Messiah Code:

The Messiah Code Bob Mitchell,2014-11-19 Did God encode the identity of the Messiah within the names and events recorded in the Old Testament Did he also bypass the understanding of the Old Testament authors and place the identity of the Messiah within the ancient Hebrew Pictographs in such a way that the message could only be accomplished by a Divine hand This book reveals God as the author of the Old Testament with stunning evidence that only the most die hard sceptic will deny *The Messiah Code* Michael Cordy,2004-10-26 At the moment of his supreme triumph a man of science dodges an assassin s bullet and loses everything that truly matters in his life Now only a miracle can save Dr Tom Carter s dying daughter the blood of salvation shed twenty centuries ago In the volatile heart of the Middle East amid the devastating secrets of an ancient brotherhood awaiting a new messiah Tom Carter must search for answers to the mysteries that have challenged humankind since the death and resurrection of the greatest Healer who ever walked the Earth Because suddenly Carter s life the life of his little girl and the fate of the world hang in the balance After two thousand years the wait is over

Bible Code Bombshell R. Edwin Sherman,2005 Explosive evidence that Bible codes point to the life of Christ When Ed Sherman a mathematician with 30 years of experience and Nathan Jacobi an Israeli physicist set out to debunk claims that there were mysterious codes in the Hebrew Old Testament they could not have envisioned the startling conclusions they would reach As Dr Jacobi an agnostic Jew looked for lengthy Hebrew codes about Christ repeatedly he discovered compelling excerpts from the life of the man from Nazareth Time and again Dr Jacobi found that one or two word codes were actually part of much longer encoded sentences that echoed the Gospel accounts Moreover these encoded sentences were extensively embedded in two passages most widely regarded as prophecies of the crucifixion of Christ Isaiah 53 and Psalms 22 Bible Code Bombshell sets forth startling new evidence that code sequences in Scripture are irrefutable evidence of a Divine hand In this highly readable book Sherman offers both skeptics and believers a gold mine of information that will prompt much thinking about the origins of the Bible Unlike other Bible code books this unique book features codes that are phrases and sentences and not just one or two word codes The only code book by researchers that are internationally recognized mathematicians and statistical experts Responds directly and accurately to Bible code critics *The Messiah Code* Bob Mitchell,2015-07-10 Please Note This is the Black and White Version Colour is also available Did God encode the identity of the Messiah within the names and events recorded in the Old Testament Did he also bypass the understanding of the Old Testament authors and place the identity of the Messiah within the ancient Hebrew Pictographs in such a way that the message could only be accomplished by a Divine hand This book reveals God as the author of the Old Testament with stunning evidence that only the most die hard sceptic will deny *The Messiah Code* C.
