Explicating Maxine Greene's Notion of Naming and Becoming: "I Am ... Not Yet" Christine Debelak Neider, 2021-09-06 This volume offers a Naming praxis with which teachers might more closely align with their ethical ideals in the midst of their daily practice and relationships with students Framed ontologically in Maxine Greene's existential phenomenological notion of Becoming the author explicates Greene's Naming as a praxis within her own early teaching experiences through the interpretive methods of currere and teacher lore This study evolves in epistolary conversation with Maxine Greene teacher colleagues and new teachers It demonstrates the possibilities of applying critical reflective and discursive dialogue to the tensions of a teacher's life of practice in order to identify the obstacles to and the opportunities of the Becoming of the teacher and the student's in the educational encounter

Practical Wisdom for an Ethical Evaluation Practice Marthe Hurteau, Thomas Archibald, 2023-01-01 This book provides a contemporary and thought

provoking exploration of the concept of practical wisdom what it is and how it can be incorporated into evaluation practice It defines what practical wisdom is explores its roots where it stands today what constitutes the wise evaluator and how we can develop sound judgment in an unpredictable and chaotic time It brings together evaluation thought leaders and practitioners to examine the concept of practical wisdom The authors enlightening essays are interwoven with reflective strands comprised of commentaries examples and new ideas added by Hurteau and her colleagues that offer a recursive and intricate pattern of reflection on the topic of practical wisdom This is a rare book because it moves beyond evaluation methodology to explore how practical wisdom can help us develop new and better solutions for difficult evaluation situations It will become a standard reference for practitioners trainers and teachers of evaluation because it considers the history ethics and competencies that underpin practical wisdom and examines the ways that this untaught skill can be applied to do as House says the right thing in the special circumstances of performing the job

The Futility of Philosophical Ethics James Kirwan, 2022-02-24 The Futility of Philosophical Ethics puts forward a novel account of the grounds of moral feeling with fundamental implications for philosophical ethics It examines the grounds of moral feeling by both the phenomenology of that feeling and the facts of moral feeling in operation particularly in forms such as moral luck vicious virtues and moral disgust that appear paradoxical from the point of view of systematic ethics Using an analytic approach James Kirwan engages in the ongoing debates among contemporary philosophers within metaethics and normative ethics Instead of trying to erase the variety of moral responses that exist in philosophical analysis under one totalizing system Kirwan argues that such moral theorizing is futile His analysis counters currently prevalent arguments that seek to render the origins of moral experience unproblematic by finding substitutes for realism in various forms of noncognitivism In reasserting the problematic nature of moral experience and offering a theory of the origins of that experience in unavoidable individual desires Kirwan accounts for the diverse manifestations of moral feeling and demonstrates why so many arguments in metaethics and normative ethics are necessarily irresolvable

Marine Maxims Thomas J Gordon, 2021-11-10 Marine Maxims is a collection of fifty principle based leadership lessons that Thomas J Gordon acquired commanding Marines over a career spanning three decades of service Dealing with the complexities and challenges of the contemporary operating environment requires an internal moral compass fixed true These maxims focus on developing inner citadels of character moral courage and the resilience to persevere in a contested domain where information is key Its purpose is to provide future leaders with a professional development plan that will steel their resolve and enable them to lead with honor Thematically these maxims build upon a foundation of character courage and will To be effective a leader must model and inspire the will to persevere in the face of danger or adversity The essence of effective leadership is credibility A leader s credibility is derived from a congruence of competence and character Exceptional leaders are not remembered for what they accomplished but how they did it Those that lead with integrity will be remembered as a leader worth following

Ethical Leadership and Global Capitalism

Annabel Beerel,2019-12-05 This book is a very practical guide to help managers put their own and their employees professional values to work Through real life stories and case studies the author brings to life and light the ethical challenges that present themselves in corporate and institutional settings The reader gets to see that ethics lies not only in the big dramatic defining moments but in the everyday behaviors of people as they work together in the service of organizational goals The text is punctuated with summaries exercises and opportunities for reflection where the reader has an opportunity to review their own ethical frameworks and to see how these show up in the daily choices they make Ideas are provided to help managers coach their employees to strategize around ethical issues how to communicate their views with clarity and conviction and how to find support in the organization to tackle difficult issues *Be Not Afraid* Samuel Wells,2011-11 A popular preacher and ethicist offers down to earth help on facing and overcoming common fears in the life of faith **The Power of One** Ron Luce,2003-09-04 Being a teenager in today s world is a trying time for a young Christian s heart mind and faith Ron Luce helps teens know that they are not alone by encouraging them to stand up and be counted among the faithful Topics included are Standing up to peer pressure Standing up to your friends Standing up for purity Standing up at work The Power of One has the bold answers to the hard questions teens have to face It s about the most basic part of being a Christian Standing Up for what you believe Once you can Stand Up you re ready to start walking wherever Jesus wants to lead you Ethical Theory Heimir Giersson,Margaret Holmgren,2000-06-28 This anthology is designed for use as a brief introduction to ethical theory Included are sections on various forms of ethical theory Ethical Relativism Divine Command Theory Egoism Consequentialism Deontology Justice Virtue Ethics and Feminist Ethics Each section includes two or three of the most important and interesting contributions to the field together with brief introductions by the editors A final section Theories in Practice consists of five selections on the issues of abortion world poverty and affirmative action Virtue Ethics Roger Crisp,Michael A. Slote,Michael Slote,1997 The aim of this series is to bring together important recent writings in major areas of philosophical inquiry selected from a variety of sources mostly periodicals which may not be conveniently available to the university student or the general reader The editors of each volume contribute an introductory essay on the items chosen and on the questions with which they deal A selective bibliography is appended as a guide to further reading This volume brings together much of the strongest and most influential work undertaken in the field of virtue ethics over the last four decades The ethics of virtue predominated in the ancient world and recent moral philosophy has seen a revival of interest in virtue ethics as a rival to Kantian and utilitarian approaches to morality Divided into four sections it includes articles critical of other traditions early attempts to offer a positive vision of virtue ethics some later criticisms of the revival of virtue ethics and finally some recent more theoretically ambitious essays in virtue ethics This collection should appeal not only to students and others seeking a wider knowledge of contemporary developments in moral philosophy but to professional philosophers as well Kant's Impact on Moral Philosophy Paul Guyer,2024-03-13 Immanuel Kant introduced a

new paradigm into modern moral philosophy first with his Groundwork for the Metaphysics of Morals in 1785 followed by his Critique of Practical Reason in 1788 Religion within the Boundaries of Mere Reason in 1793 and Metaphysics of Morals in 1798 For Kant the fundamental goal of morality is not the realization of the greatest happiness for the greatest number under some interpretation of that formula but the realization of human autonomy governed by pure reason in the form of the categorical imperative Kant's ideal of autonomy is nothing less than the greatest possible freedom of each human being to set his or her own ends compatible with the equal freedom of every other human being to do the same As Kant put it in lectures to his own students freedom not restrained under certain rules is the most terrible thing there could ever be but the condition under which alone the greatest use of freedom is possible and under which it can be self consistent is the essential end of humankind and the inner worth of the world Kant's work immediately drew the attention of both critics and supporters While some argued that Kant's categorical imperative was an empty formalism that he left no room for happiness in his morality that he could not explain responsibility for evil and that he allowed no room for moral feeling in morally worthy motivation others have found inspiration in his underlying idea that maximal but equal freedom is the inner worth of the world This book examines the response to Kant by other significant moral philosophers from Fichte Schelling and Hegel to through T H Green Josiah Royce and Friedrich Nietzsche to John Rawls Onora O'Neill Christine Korsgaard and Derek Parfit with many stops along the way The book is not a history of Kant scholarship but an examination of Kant's impact on other major moral philosophers from his time to our own While it attempts to do justice to the arguments of every philosopher discussed the book argues that the most profound responses to Kant have been precisely those that have developed in their own way Kant's ideal of freedom as the inner worth of the world

Parental Rights and Responsibilities Harriet Churchill, 2011 Child welfare state welfare and parenting issues are high on the UK policy agenda this timely book examines recent policy developments parental perspectives about parenting and child rearing and parental rights to welfare state support

Living with the Living Dead Greg Garrett, 2017-05-01 When humankind faces what it perceives as a threat to its very existence a macabre thing happens in art literature and culture corpses begin to stand up and walk around The dead walked in the fourteenth century when the Black Death and other catastrophes roiled Europe They walked in images from World War I when a generation died horribly in the trenches They walked in art inspired by the Holocaust and by the atomic attacks on Japan Now in the early twenty first century the dead walk in stories of the zombie apocalypse some of the most ubiquitous narratives of post 9 11 Western culture Zombies appear in popular movies and television shows comics and graphic novels fiction games art and in material culture including pinball machines zombie runs and lottery tickets The zombie apocalypse Greg Garrett shows us has become an archetypal narrative for the contemporary world in part because zombies can stand in for any of a variety of global threats from terrorism to Ebola from economic uncertainty to ecological destruction But this zombie narrative also brings us emotional and spiritual comfort These

apocalyptic stories in which the world has been turned upside down and protagonists face the prospect of an imminent and grisly death can also offer us wisdom about living in a community present us with real world ethical solutions and invite us into conversation about the value and costs of survival We may indeed be living with the living dead these days but through the stories we consume and the games we play we are paradoxically learning what it means to be fully alive Aristotle Henry B. Veatch,1974-06-22 Under the guidance of Professor Veatch Aristotle stands forth again as the philosopher who above all speaks simply and directly to the common sense of all mankind Today Professor Veatch believes the time may be ripe for a belated recognition that Aristotle is a truly live option in philosophy The discussion begins with the Physics for Aristotle the discipline embracing all aspects of the natural world and examines Aristotle s doctrine of categories and his celebrated four causes Turning to the De Anima Professor Veatch casts aside many errors of interpretation which have come about because of mistaken readings of the term soul and gives an intelligible account of Aristotle s psychology seen within the context of his system as a whole Next the varieties of human achievement are surveyed in Aristotelian terms with introductory discussions of the Ethics Politics and the Poetics Turning to the Metaphysics the author demonstrates that the question of the unity of subject matter in Aristotle s metaphysics does not warrant the great difficulty that has been made of it Finally reversing to good effect the traditional order Aristotelian logic is presented with superb clarity and ease

Virtuous Policing David G. Bolgiano,L. Morgan Banks, III,James M. Patterson,2017-08-09 It pulls no punches shuns no controversial topic and glosses over no issues or problems that beset America s law enforcement community in our day For those who may be prone to suspect the motives of these self confessed lovers of cops and warriors the title of this book should be sufficient to allay such concerns John C Hall Supervisory Sp *Ethics, Humans and Other Animals* Rosalind Hursthouse,2013-02-01 This introductory textbook is ideally suited to newcomers to philosophy and ethical problems Rosalind Hursthouse carefully introduces the three standard approaches in current ethical theory utilitarianism rights and virtue ethics She links each chapter to readings from key exponents such as Peter Singer and Mary Midgley and asks students to think critically about these readings for themselves Key features include clear activities and activities chapter summaries and guides to further reading

This is likewise one of the factors by obtaining the soft documents of this **Matter Of Ethics Facing The Fear Of Doing The Right Thing** by online. Matter Of Ethics Facing The Fear Of Doing The Right Thing Introduction

In the digital age, access to information has become easier than ever before. The ability to download Matter Of Ethics Facing The Fear Of Doing The Right Thing has revolutionized the way we consume written content. Whether you are a student looking for course material, an avid reader searching for your next favorite book, or a professional seeking research papers, the option to download Matter Of Ethics Facing The Fear Of Doing The Right Thing has opened up a world of possibilities. Downloading Matter Of Ethics Facing The Fear Of Doing The Right Thing provides numerous advantages over physical copies of books and documents. Firstly, it is incredibly convenient. Gone are the days of carrying around heavy textbooks or bulky folders filled with papers. With the click of a button, you can gain immediate access to valuable resources on any device. This convenience allows for efficient studying, researching, and reading on the go. Moreover, the cost-effective nature of downloading Matter Of Ethics Facing The Fear Of Doing The Right Thing has democratized knowledge. Traditional books and academic journals can be expensive, making it difficult for individuals with limited financial resources to access information. By offering free PDF downloads, publishers and authors are enabling a wider audience to benefit from their work. This inclusivity promotes equal opportunities for learning and personal growth. There are numerous websites and platforms where individuals can download Matter Of Ethics Facing The Fear Of Doing The Right Thing. These websites range from academic databases offering research papers and journals to online libraries with an expansive collection of books from various genres. Many authors and publishers also upload their work to specific websites, granting readers access to their content without any charge. These platforms not only provide access to existing literature but also serve as an excellent platform for undiscovered authors to share their work with the world. However, it is essential to be cautious while downloading Matter Of Ethics Facing The Fear Of Doing The Right Thing. Some websites may offer pirated or illegally obtained copies of copyrighted material. Engaging in such activities not only violates copyright laws but also undermines the efforts of authors, publishers, and researchers. To ensure ethical downloading, it is advisable to utilize reputable websites

that prioritize the legal distribution of content. When downloading Matter Of Ethics Facing The Fear Of Doing The Right Thing, users should also consider the potential security risks associated with online platforms. Malicious actors may exploit vulnerabilities in unprotected websites to distribute malware or steal personal information. To protect themselves, individuals should ensure their devices have reliable antivirus software installed and validate the legitimacy of the websites they are downloading from. In conclusion, the ability to download Matter Of Ethics Facing The Fear Of Doing The Right Thing has transformed the way we access information. With the convenience, cost-effectiveness, and accessibility it offers, free PDF downloads have become a popular choice for students, researchers, and book lovers worldwide. However, it is crucial to engage in ethical downloading practices and prioritize personal security when utilizing online platforms. By doing so, individuals can make the most of the vast array of free PDF resources available and embark on a journey of continuous learning and intellectual growth.
