**Calvin's First Catechism** I. John Hesselink, 1997-01-01 John Calvin's first catechism originally written in French in 1537 and then in Latin in 1538 provides a valuable clear and concise introduction to his thought. Now for the first time readers have available Ford Lewis Battles' English translation of the 1538 Latin edition and a current discussion of it in the same volume. This commentary on the first catechism also utilizes other sources such as Calvin's Commentaries and Institutes as well as the latest Calvin research. This volume is an excellent introduction to Calvin's theology and will be useful as a text for college and seminary courses as well as church discussion groups. The Columbia Series in Reformed Theology represents a joint commitment by Columbia Theological Seminary and Westminster John Knox Press to provide theological resources from the Reformed tradition for the church today. This series examines theological and ethical issues that confront church and society in our own particular time and place.

**Jesus and the Gospels, Third Edition** Craig L. Blomberg, 2022-11-15 In *Jesus and the Gospels*, New Testament scholar Craig Blomberg immerses the reader in the historical and cultural world of Gospel narratives for them to better understand and appreciate their focal point, Jesus of Nazareth.

**Game Over?** Christophe Chalamet, Andreas Dettwiler, Mariel Mazzocco, Ghislain Waterlot, 2017-09-11 Modern science informs us about the end of the universe; game over is the message which lies ahead of our world. Christian theology on the other hand sees in the end not the cessation of all life but rather an invitation to play again in God's presence. Is there a way to articulate together such vastly different claims? Eschatology is a theological topic which merits being considered from several different angles. This book seeks to do this by gathering contributions from esteemed and fresh voices from the fields of biblical exegesis, history, systematic theology, philosophy, and ethics. How can we make sense today of Jesus and the New Testament's eschatological message? How did he, his early disciples, and the Christian tradition envision the end of the world? Is there a way for us to articulate together what modern science tells us about the end of the universe with the biblical and Christian claims about God who judges and who will wipe every tear? Eschatology has been at the heart of Christian theology for 100 years in the West. What should we do with this legacy? Are there ways to move our reflection forward in our century? Scholars and other interested readers will find here a wealth of insights.

**Following in the Way of Jesus** Donald K. McKim, 2023-06-13 In this book, seasoned pastor-theologian Donald McKim offers reflections on what it means to be following in the way of Jesus as Christian disciples. These pieces take the form of theological thoughts for daily living. Part One explores Pursuing the Path of Faith with sections on Believing and Trusting, while Part Two concerns Walking in the Spirit with sections on Following and Serving. McKim brings to bear a lifetime of experience with the Scriptures, the Christian theological tradition, and the walk of faith in these short stimulating reflections.

**The Christ's Faith** Michael Allen, 2011-11-03 *The Christ's Faith* coheres with orthodox Christology and Reformation soteriology and needs to be affirmed to properly confirm the true humanity of the incarnate Son Without addressing the interpretation of the Pauline phrase *pistis christou* this study offers a theological rationale for an exegetical possibility and enriches a dogmatic account of the humanity of the Christ The coherence of the Christ's faith is shown in two ways First the objection of Thomas Aquinas is refuted by demonstrating that faith is fitting for the incarnate Son Second a theological ontology is offered which affirms divine perfection and transcendence in qualitative fashion undergirding a Chalcedonian and Reformed Christology Thus the humanity of the Christ may be construed as a fallen human nature assumed by the person of the Word and sanctified by the Holy Spirit The dogmatic location of *The Christ's Faith* is sketched by suggesting its potential function within three influential theological systems Thomas Aquinas federal theology and Karl Barth Furthermore the soteriological role of the doctrine is demonstrated by showing the theological necessity of faith for valid obedience before God

**With Jesus** Brian G. Hedges, 2017-12-08 *With Jesus* takes us on a tour through Jesus' life to show us how we can find our place in the story of Christ Christianity is not only a faith founded on facts but also a deeply personal experience of God's transforming grace in Christ While our hope is rooted in history the

events of Jesus life death resurrection and ascension the Scriptures also teach that every believer is included in these events From the manger to the cross from the empty tomb to his glorious throne Jesus acted for us And the mystery and wonder of the gospel is that we are crucified buried raised and seated with him The story of Jesus rewrites our stories Theologies of Language in English Renaissance Literature James S. to obstacles is told here beginning with the allegorical interpretation of myths in Hellenism through to the contemporary view of the hermeneutical problem as universal Following the opening chapters on the history of hermeneutical thought the book presents an overview of the various contemporary hermeneutical schools of thought and shows their rooted ness in different parts of the hermeneutical tradition The focus is clearly on biblical interpretation however it does also take account of developments outside the field of theology as they influence the theological reflection on the hermeneutical problem The questions raised and the possible answers suggested in this volume will be of interest to students of other disciplines such as philosophy and literature

Carson, 2002-09-10 Right with God is a study of what the Bible has to say about justification along with reflections as to how this teaching ought to work out in a variety of contexts around the world In addition to the essays on particular parts of the Bible Paul Matthew Luke Acts John James the book includes an essay assessing recent thought on justification and another attempting to put together a synthesis of biblical perspectives on this important theme One chapter relates justification and personal Christian living another weighs the relationship between justification and social justice yet another evaluates the treatment of justification in Roman Catholicism and in various interfaith dialogues For some readers however the most innovative chapters will be those discussing the relevance of the Christian doctrine of justification by faith in Hindu Islamic and Buddhist contexts The contributors have been drawn from evangelical communities around the world

*A Case for Mixed-audience with Reference to the Warning Passages in the Book of Hebrews* C. Adrian Thomas, 2008 A Case for Mixed Audience with Reference to the Warning Passages in the Book of Hebrews discusses the nature of the warnings in Hebrews and how these warnings relate to the theological question of the eternal security of believers The main argument is that these warnings are intended to target

a particular segment of the author's community about whose appropriation of and subsequent attitude toward the Christian message he was deeply concerned. That is to say while the book of Hebrews is addressed as a message of encouragement to the community as a whole its warnings are aimed at a certain element in the community whose salvation is threatened by a possible dangerous course of action. The book implies that while the author is persuaded that the majority in the community are genuine believers there are some about whose salvation he doubts hence the case for a mixed audience. What is threatened therefore is not a salvation already possessed but the salvation of those in danger of coming up short. Theologically the work falls within the sphere of the Calvinistic Arminian debate regarding the assurance of salvation and the perseverance of the saints. It argues strongly for the Calvinistic position but does so within the confines of the discipline of biblical studies and lends extensive exegetical support to the Calvinistic position on the warning passages. The book is highly recommended for Bible College and seminary students and professors as well as pastors and lay leaders who must give answers to their parishioners on those tough warning passages in Hebrews.

*The Nursery of the Holy Spirit* Daniel R. Hyde, 2014-07-30 Public worship is the nursery of the Holy Spirit. As you enter the sanctuary you notice them at once. Then as you take your seat next to a family they are right there beside you. Throughout the ensuing service you see them and hear them. The presence of children in public worship is not only striking but also increasingly strange in modern American church life. In fact the idea of your children sitting or standing next to you during prayer singing or the pastor's sermon can be downright scary. This book is based in the conviction that public worship is the nursery of the Holy Spirit and that bringing children in is both beneficial and a blessing. *The Nursery of the Holy Spirit* offers practical advice on how to make this ideal a reality in your children's lives.

*Calvinism and the Arts* Christopher Richard Joby, 2007 It is often thought that the French Reformer John Calvin 1509-1564 had a negative attitude towards the arts particularly visual art. However in *Calvinism and the Arts* A Re assessment Dr Joby argues that in Calvin's writings and in the development of the Reformed tradition more generally it is possible to discern a more positive attitude than has hitherto been recognized. He makes a start by examining exactly what type of visual art Calvin rejected and what type he affirmed. He goes on to consider how Calvin's epistemology and eschatology can be used to argue for the placing of certain types of art notably histories and landscape paintings within Reformed churches and then devotes separate chapters to reflecting on how music architecture and church decoration within the Reformed tradition provide further arguments for the use of these works of art. In the final section he looks at specific histories and landscapes from the Dutch Golden Age and considers how the form and content of both of these types of art provide us with further ontological and epistemological arguments which inevitably lead to the conclusion that their continued exclusion from Reformed churches is no longer tenable.

**Font of Pardon and New Life** Lyle D. Bierma, 2021-06-15 *Font of Pardon and New Life* is a study of the historical development and impact of John Calvin's doctrine of baptism both adult or believer baptism and infant baptism. Did Calvin intend to teach a kind of baptismal forgiveness and

regeneration that is did he believe that the external sign of baptism actually conveys the spiritual realities it signifies If baptism does serve in some way as an instrument of divine grace for Calvin what then are the roles of the Word the Holy Spirit divine election and individual faith Are spiritual blessings conferred only in adult believer baptism or also in the baptism of infants Did Calvin s teaching on baptismal efficacy remain constant throughout his lifetime or did it undergo significant change What impact did it have on the Reformed confessional tradition that followed him Lyle D Bierma approaches these questions by examining Calvin s writings on baptism in their entirety proceeding chronologically through Calvin s life and writings including his Institutes commentaries on the Bible catechisms polemical treatises and consensus documents Bierma concludes that Calvin understood baptism as a means or instrument of both assurance and grace His view underwent some change and development over the course of his life but not to the extent that some in the past have suggested The overall trajectory of his baptismal theology was one of increasing clarity and refinement of basic themes already present in incipient form in the Institutes of 1536

The Beatitudes through the Ages Rebekah Eklund, 2021-04-27

The Beatitudes are among the most influential teachings in human history For two millennia they have appeared in poetry and politics and in the thought of mystics and activists as Christians and others have reflected on their meaning and shaped their lives according to the Beatitudes wisdom But what does it mean to be hungry or meek or pure in heart Is poverty a material condition or a spiritual one And what does being blessed entail In this book Rebekah Eklund explores how the Beatitudes have affected readers across differing eras and contexts From Matthew and Luke in the first century to Martin Luther King Jr and Billy Graham in the twentieth Eklund considers how men and women have understood and applied the Beatitudes to their own lives through the ages Reading in the company of past readers helps us see how rich and multifaceted the Beatitudes truly are illuminating what they might mean for us today
