Chapman,1995 Perhaps no book in the history of

the world has been as misunderstood and misappropriated as the Book of Revelation Those people versed in the methods of scholarly interpretation exegesis may understand the symbolism of this work but what about the general reader How is he or she to know whether this book is being soundly interpreted or misinterpreted Father Chapman writes for the general reader for the many who need to understand the truth of The Message of the Book of Revelation both its historical message and its message for Christians today He explains phrase by phrase in clear direct terms what has been learned about the genre of writings called apocalyptic literature of which Revelation is a part and how that knowledge can be properly used to interpret the images and symbols of Revelation Faithful to the teaching of the Church this explanation of Revelation reveals this biblical book to be an inspiring hope filled poetic portrayal of the triumph of Christ and his followers over the powers of evil The Rev Charles T Chapman Jr was raised and educated as a Southern Baptist He joined the Episcopal Church in 1980 and

was ordained priest in 1987 He holds degrees from Union University and The Southern Baptist Theological Seminary with further training at the Episcopal Theological Seminary of the Southwest With Bible teaching and writing among his principle interests Fr Chapman offers this commentary in the hopes that reason and scholarship can shed light on a biblical work where baseless extravagant imagination has long cast its shadow **The Message Promise Book** ,2010-03 This Bible study examines the books of 1 2 and 3 John and John s encouragement regarding love truth and the character of God

Unfolding Message of the Bible G. Campbell Morgan, In most of his books Dr Morgan is a teacher and the reader a student in this book the scene and the relationship are different This is a fireside chat and the most informal of all his writings It is as though the reader were invited into the home of the renowned and beloved scholar to sit before the fire and just talk about the Scriptures It is as intimate as that Here is completely new and previously unpublished material and a new look at the warm and glowing personality of this master of the Word Originally he called it The Harmony of the Scriptures but we felt that such a title might indicate that it was another of those Harmonies which run the Gospels in parallel columns for the purposes of comparison This is not a comparison but a weaving together The Bible is indeed a library of sixty six books each of which must be studied separately if we are to understand it But we must also understand that the books are chapters in a long connected story the story of a community and a record of divine government and that as Dr Morgan has it It is concerning Christ and the history of that Lord that the Bible is one This is the divine interwoven tapestry of the Word as God gave it warp and woof described by one who sees the golden thread of one increasing purpose and unfolding message running through it all It is G Campbell Morgan at his informal and inspiring best *The Message* Eugene H.
