market Even once he was named captain Sundin didn't deviate from his quiet nature but instead lead by example never asking anyone to work harder than he did Over thirteen seasons with the team he would learn just how fiery the cauldron of Leafs Nation could be In Home and Away Mats Sundin writes openly for the first time about what it was like for him to uproot his life in Sweden to embark on a long hockey career an ocean away Home and Away is an elegiac heartfelt and honest story of a man who followed his passions cherished his family faced heavy scrutiny and ultimately earned his way into both the hearts of fans and the hockey record books His journey transcends the rink and shows what it means to be a quiet and unpretentious Swedish kid who went on to become one of the most accomplished players in the history of the game

The 2005 lockout effectively killed the Sundin era Maple Leafs The team that exited this lockout was old and not very good After a few years of pretending the old formula of Sundin spare parts still worked Maple Leafs Sports and Entertainment told fans they would get their rebuild a rebuild that would change the culture of the Maple Leafs and return the franchise to glory To this end they hired Brian Burke NHL celebrity GM But Burke didn t bring change He brought more disappointment He continued the Leafs playoff drought till it was the longest in franchise history and when the Leafs finally made the playoffs they did it on luck Burke s rebuild on the fly tore down a mediocre team with poor goal tending and replaced it with a mediocre team with good goal tending And even once fired he left his mark as his protege Dave Nonis continues to run the team into the ground Leafs fans wishing for contention after years of missing the playoffs will have to wait years or perhaps decades more to see a Maple Leaf squad in true contention This book is about why Burke was hired what he did and why that didn t work The Brian Burke era of the Maple Leafs should stand as a lesson to big market franchises in all major North American pro sports that speed is not a solution when trying to make an old bad team good again **The Breeder's Gazette** ,1896 *Billboard* ,1999-02-13 In its 114th year Billboard remains the world s premier weekly music publication and a diverse digital events brand content and data licensing platform Billboard publishes the most trusted charts and offers unrivaled reporting about the latest music video gaming media digital and mobile entertainment issues and trends
