities rugged men and women walked on planks set across streets so deep with spring mud horses could be swallowed On the tundra life was a living hell with mosquitoes gnats white socks and biting flies descending in clouds on warm blooded creatures On the flip side of the season temperature could drop to 50 or 60 degrees below zero cold enough to freeze a can of oil so solid it could be cut in half with a saw With wind blasting at 100 miles an hour the chill factor could go down to 100 degrees below zero cold enough to freeze a person to death in a matter of minutes if he could not find proper shelter In whiteout conditions visibility could diminish to a foot in a matter of minutes It was in a word ALASKA **My Adventures with Your Money** T. D. Thornton,2024-06-04 Today we talk about Bernard Madoff but in the early 20th century they talked about George Graham Rice Born Jacob Simon Herzig in 1870 he later changed his name just as he would frequently change his swindles to make himself into one of the most colorfully successful villains in American history T D Thornton now tells the story of Rice s life as it unfolded against the dark rise of American greed in the early 20th century In the early 1900s Rice made market manipulation killings valued at billions in today s dollars by inventing fictitious boom towns in Death Valley and flagrantly exaggerating worthless mining claims throughout the West As a shameless racetrack tipster Rice cultivated a national following of 100 000 daily subscribers who paid for the privilege of being tipped to bet on hopeless nags Vilified by securities regulators as the Jackal of Wall Street Rice

sparked riots in Manhattan's financial district by perfecting the art of bucket shop trading with the sole purpose of bilking the public blind. He was capable of pulling off everything from street corner rip offs for pocket change to elaborately scripted gambling hoaxes all while being vilified by old guard profiteers like J P Morgan and befriended by gangsters like Arnold Rothstein. In *My Adventures With Your Money* T D Thornton has given us a real life version of *The Sting* with one of America's most colorful con men at its center. *The First Superstar* Gary K. Weiland, 2008-01-24 *The First Superstar* tells how John L. Sullivan forged the link between media and sports by being such good copy that the papers of the 1880s couldn't help but report his every move. What Babe Ruth's homeruns were to baseball Sullivan's knock outs were to boxing and Sullivan came first. The heavyweight title was created for him. He toured the country at the then fabulous total of 500 per night routinely offering a thousand dollars to anyone who could last just four rounds. His country loved gentlemen so he always insisted on gloves which was protection against the law. Toasted first in America then around the world he called Teddy Roosevelt and Prince Albert friend. The greatest fighting man ever he tried to be the greatest drinker and profligate too. After binging all day he'd revive on his way to a fight knock his opponent out as if he were a distraction then head for the nearest bar. He'd slam down C notes buy drinks for the house and leave the change. Between bars he'd scatter coins to the kids. Lines formed on his trains because everyone knew he gave to anyone who asked. But it caught up to him. Sick and broke he agreed to an illegal bareknuckle fight to be held in New Orleans in July of 1889 against Jake Kilrain. It was got up by an editor who wanted to cook the drunk to death. He promptly went on a four month bender that left him totally unfit with less than two months to go. Only William Muldoon a wrestling champion and the founder of the physical culture movement could rescue him. Together they dominated America's front pages with its greatest story. The outlawed 72 round fight became legend its popularity leading to the legalization of boxing. Muldoon became America's first fitness guru. Sullivan returned to drinking and infamously drew the color line against Peter Jackson who might have become the first Black champ. Then after touring for three years he lost to Jim Corbett. Sullivan drank away a fortune actually going bankrupt but in the end became a temperance lecturer. *Gambling in America* United States. Commission on the Review of the National Policy Toward Gambling, 1976

Lords of the Rinks John Chi-Kit Wong, 2005-12-15 No sport is as important to Canadians as hockey Though there may be a great many things that divide the country the love of hockey is perhaps its single greatest unifier Before the latest labour unrest in the National Hockey League NHL however it was easy to forget that hockey is also a multi million dollar business run not by the athletes or coaches but by corporate boards and businessmen The Lords of the Rinks documents the early years of hockey's professionalization and commercialization and the emergence of a fledgling NHL from 1875 to 1936 As the popularity of hockey grew in Canada in the late nineteenth century so too did its commercial aspects and players club directors rink owners fans and media had developed deep emotional economic and ideological interests in the sport Disagreement came in the ways and means of how organized hockey especially at the elite level should be managed Hence some coordination by way of governing bodies was required to maintain a semblance of order These early administrative bodies tried to maintain a structure that would help to coordinate the various interests set up standards of behaviour and impose mechanisms to detect and punish violators of governance In 1917 the NHL held its first games and by 1936 had become the dominant governing body in professional hockey Having performed extensive research in the NHL archives including league meeting minutes letters memos telegrams as well as gate receipt reports John Chi Kit Wong traces the commercial roots of hockey and argues that in its organized form the sport was rarely if ever without some commercial aspects despite labels such as amateur and professional The Lords of the Rinks is the only truly comprehensive and scholarly history of the league and the business of hockey

provide cultural meaning Leagues successfully used the cartel form an ostensibly illegal association of businesses that cooperated to monopolize the market for professional hockey along with a focus on locally branded clubs to manage competition and attract spectators to the sport In addition the NHL had another special challenge unlike other major leagues it was a binational league that had to sell and manage its sport in two different countries Joining the Clubs pays close attention to these national differences as well as to the context of a historical period characterized by war and peace by rapid economic growth and dire recession and by the momentous technological and social changes of the modern age
