Messianic Judaism:

Messianic Judaism, Its History, Theology, and Polity David A. Rausch, 1982 Seeking to explain the enigma of Messianic Judaism in North America this work deals with issues of persecution misrepresentation and defamation by both Jewish and Christian groups against Messianic Jews The text considers several aspects of Messianic Judaism including its attempt to explode the ancient walls erected by Jews and Christians toward one another its search for renewal of the Jewish roots of the body of Christ and its efforts to express biblical faith and Messianic living in a contemporary Jewish dress **Messianic Judaism** Dan Cohn-Sherbok, 2000-05-01 Who are the Messianic Jews What do they believe and practice What is the Jewish community's reaction to the development of Messianic Judaism In this pioneering study Dan Cohn Sherbok traces the development of the Messianic movement from ancient times to its transformation after World War II Focusing on the nature of the movement today the volume continues with a detailed examination of Messianic practices and the place of Messianic Judaism within the contemporary Jewish community **Messianic Judaism is Not Christianity** Stan Telchin, 2004-09-01 The apostle Paul wrote that all believers Jewish and Gentile are to serve the Lord together as one new man But a growing movement today seeks to keep that from happening As Stan Telchin explains proponents of Messianic Judaism are confusing both Jewish and Gentile followers of Jesus and dividing the church Their insistence on following rabbinic form and their statements that Jewish believers need to be in Messianic synagogues in order to maintain their identities are unbiblical Telchin discusses the growth of this movement its unscriptural doctrines and its ineffectiveness in Jewish evangelism Those who have been swept up by the nostalgia and beauty of Jewishness or who have been hurt by division in the Body or who love Israel will find their hearts and minds freed by this firm but loving message Our Bible Too Jeffrey W. Dandoy, 2021-04-02 God grabbed hold of a Presbyterian pastor to take him to the religion of Messianic Jews What follows is a mystery story that reveals answers to the dilemmas in a problematic faith In traditional rabbinic Judaism it is blasphemy and in church doctrine it is heresy But as a third biblical religion with its own soteriology it is neither false nor mistaken Untying the knot of contradictions in Messianic Judaism sheds light on the eminence of Judaism and the chauvinism of Christianity It turns familiar assumptions upside down with a monotheistic hermeneutic for reading the New Testament and an inclusive soteriology unfolding the revelation of God's new idea It is new wine that invites believers to a deeper devotion through reexamination of fundamental truths The majority of Messianic congregations share many of the beliefs and teachings of evangelical Protestantism a choice that has not achieved the goals of the Messianic movement because the contradiction in the evangelical assumption is real Explore the alternative truths of radical monotheism through the eyes of a gentile convert from the church who learned to read the Bible with new eyes and met Yeshua Jesus again for the first time **Introduction to Messianic Judaism** Zondervan, 2013-02-05 This book is the go to source for introductory information on Messianic Judaism Editors David Rudolph and Joel Willits have assembled a thorough examination of the ecclesial context and biblical

foundations of the diverse Messianic Jewish movement Unique among similar works in its Jew Gentile partnership this book brings together a team of respected Messianic Jewish and Gentile Christian scholars including Mark Kinzer Richard Bauckham Markus Bockmuehl Craig Keener Darrell Bock Scott Hafemann Daniel Harrington R Kendall Soulen Douglas Harink and others Opening essays written by Messianic Jewish scholars and synagogue leaders provide a window into the on the ground reality of the Messianic Jewish community and reveal the challenges questions and issues with which Messianic Jews grapple The following predominantly Gentile Christian discussion explores a number of biblical and theological issues that inform our understanding of the Messianic Jewish ecclesial context Here is a balanced and accessible introduction to the diverse Messianic Jewish movement that both Gentile Christian and Messianic Jewish readers will find informative and fascinating

Postmissionary Messianic Judaism Mark Kinzer,2005-11 Agues for the irrevocable election of Israel and a bold bridging role between Judaism and the Gentile church for the Messianic Jewish movement

Passing Over Easter Shoshanah Feher,1998 Chosen by Yahweh saved by Jesus Messianic Jews identify themselves as both Christian and Jewish and yet neither Passing Over Easter brings this peculiar movement to life with an ethnographic look at Adat HaRauch a Messianic Jewish congregation in Southern California The ethnic Jews who have found the Lord the Gentiles with a heart for Israel that make up Adat HaRauch negotiate their identity borrowing from both traditions The congregants see Yshua the Hebrew name for Jesus as the Jewish Messiah the passover matzoh as symbolic of Yshua s body being broken for sinners the New Testament as a fulfillment of the Old Through participant observation in depth interviews and reflections on her own beliefs and role as researcher Feher paints a fascinating picture of this fluctuating religious group Passing Over Easter makes a compelling read for sociologists concerned with new religious movements and group formation students of Jewish identity and Jewish Christian relations and anyone interested in the contemporary American religious scene

Kinzer,2011-01-07 Israel s Messiah and the People of God presents a rich and diverse selection of essays by theologian Mark Kinzer whose work constitutes a pioneering step in Messianic Jewish theology Including several pieces never before published this collection illuminates Kinzer s thought on topics such as Oral Torah Jewish prayer eschatology soteriology and Messianic Jewish Catholic dialogue This volume offers the reader numerous portals into the vision of Messianic Judaism offered in Kinzer s Postmissionary Messianic Judaism 2005 An introductory essay by editor Jennifer M Rosner sets Kinzer s thought and writings in context
