volume There are two linked indexes in this volume a main index at the front of this volume that will take you to the beginning each of the books of the bible and another index at the beginning of each book there is a linked scripture index leading to the particular subject John Calvin is considered as the first truly great scholar of the Reformation Indeed he has even been seen by some to be one of history s greatest Christian biblical scholars He had an incredible command of the Bible and his interpretations were not based on just one or two passages He combined pastoral insight with solid exegesis to form a strong interpretation of the scriptures However some of his views on the prophetic interpretation such as in the book of Daniel are controversial He put forth a purist view and believed that the prophecies in the book of Daniel applied solely to the history between the time of the prophet Daniel 530 BC and Jesus first coming 30 AD Nevertheless John Calvin was a force to be reckoned with and is considered to have a unique insight which enabled him to find the true meaning of the Bible Dutch theologian Jacobus Arminius after whom the anti Calvinistic movement Arminianism was named states that Next to the study of the Scriptures which I earnestly inculcate I exhort my pupils to peruse Calvin s Commentaries which I extol in loftier terms than Helmich himself a Dutch divine 1551 1608 for I affirm that he excels beyond comparison in the interpretation of Scripture and that his commentaries ought to be more highly valued than all that is handed down to us by the library of the fathers so that I acknowledge him to have possessed above most others or rather above all other men what may be called an eminent spirit of prophecy His Institutes ought to be studied after the Heidelberg Catechism as containing a fuller explanation but with discrimination like the writings of all men During his life Calvin produced commentaries on 48 books of the Bible a total of 45 published volumes He intended to put out a complete commentary of the Bible but his death prevented this The books of Judges Ruth 1 2 Samuel 1 2 Kings 1 2 Chronicles Ezra Nehemiah Esther Job Proverbs Ecclesiastes Song of Solomon 2 3 John and Revelation were unfortunately not completed He did however write a two volume commentary of the Harmony of the Gospels Matthew Mark and Luke as well as a separate commentary for the gospel of John Likewise he also wrote a two volume series on the Harmony of the Law Exodus Leviticus Numbers and Deuteronomy Calvin s own exegesis of the original text allowed him to bring out a unique and pleasing interpretation He begins each section of scripture with his own translation of the text and then further expounds upon it point by point making it an excellent resource for ministers and teachers alike After more than 400 years Calvin s commentaries are still a relevant and essential tool for Christians

Vessels of Wrath, Volume 2 Richard M. Blaylock, 2023-08-24 Hardening hearts Blinding eyes Sending deceitful spirits Crafting vessels of wrath Few will deny that certain biblical passages make claims about God that are difficult to accept But perhaps the most troubling are the verses that describe God as influencing individuals or groups towards wicked behavior for the purpose of condemning them What are readers to do with these texts In Vessels of Wrath Richard M Blaylock tackles the thorny subject of divine reprobating activity DRA Through an exhaustive biblical theological study of the Christian canon s witness Blaylock argues that the Bible does not present DRA as an insignificant or monolithic concept instead the biblical

authors showcase both the significance and the complexity of DRA in a variety of ways The book aims to help readers of the Bible to wrestle with the Scriptures so that they might come to better understand its testimony to this mysterious and awesome divine activity     Luke: Jesus Christ, Savior for the Nations Practical Christianity Foundation,2020-08-08 Jesus Christ is a light that will reveal salvation to the nations So wrote Luke the only Gentile writer found in the New Testament Scriptures Luke saw in Jesus Christ the fulfillment of Isaiah s prophecy Arise Shine Your light has come and the glory of the Lord has dawned Nations will come to your light and kings to the brightness of your dawn In clearly described themes Luke takes his readers on a journey of discovery finding in Jesus Christ not only the light for Israel but for people of all nations of the world The book you hold in your hands is no dry seminary text nor is it a feel good self help devotional There is a wealth of information here presented in a clear and accessible writing style that makes this commentary a great read for new believers and seasoned theologians alike Luke s Gospel is examined not in a vacuum but in the context of the totality of Scripture where frequent references to supporting verses serve as roadsigns assuring the reader that he is on the right road This commentary informs and delights     **The God Who Believes** Christian D. Kettler,2005-09-01 How does one deal with doubt Are faith and doubt irreconcilable Does one s understanding of God affect the answers to these questions Christian Kettler investigates these questions from a christological perspective drawing implications from the Scottish theologian T F Torrance and his doctrine of the vicarious humanity of Christ If we take the humanity of Christ seriously should we not speak of the faith of Jesus as a vicarious faith believing for us and in our place when it is difficult if not impossible to believe How Christians know God Jesus Knows God for Us and in Our Place who God is Who is the God Whom Jesus Knows and how to believe in God in a world of suffering and evil Providence Evil Suffering and the God Who Believes receive new insight in light of this christological exploration Wendell Berry s poignant novel of a humble country barber Jayber Crow adds an incarnational context to a discussion with important pastoral and existential dimensions In the vicarious faith of Christ we are not left as James Torrance cautions us to be thrown back upon ourselves but called to participate by the Spirit in the faith of Jesus     Equipped to Tell the Next Generation Donna R. Ryan,2020-04-15 Equipped to Tell the Next Generation bridges the gap between knowing and sharing our faith in Jesus by revealing areas of our beliefs and practices which have been syncretized with twenty first century American culture relative truth consumerism pleasure an independent spirit the victim mentality and the culture of doubt These go to the heart of who we are and keep Christians from telling people about Jesus in winsome ways This book provides the solution recover the holiness of God his ultimate characteristic which holds all his characteristics in perfect unity Rather than legalism genuine holiness is the highest beauty which produces wholeness because it balances holy love holy righteousness repentance of sin peace and respect for all people and all of God s creation When we meet a holy God we want to worship and to serve him because the beauty of holiness touches the very essence of our being It becomes our greatest desire to please him because of the deep love we find there a holy love unlike what the

world offers This book will take you on a journey to recover the things compromised to culture and will equip you to tell the next generation about Jesus

**Matthew's Non-Messianic Mapping of Messianic Texts** Bruce Henning,2020-11-16 Scholars often explain Matthew s practice of applying non messianic texts to the messiah by postulating a Christological hermeneutic In Matthew s Non Messianic Mapping of Messianic texts Bruce Henning raises the question of how Matthew applies messianic texts to non messianic figures This neglected category challenges the popular view by stretching Matthew s paradigm to a broadly eschatological one in which disciples share in the mission of Jesus so as to fulfill Scriptural hopes Using Cognitive Linguistics this volume explores four case studies to demonstrate Matthew s non messianic mapping scheme the eschatological shepherd the vineyard care giver temple construction imagery and the Isaian herald These reveal how Matthew s theology of discipleship as participating in Jesus own vocation extends even to his hermeneutical paradigm of fulfillment

*Entrusted to Lead* Donna Pisani, 2024-10-01 A practical tool for women who are called to leadership roles in any area of life *Entrusted to Lead* offers biblical insight and real life encouragement for how to navigate their leadership journey In *Entrusted to Lead* Pastor Donna Pisani draws on over four decades of experience to offer a biblical perspective of women in leadership that considers their role an entrusted assignment rather than just an entitled position Women who wrestle with God's call to lead or who don't have anyone supporting their call will discover how to Embrace their God-given unique leadership gifts Become alert to the internal lies that make them hesitant to pursue their calling Answer Jesus' mandate to women to go tell even when no one seems to be listening Understand how Paul empowered both genders to lead and serve together Lean into Jesus' strength when facing leadership challenges Generations of confusion keep women from answering God's call to lead depriving God's kingdom of crucial gifts and abilities *Entrusted to Lead* shows women what it looks like to lead with confidence in the workplace and in ministry and why Jesus always wanted women to have a seat at the table

**The Case for Catholicism** Trent Horn, 2017-11-29 This is the most up to date comprehensive and thorough defense of the Catholic Church against Protestant objections in print This book is especially relevant as the 500th anniversary of the Protestant Reformation draws near and discussion of the arguments made against the Church during that time in history receive renewed interest *The Case for Catholicism* answers arguments put forward by early Reformers like Luther and Calvin as well as contemporary defenders of Protestantism like Norm Geisler and R.C. Sproul It provides a meticulous defense of the biblical and historical nature of Catholic doctrines from Scripture and church history Finally in both answering Protestant objections to Catholicism and in providing evidence for the Faith *The Case for Catholicism* cites modern Protestant scholars who question Reformation assumptions and show how evidence from Scripture and church history support aspects of Catholic theology This book is divided into four sections with each answering a key question Christians have asked about the nature of their faith Those key questions are What is my authority What is the Church How am I saved Who belongs to the body of

Christ The Case for Catholicism will become a reliable resource for any Catholic who desires a well researched readable and persuasive answer to Protestant arguments made against the Catholic faith *Before You Were Born, I Anointed You* Anna Beresford, 2022-09-12 Prophetic ministry in the Bible has long been perceived as the exclusive domain of individuals who were powerful authoritative argumentative and almost always male This impression cannot be sustained In a logical and engaging way Anna Beresford convincingly shows us that female characters throughout the biblical story are not merely peripheral actors but are often the ones who proclaim God's prophetic word with disturbing clarity Beginning with the few women acknowledged as prophets in the Hebrew scriptural tradition Beresford proceeds to uncover a surprising host of hidden female prophets Among this cast we meet the widow whose last penny is consumed by organized religion the gate crasher who teaches a pious Pharisee stern lessons in hospitality a woman who has the last word in a theological debate A woman used to trap Jesus proclaims truth to power and a feisty foreign lady cleverly proves that God's love is for all of us regardless of gender or ethnicity This book is a compelling reminder that God speaks to all people women and men and calls on us to share the message whether it is convenient or not 2 Tim 4 2 NET Evangelical Calvinism Myk Habets, Bobby Grow, 2017-05-04 Continuing the discussion initiated in volume one volume two of Evangelical Calvinism further articulates the central motifs of this mood within Reformed theology by examining themes having to do with dogmatics and devotion After further clarifying the methodological and dogmatic aspects common to an Evangelical Calvinism the heart of the present volume is an explication of the vicarious ministry of Christ as it is worked out in its diverse theological dimensions The volume offers constructive accounts of various aspects of liturgy sacraments and doxology showing the vitality and lived spirituality of this Christian vision of faith and practice Both advocates and critics of Evangelical Calvinism now have an extended and thorough body of work with which to interact As with volume 1 this volume promises to set the agenda for contemporary and constructive Reformed studies in a way that provides an alternative to neo Calvinism and Westminster Calvinism alike
