Mesoeconomics A Micro Macro Analysis By Ng Yew Kwang:

Mesoeconomics Yew-Kwang Ng,1986 *Increasing Returns and Economic Efficiency* Y. Ng,2009-04-30 Recognizing increasing returns disrupts much of the established wisdom in economic analysis making money non neutral equity conflict with freedom and encouraging goods with increasing returns efficient This book discusses these problems and ways they can be handled helping to explain phenomena in the real world *Welfare Economics* Y. Ng,2003-12-19 Yew Kwang Ng looks to make welfare economics more complete by discussing the recent inframarginal analysis of division of labour and by pushing welfare economics from the level of preference to that of happiness making a reformulation of the foundation of public policy necessary A theory of the third best is provided with extension to the equality efficiency issue The remarkable conclusion of treating a dollar as a dollar provides a powerful simplification of public policy formulation in general and in cost benefit analysis in particular Happiness and Public Policy Lok Sang Ho,2006-08-25 Happiness is a private matter and individual pursuit however public policy does have an important role and can contribute much through various enabling means This volume discusses the determinants of happiness and presents case studies of how public policy can help promote happiness

Islamic Economics as Mesoscience Masudul Alam Choudhury,2020-11-24 This book presents the building blocks of Islamic economics as meso science offering an in depth study of the Qur anic worldview of the monotheistic unity of knowledge which is the universal and unique message of Tawhid in the Qur an This primal ontological premise is formalised in an analytical approach that introduces and unpacks the philosophical concepts of ontology epistemology and phenomenology in relation to the Tawhidi methodological worldview The analysis of Qur anic logical consistency is then cast in a phenomenological perspective by applying the complete model of the unity of knowledge of the Qur an in a specific study of the Tawhidi methodological approach to Islamic financial economic theory In doing so it tackles the problems of meso economics given its socio scientific holism in world affairs It hones in on the results of the symbiotic modulation of evolutionary learning processes in the world system of the unity of knowledge and its material embedding across knowledge and knowledge induced space and time dimensions The author poses that Shari ah is only partial in its scope and excludes an analytical methodological worldview Shari ah is thus cast in the midst of a meso socio scientific absence of any appertaining methodology The book is a landmark work in the conceptual and applied understanding of Tawhid as the methodological worldview of the monotheistic unity of knowledge in the meso socio scientific realm of everything particularised to Islamic economics Adopting an inter disciplinary view integrating various fields it challenges pervasive Western academic and institutional thinking in terms of economics It will be of interest to students and researchers in Islamic economics religious theory Islamic philosophy development studies and finance **Bridging Microeconomics and Macroeconomics and the Effects on Economic Development and Growth** Kostis, Pantelis C.,2020-10-30 In recent decades the mainstream microeconomic and macroeconomic analysis was proven to be insufficient for exploring the dynamic and complex

interactions among humans institutions and nature in our real economy On the one side microeconomics is filled with black box models that fail to study the actual contractual relations between firms and markets while on the other side macroeconomics were proven useless because they mistook the beauty of theoretical models for truth Thus questions have arisen about using new theoretical and empirical structures that would better describe our economic systems Bridging Microeconomics and Macroeconomics and the Effects on Economic Development and Growth is an essential reference source that analyzes the hypotheses that govern the relationships of aggregate structures macroeconomic analysis that may be compatible with the assumptions that govern the behavior of individuals households and firms micro analysis and vice versa in trying to achieve sustainable economic development and growth Moreover modern evolutionary growth thinking is used in trying to bridge the inconsistencies between microeconomics and macroeconomics and confront their failures in order to better describe the economic reality While highlighting a broad range of topics including globalization economic systems and the role of institutions this book is aimed toward economic analysts financial advisors policymakers researchers academicians and students *Increasing Returns and Economic Analysis* Kenneth J.
