Selected Poems of Matthew Arnold Matthew Arnold, 1898 **Matthew Arnold Selected Poems** Matthew Arnold, 2012-02-25 Collectors Edition Matthew Arnold is one of my favorite poets and I think that this collection showcases some of his best work The poems are mostly his older and longer works so I wouldn't recommend this for someone who likes short poems some in here are pages long Selected Poems of Matthew Arnold Edited, with Intro and Notes Matthew

Arnold, 2012-01 Unlike some other reproductions of classic texts 1 We have not used OCR Optical Character Recognition as this leads to bad quality books with introduced typos 2 In books where there are images such as portraits maps sketches etc We have endeavoured to keep the quality of these images so they represent accurately the original artefact Although occasionally there may be certain imperfections with these old texts we feel they deserve to be made available for future generations to enjoy Selected Poems of Matthew Arnold Matthew Arnold, 2015-06-12 Excerpt from Selected Poems of

Matthew Arnold In making this collection which is intended primarily for school use we have tried to keep three things in view The poems chosen should exhibit Matthew Arnold's special qualities they should not in subject or in treatment be such as the young could not appreciate and they should give pupils something to think about in connexion with other poetry and other subjects of study Poems like Mycerinus and Stanzas from the Grande Chartreuse fine as they are hardly answer the second test The short lyrics as is natural with poems of that type are noteworthy rather for beauty of expression than for substance Sohrab and Rustum and Balder Dead the first poems in our selection being avowedly modelled on Homer we have thought it useful to quote in illustration a few passages of which the imitation is specially close These are taken mainly from the Iliad and for the translations we have relied on the prose version published by Messrs Lang Leaf any imperfections that remain are intentionally left to preserve the state of such historical works **Selected Poems of Matthew Arnold**

(Classic Reprint) Matthew Arnold, 2017-06-30 Excerpt from Selected Poems of Matthew Arnold Yes while On earth a thousand discords ring Man's senseless uproar mingling with his toil Still do thy quiet ministers move on Their glorious tasks in silence perfecting Still working blaming still our vain turmoil Labourers that shall not fail when man is gone About the Publisher Forgotten Books publishes hundreds of thousands of rare and classic books Find more at www.forgottenbooks.com This book is a reproduction of an important historical work Forgotten Books uses state of the art technology to digitally reconstruct the work preserving the original format whilst repairing imperfections present in the aged copy In rare cases an imperfection in the original such as a blemish or missing page may be replicated in our edition We do however repair the

vast majority of imperfections successfully any imperfections that remain are intentionally left to preserve the state of such historical works
