Messianic Mystics:

Messianic Mystics Moshe Idel, 2000-05-01 One of the world's leading scholars of Jewish thought examines the long tradition of Jewish messianism and mystical experience *Jewish Mysticism and Kabbalah* Frederick E. Greenspahn, 2011-11-01 Over the past generation scholars have devoted increasing attention to the diverse forms that Jewish mysticism has taken both in the past and today what was once called nonsense by Jewish scholars has generated important research and attention both within the academy and beyond as demonstrated by the popular fascination with figures such as Madonna and Demi Moore and the growing interest in spirituality In *Jewish Mysticism and Kabbalah* leading experts introduce the history of this scholarship as well as the most recent insights and debates that currently animate the field in a way that is accessible to a broad audience From mystical outpourings in ancient Palestine to the Kabbalah Centre and from attitudes towards gender to mystical contributions to Jewish messianic movements this volume explores the various expressions of Jewish mysticism from antiquity to the present day in an engaging style appropriate for students and non specialists alike **A Kabbalah and Jewish Mysticism Reader** Daniel M. Horwitz, 2016-04 An unprecedented annotated anthology of the most important Jewish mystical works *A Kabbalah and Jewish Mysticism Reader* is designed to facilitate teaching these works to all levels of learners in adult education and college classroom settings Daniel M Horwitz's insightful introductions and commentary accompany readings in the Talmud and Zohar and writings by Ba'al Shem Tov Rav Kook Abraham Joshua Heschel and others Horwitz's introduction describes five major types of Jewish mysticism and includes a brief chronology of their development with a timeline He begins with biblical prophecy and proceeds through the early mystical movements up through current beliefs Chapters on key subjects characterize mystical expression through the ages such as Creation and deveikut cleaving to God the role of Torah the erotic inclinations toward good and evil magic prayer and ritual and more Later chapters deal with Hasidism the great mystical revival and twentieth century mystics including Abraham Isaac Kook Kalonymus Kalman Shapira and Abraham Joshua Heschel A final chapter addresses today's controversies concerning mysticism's place within Judaism and its potential for enriching the Jewish religion

Comparative Perspectives on Judaism and Jewish Identities Stephen Sharot, 2011 *Comparative Perspectives on Judaism and Jewish Identities* makes a unique contribution building on but not duplicating Sharot's earlier work There is no comparable work that covers all of these periods and particular cases Harriet Hartman professor of sociology at Rowan University **Apocalyptic Time** Albert I. Baumgartner, 2018-11-13 Millennial movements are characterized by their nature and perception of time and the ways in which these groups confront inevitable disappointment and then return to normal time This is the theme for the book *Apocalyptic Time* The volume consists of revised essays based on presentations made at an international conference devoted to that theme Authors adopt a number of disciplinary approaches to the topic analyzing millennial movements from the three Abrahamic faiths as well as from the East This book will be of particular interest to

students of millennial movements who wish to benefit from the comprehensive and comparative view it gives of the phenomenon based on a wide variety of cases This work greatly contributes to the theory of millennialism by supplying specific data and theoretical reflection The Mystery of God: Early Jewish Mysticism and the New Testament Christopher Rowland, C.R.A. Morray-Jones, 2009-06-17 This book brings together the perspectives of apocalypticism and early Jewish mysticism to illuminate aspects of New Testament theology The first part begins with a consideration of the mystical character of apocalypticism and then uses the Book of Revelation and the development of views about the heavenly mediator figure of Enoch to explore the importance of apocalypticism in the Gospels and Acts the Pauline Letters and finally the key theological themes in the later books of the New Testament The second and third parts explore the character of early Jewish mysticism by taking important themes in the early Jewish mystical texts such as the Temple and the Divine Body to demonstrate the relevance of this material to New Testament interpretation **The Bloomsbury Handbook of Apocalypticism and Millennialism** Tristan Sturm, Andrew Crome, 2025-10-16 In an age shadowed by pandemics climate catastrophe authoritarian resurgence and existential technological threats The Bloomsbury Handbook of Apocalypticism and Millennialism offers a timely and indispensable exploration of how societies make sense of their Ends and their hoped for new beginnings This ground breaking volume gathers leading scholars to trace the evolution meanings and enduring potency of apocalyptic and millennial ideas across religious secular and cultural landscapes From ancient revelatory texts to contemporary political movements and popular culture the book dissects how these concepts function not just as prophecies of doom but as frameworks for resistance renewal and transformation Through meticulous historical analysis and bold theoretical interventions the contributors interrogate core debates from the distinctions between apocalypticism and millennialism to their radical entanglements with justice space temporality and morality This volume dismantles simplistic portrayals of End Times thinking revealing instead its nuanced world shaping logic Whether manifest in religious movements or global politics apocalypse is no longer a marginal concern it is the defining hermeneutic of our times Scholarly provocative and urgent this Handbook is essential reading for researchers students and anyone seeking to understand how humanity envisions and enacts its endings and potentially new beginnings **Magic and Mysticism** Arthur Versluis, 2007 Provides overview from antiquity onwards on various Western religious esoteric movements This book includes topics such as alchemy Gnosticism Hermeticism Rosicrucianism Theosophy and more **Messiah and Scripture** J. Thomas Hewitt, 2020-07-27 J Thomas Hewitt demonstrates how Paul s development and uses of the expression in Christ arise from his messianic interpretation of scriptures concerning Abraham s seed and Daniel s son of man This type of creative scriptural interpretation is a common trait of ancient Jewish messiah texts Millenarianism and Messianism in Early Modern European Culture M. Goldish, R.H. Popkin, 2013-03-09 The earliest scientific studies of Jewish messianism were conducted by the scholars of the Wissenschaft des Judentums school particularly Heinrich Graetz the first great Jewish historian of the Jews since Josephus

These researches were invaluable because they utilized primary sources in print and manuscript which had been previously unknown or used only in polemics. The Wissenschaft studies themselves however prove to be polemics as well on closer inspection. Among the goals of this group was to demonstrate that Judaism is a rational and logical faith whose legitimacy and historical progress deserve recognition by the nations of Europe. Mystical and messianic beliefs which might undermine this image were presented as aberrations or the result of corrosive foreign influences on the Jews. Gershom Scholem took upon himself the task of returning mysticism and messianism to their rightful central place in the panorama of Jewish thought. Jewish messianism was for Scholem a central theme in the philosophy and life of the Jews throughout their history, shaped anew by each generation to fit its specific hopes and needs. Scholem emphasized that this phenomenon was essentially independent of messianic or millenarian trends among other peoples. For example, in discussing messianism in the early modern era, Scholem describes a trunk of influence on the Jewish psyche set off by the expulsion from Spain in 1492.
