Messines Ridge:

Geology and Warfare Edward P. F. Rose, C. Paul Nathanail, 2000 Records lessons learnt from military experience in World War I and II It also contains perspectives from America which show how in warfare military geologists irrespective of nationality have pursued tactical and strategic terrain analysis fortifications and tunnelling and resource acquisition defence installations and field constructions and logistics It shows how in peace time military geologists train for wartime operations and may be involved in peace keeping and nation building deployments

Fields of Battle P. Doyle, Matthew R. Bennett, 2013-03-14 Terrain has a profound effect upon the strategy and tactics of any military engagement and has consequently played an important role in determining history In addition the landscapes of battle and the geology which underlies them has helped shape the cultural iconography of battle certainly within the 20th century In the last few years this has become a fertile topic of scientific and historical exploration and has given rise to a number of conferences and books The current volume stems from the international Terrain in Military History conference held in association with the Imperial War Museum London and the Royal Engineers Museum Chatham at the University of Greenwich in January 2000 This conference brought together historians geologists military enthusiasts and terrain analysts from military academic and amateur backgrounds with the aim of exploring the application of modern tools of landscape visualisation to understanding historical battlefields This theme was the subject of a Leverhulme Trust grant F 345 E awarded to the University of Greenwich and administered by us in 1998 which aimed to use the tools of modern landscape visualisation in understanding the influence of terrain in the First World War This volume forms part of the output from this grant and is part of our wider exploration of the role of terrain in military history Many individuals contributed to the organisation of the original conference and to the production of this volume

The Union of South Africa and the Great War, 1914-1918 South Africa. General Staff, 1924

Ypres and the Battles for Ypres Michelin et Cie, 1920

Leeds Rifles Andrew J. Kirk, 2020-01-31 The first detailed chronicle with photos included of the four battalions of riflemen who left Leeds for the Western Front The full wartime story of the Leeds Pals has never been told This volume describes their volunteer origins and how they came to be woven into the social fabric of Leeds from where they drew their enduring esprit de corps discipline and resolve It takes the reader on a journey across the Western Front of the Great War contrasting the first line battalion's lot to stand in the mud of Ypres and endure all without breaking with the second line battalion's blooding at Bullecourt and transformation as part of an elite assault division that went on to occupy Germany It is told in part by those who were there and experienced the fear elation and sadness of loss and who took strength from their volunteer ethos and their common origins in Leeds All the Leeds Rifles main battles are described in detail as are the helter skelter actions of the last one hundred days of mobile warfare and escalating casualties when the defeated but still defiant German army found itself in full and final retreat Follow the fortunes of these enfants de Yorkshire these Leeds Lads as they speak out from the pages of history with a very familiar accent

Current History ,1917 **Endurance and the First World War** David Monger,Katie Pickles,2014-10-02 Endurance was an inherent part of the First World War The chapters in this collection explore the concept in New Zealand and Australia Researchers from a range of backgrounds and disciplines address what it meant for New Zealanders and Australians to endure the First World War and how the war endured through the Twentieth Century Soldiers and civilians alike endured hardship discomfort fears and anxieties during the war Officials and organisations faced unprecedented demands on their time and resources while Maori Australian Aborigines Anglo Indian New Zealanders and children sought their own ways to contribute and be acknowledged Family members in Australia and New Zealand endured uncertainty about their loved ones fates on distant shores Once the war ended different forms of endurance emerged as responses memories myths and memorials quickly took shape and influenced the ways in which New Zealanders and Australians understood the conflict The collection is divided into the themes of Institutional Endurance Home Front Endurance Battlefield Endurance Race and Endurance and Memorials **Bullets, Bombs, and Bayonets** Edward N. Ross,2016-08-25 Bullets Bombs and Bayonets draws attention to a significant part of Canadian military history a period in which almost an entire generation of young men never returned from the battlefields of Europe In 2017 Canada commemorates the 100th year of the Battle of Vimy Ridge The triumphant conquering of Vimy by the Canadian Corps in April 1917 was considered a defining moment in Canada s rise to nationhood Equally significant but much less publicized was the Canadian victory at Passchendaele in the fall of 1917 It was there that more than 4 000 Canadian soldiers died and almost 12 000 wounded The Battle of Passchendaele will be forever remembered as a colossal slaughter in the mud of Flanders fields Bullets Bombs and Bayonets acknowledges those members of the 43rd Battalion who fought and died in the Ypres Salient in the name of freedom *Library of Congress Subject Headings* Library of Congress,2002 **Library of Congress Subject Headings** Library of Congress. Cataloging Policy and Support Office,2002
