

HOPKINS, THE WITCH FINDER.

# Matthew Hopkins Witch Finder General

**Alix Wood**

## **Matthew Hopkins Witch Finder General:**

The Discovery of Witches Matthew Hopkins, 2022-09-15 In *The Discovery of Witches* Matthew Hopkins presents a harrowing examination of witch trials during the English Civil War articulating the fervor and paranoia that swept through society. Written in a polemical style, the text serves both as a legal manifesto and a chilling account of the judicial proceedings that targeted countless accused witches. Hopkins employs a mixture of personal testimony and legal reasoning to justify his ruthless methods, reflecting the broader socio-political tensions of the time characterized by superstition and religious fanaticism. This work not only contextualizes the trial dynamics but also exposes the gendered dimensions prevalent in witch hunts, emphasizing the darker aspects of human belief and societal control. Matthew Hopkins, known as the Witchfinder General, was a controversial figure whose relentless zeal in pursuing alleged witches led to his infamy in 17th-century England. His background as a soldier during the English Civil War likely shaped his views and his fervent belief in the necessity of rooting out perceived evil. Driven by a combination of personal ambition and a purported moral mission, Hopkins's experiences fueled his assertions in this significant yet unsettling text. This seminal work is highly recommended for scholars, historians, and readers interested in the interplay between law, morality, and superstition in early modern Britain. *The Discovery of Witches* not only documents a dark chapter in history but also encourages critical reflection on the consequences of fanaticism and the fragility of justice.

**Matthew Hopkins Witchfinder General** James Vi, John Gaule, Matthew Hopkins, 2021-03-09 Matthew Hopkins Richard Deacon, 1976 **The Discovery of Witches** Matthew Hopkins, 2014-03-22 *The Discovery of Witches* In answer to several queries lately delivered to the Judges of Assize for the County of Norfolk By Matthew Hopkins Witchfinder Hopkins's witch-finding career began in March 1644 and lasted until his retirement in 1647. During that period, he and his associates were responsible for more people being hanged for witchcraft than in the previous 100 years and were solely responsible for the increase in witch trials during those years. He is believed to have been responsible for the deaths of 300 women between the years 1644 and 1646. It has been estimated that all of the English witch trials between the early 15th and late 18th centuries resulted in fewer than 500 executions for witchcraft. Therefore, presuming the number executed as a result of investigations by Hopkins and his colleague John Stearne is at the lower end of the various estimates, their efforts accounted for about 60 per cent of the total in the 14 months of their crusade. Hopkins and Stearne sent to the gallows more people than all the other witch hunters in the 160 years of persecution in England. The Discovery of Witches Montague Summers, 2014-03 This is a new release of the original 1647 edition.

*Witchfinder General* Craig Cabell, 2006 Matthew Hopkins is perhaps the most notorious, certainly the most productive witchfinder that England ever boasted. In eighteen months between 1645 and 1646, he was responsible for the condemnation and execution of at least 230 witches in south-east England and East Anglia. His victims were for the most part elderly women, though men too, even respected clergymen, faced trial and capital punishment for performing witchcraft and making

covenants with Satan Hopkins had appointed himself Witchfinder General by order of Parliament but his reputation as a local hero became tarnished by his use of excessive torture too many false accusations and confessions obtained by dubious means His death is somewhat mysterious He died while still quite young possibly after having been accused of witchcraft himself and executed Craig Cabell already a noted biographer of such contemporary students of the occult as Dennis Wheatley and James Herbert uses the copious extant records and Hopkins's own writings to create a richly detailed picture of a man and a society obsessed with magic devil worship and the powers of darkness He provides the first full modern biography of a man who turned his undoubted energies and gifts into a streamlined and profitable killing machine *The Discovery of Witches* Matthew Hopkins, 2018-08-28 In *The Discovery of Witches* Matthew Hopkins the Witch Finder General of England during the early 1600s details the process by which he found and captured suspected witches Hopkins's treatise is comprised of answers to various queries he had received by members of the public curious about his investigatory techniques in finding witches This book answers a total of fourteen queries with replies ranging from a few sentences to a few paragraphs in length The book is an illustrative portrayal of a society fervently given to superstitions about the powers of witchcraft At three hundred women killed the efforts of Hopkins and his assistant John Stearne were prolific Accorded status Hopkins encountered opposition to his witch finding That his investigations required scant evidence to secure death sentences dismayed figures in the Church of England Today historians judge Hopkins as an opportunist who took advantage of unfounded suspicions to advance his own fame *Witchcraft in Early Modern Europe* Jonathan Barry, Marianne Hester, Gareth Roberts, 1996 This important collection brings together both established figures and new researchers to offer fresh perspectives on the ever controversial subject of the history of witchcraft Using Keith Thomas's *Religion and the Decline of Magic* as a starting point the contributors explore the changes of the last twenty five years in the understanding of early modern witchcraft and suggest new approaches especially concerning the cultural dimensions of the subject Witchcraft cases must be understood as power struggles over gender and ideology as well as social relationships with a crucial role played by alternative representations Witchcraft was always a contested idea never fully established in early modern culture but much harder to dislodge than has usually been assumed The essays are European in scope with examples from Germany France and the Spanish expansion into the New World as well as a strong core of English material *John Stearne's Confirmation and Discovery of Witchcraft* Scott Eaton, 2020-05-31 Between 1645-7 John Stearne led the most significant outbreak of witch hunting in England As accusations of witchcraft spread across East Anglia Stearne and Matthew Hopkins were enlisted by villagers to identify and eradicate witches After the trials finally subsided in 1648 Stearne wrote his only publication *A confirmation and discovery of witchcraft* but it had a limited readership Consequently Stearne and his work fell into obscurity until the 1800s and were greatly overshadowed by Hopkins and his text This book is the first study which analyses Stearne's publication and contextualises his ideas within early modern intellectual cultures of religion demonology gender science and

print in order to better understand the witch finder s beliefs and motives The book argues that Stearne was a key player in the trials that he was not a mainstream puritan and that his witch finding availed from contemporary science It traces A confirmation s reception history from 1648 to modern day and argues that the lack of research focusing on Stearne has resulted in misrepresentations of the witch finder in the historiography of witchcraft This book redresses the imbalance and seeks to provide an alternative reading of the East Anglian witch hunt and of England s premier witch hunter John Stearne

**Witch Trials** Alix Wood,2013-08-01 From a modern perspective it seems incredible that people were once executed for practicing witchcraft Yet in medieval Europe and colonial America more than 12 000 lost their lives this way The proof of witchery was often as scanty as a physical deformity or as outrageous as the water test If the tied up suspect floated in water they were guilty if they sunk they were innocent Readers will be fascinated by reports of famous and lesser known witch trials accompanied by vivid photographs colorful illustrations and intriguing fact boxes They ll learn how dubious accusations circumstantial evidence and a lack of scientific knowledge proved fatal for so many **Witchfinders** Malcolm

Gaskill,2007-10-31 In 1645 Matthew Hopkins and John Stearne exploited the anxiety and lawlessness of the time and initiated a brutal campaign to drive out the presumed evil in their midst Gaskill recounts the most savage witch hunt in English history By the fall of 1647 at least 250 people had been captured interrogated and tried with more than 100 hanged

**Encyclopedia of Witchcraft** Richard M. Golden Director, Jewish Studies Program,2006-01-30 The definitive compilation on witchcraft and witch hunting in the early modern era exploring significant people places beliefs and events Encyclopedia of Witchcraft The Western Tradition is the definitive reference on the age of witch hunting approximately 1430 1750 its origins expansion and ultimate decline Incorporating a wealth of recent scholarship in four richly illustrated alphabetically organized volumes it offers historians and general readers alike the opportunity to explore the realities behind the legends of witchcraft and witchcraft trials Over 170 contributors from 28 nations provide vivid documented descriptions and analyses of witchcraft trials and locations folklore and beliefs magical practices and deities influential texts and the full range of players in this extraordinary drama witchcraft theorists and theologians historians and authors judges clergy and rulers the accused and their persecutors Concentrating on Europe and the Americas in the early modern era the work also covers relevant topics from the ancient Near East including the Hebrew and Christian Bibles classical antiquity and the European Middle Ages *The Encyclopedia of Witches, Witchcraft and Wicca* Rosemary Guiley,2010-05-12 Presents a comprehensive reference guide with more than 480 entries on the subject of witchcraft

Witches and Sorcerers Gary Jeffrey,2011-01-15 This gripping book uses the graphic novel format to examine three real life stories about people who were accused of being witches and sorcerers in history Supernatural tales include Nicholas Flamel and the Philosopher s Stone the Salem Witch Trials and Grace Sherwoodthe Witch of Pungo Each story is presented in a riveting style that is accessible to reluctant readers Dictionary of the Supernatural Petre Underwood,1978-10 An A to Z of Hauntings Possession Witchcraft

Demonology and Other Occult Phenomena The entries cover all known and some very little known organisations individuals periodicals terms of reference and significant cases events and incidents relevant to the subject Under each entry there are notes on other appropriate books and further reading *Witchcraft in Continental Europe* Brian P. Levack, 2013-10-28
