David Carriker, D. Min.,2017-08-30 This volume introduces the study of 144 cemeteries in Jackson and Sandy Ridge Townships Union Co NC and the surrounding areas Over 27 524 graves are included      The Texas Miracle John Marshall,2016-07-22 In The Texas Miracle author John Marshall offers a detailed examination of the largest political fraud in Texas since the Sharpstown scandal in the early 1970s An extension of his earlier book Playing Possum he expands on the information surrounding a massive land deal Marshall offers a political look at what took place in Texas In 2006 the Staubach Company advised the Brazos River Authority to begin charging a fair market rate at Possum Kingdom Lake to the people who had built their weekend homes around the shoreline At that time the average lake lot was three quarters of an acre and the average rental rate was 76 per month In 2007 Governor Rick Perry Lt Governor David Dewhurst and a handful of Texas legislators attempted to force the Brazos River Authority to sell the shoreline of Possum Kingdom Lake to the wealthy weekenders at a discount This effort was opposed by Republicans Democrats and bureaucrats alike and it met a humiliating defeat Two years later the weekenders and the politicians enlisted the services of the River Card The Texas Miracle tells that tale      *I Will Ruin You* Emilio Corsetti,2024-03-26 Did the State of Kentucky convict an innocent man Moments before boarding a passenger flight on 11 May 2019 as the first officer pilot Christian Kit Martin a former army ranger was arrested by a swarm of heavily armed officers for the murders of three of his neighbors The arrest captured global attention as Martin s mugshot clad in a pilot s uniform spread across the internet sparking a media firestorm with headlines such as Monster in the Cockpit A combat helicopter pilot Kit Martin had seen his life unravel after seeking a divorce His wife s threatening words If you leave me I will ruin your life overheard by his daughter seemed to have become a grim reality escalating to a court martial and culminating in a high stakes murder trial at which he was convicted I WILL RUIN YOU The Twisted Truth Behind the Kit Martin Murder Trial delves into the complex circumstances behind Martin s story It looks beyond the sensational headlines and legal turmoil into the heart of this controversial case With an investigative journalist s eye author Emilio Corsetti III presents the facts of the crime that led to the arrest and the extraordinary lengths used to secure a conviction in this unforgettable true crime page turner      **The American Shorthorn Herd Book** ,1917      U.S. Department of Transportation Federal Motor Carrier Safety Administration Register ,2009-02-24      **Playing Possum** John Marshall,2014-04-29 When Texas Gov Rick Perry signed a bill in May 2009 authorizing the Brazos River Authority to sell the entire inhabited shoreline of Possum Kingdom Lake not many people questioned it But the odd thing is that the property in question had been sold exactly one month earlier to a good ol boy that had earned the nickname the River Card While the Texas legislature had been busy considering the will of the people the Brazos River Authority had been busy selling the land

The final sale price was fifty million dollars The estimated value of the land was one billion dollars Playing Possum offers a detailed analysis of the most costly political scandal perpetrated in Texas since the Sharpstown Stock Fraud scandal It involved the states most powerful politicians including the governor the lieutenant governor and the attorney general but to this day very few people know what really happened It also involved the leading candidates for those same offices in 2014 This true account reveals how the taxpayers of Texas were cheated out of approximately one billion dollars worth of prime Texas real estate in a story of high stakes real estate poker
