Messianism And Mishnah:

Messianism and Mishnah Ben Zion Wacholder, 1979 **The Grammar of Messianism** Matthew V. Novenson, 2017 In this book Novenson gives a revisionist account of messianism in antiquity He shows that for the ancient Jews and Christians who used the term a messiah was not an article of faith but a manner of speaking a scriptural figure of speech useful for thinking kinds of political order **Levinas, Messianism and Parody** Terence Holden, 2011-09-22 There is no greater testament to Emmanuel Levinas reputation as an enigmatic thinker than in his meditations on eschatology and its relevance for contemporary thought Levinas has come to be seen as a principal representative in Continental philosophy alongside the likes of Heidegger Benjamin Adorno and Žižek of a certain philosophical messianism differing from its religious counterpart in being formulated apparently without appeal to any dogmatic content To date however Levinas messianism has not received the same detailed attention as other aspects of his wide ranging ethical vision Terence Holden attempts to redress this imbalance tracing the evolution of the messianic idea across Levinas career emphasising the transformations or indeed displacements which this idea undergoes in taking on philosophical intelligibility He suggests that in order to crack the enigma which this idea represents we must consider not only the Jewish tradition from which Levinas draws inspiration but also Nietzsche who ostensibly would represent the greatest rival to the messianic idea in the history of philosophy with his notion of the parody of messianism **Messianism in the Talmudic Era** Leo Landman, 1979 Reprints of articles and excerpts from several periodicals and collections *King and Messiah in Israel and the Ancient Near East* John Day, 2013-02-14 This volume contains 20 articles by leading scholars on the king and Messiah mostly in the Old Testament but also in the ancient Near East and post biblical Judaism and New Testament This volume is a major contribution to the study of kingship and messianism in the Old Testament in particular but also in the ancient Near East more generally and in post biblical Judaism and the New Testament It contains contributions by 20 scholars originally presented to the Oxford Old Testament Seminar Part I on the ancient Near East has contributions by John Baines and W G Lambert Part II on the Old Testament has essays by John Day Gary Knoppers Alison Salvesen Carol Smith Katharine Dell Deborah Rooke S E Gillingham H G M Williamson J G McConville Knut Heim Paul Joyce Rex Mason John Barton and David Reimer Part III on post biblical Judaism and the New Testament is by William Horbury George Brooke Philip Alexander and Christopher Rowland This noteworthy volume has many fresh insights and is essential reading for all concerned with kingship and messianism [The Messianic Idea in Israel](#) Joseph Klausner, 1956 **Messianism Among Jews and Christians** William Horbury, 2016-03-10 William Horbury considers the issue of messianism as it arises in Jewish and Christian tradition Whilst Horbury's primary focus is the Herodian period and the New Testament he presents a broader historical trajectory looking back to the Apocrypha and pseudepigrapha and onward to Judaism and Christianity in the Roman empire Within this framework Horbury treats such central themes as messianism in the Apocrypha and pseudepigrapha the Son of man and Pauline hopes for a new

Jerusalem and Jewish and Christian messianism in the second century Neglected topics are also given due consideration including suffering and messianism in synagogue poetry and the relation of Christian and Jewish messianism with conceptions of the church and of antichrist and with the cult of Christ and of the saints Throughout Horbury sets messianism in a broader religious and political context and explores its setting in religion and in the conflict of political theories This new edition features a new extended introduction which updates and resituates the volume within the context of current scholarship
