Excerpt from *The Merrill Speller*

That the child should focus his attention on a very few words at one time that these words should have a definite meaning and utility to him and that they should reappear in his writing and in his spelling lessons so that he cannot forget them these are the main principles on which the merrill speller is built In the Third Year two words are selected for special study in each lesson supplemented by four easier words The number of words in a lesson is increased in the succeeding grades but the same distinction is kept between the words presenting spelling difficulties and the secondary list of review words or relatively easy words It is primarily the teacher who must see that the children know the meaning of the word they study and that they use it correctly In the text book we can show the meaning of a word by its context in sentences by grouping it with synonyms or words related in sense and by directing the pupil to the dictionary Reviewing not only throughout the grade but in the spelling lessons of later years is essential to permanent mastery of difficult words In this Speller the fifth lesson of each week is devoted to a review of the week's work and a general review is provided four times a year For further review the more difficult words are carried from grade to grade for study in the secondary lists In selecting the vocabulary we have drawn chiefly from lists of words frequently misspelled and words that teachers in many different localities have selected for special drill Webster's New International Dictionary revision of 1910 has been used as the spelling authority About the Publisher Forgotten Books publishes hundreds of thousands of rare and classic books Find more at www.forgottenbooks.com This book is a reproduction of an important historical work Forgotten Books uses state of the art technology to digitally reconstruct the work preserving the original format whilst repairing imperfections present in the aged copy In rare cases an imperfection in the original such as a blemish or missing page may be replicated in our edition We do however repair the vast majority of imperfections successfully any imperfections that remain are intentionally left to preserve the state of such historical works **Merrill Spelling for Word Mastery**, 1987-12-01
