métamorphoses de la cité de Dieu Étienne Gilson, 2005-05-16 Cet ouvrage d'Etienne Gilson offre au lecteur la réunion des leçons données à l'Université de Louvain en 1952 lesquelles prennent toute leur ampleur par cette série qu'elles forment s'attachant à accorder une dimension toute historique et philosophique à la notion de Chrétienté L'auteur ne se propose pas d'élucider les rapports entre temporel et spirituel mais d'éclairer la notion de peuple chrétien Pour cette raison il ne s'agit pas d'enrayer aux Pères de l'Eglise mais de préférer une interrogation laïque qui nous permette de discriminer entre illusion et réalité de l'idée de Chrétienté En d'autres termes Etienne Gilson s'efforce de circonscrire chacune des fausses notions de Chrétienté chacune des parodies de la cité de Dieu de sorte à esquisser ce que peut être une véritable et commune appartenance à la Respublica fidelium **Les métamorphoses de la fête en Provence de 1750 à 1820** Michel

Ziegler,2013-07-22 This selection of fiction by many of America s best writers each coupled with a distinguished critic s response is designed to defy the chronological secondariness of critical interpretation During the creation of this book the majority of the contributions chosen by the writers themselves were as yet unpublished providing an unmediated encounter between author and critic Every reader extends what editors authors and critics have begun by adding to the imaginary space in which all texts may be woven together This process serves as metaphor for the changing nature of any latter day encounter with one s own literary tradition The interfacing of texts not only illuminates the fiction and the relationship of fiction to critics but also informs our conceptions of text criticism and fiction itself **Red Riding Hood for All Ages**

Sandra L. Beckett,2008 A global study of modern adaptations for readers of all ages of Little Red Riding Hood Red Riding Hood for All Ages investigates the modern recasting of one of the world s most beloved and frequently told tales Author Sandra L Beckett examines an international selection of contemporary fiction for children adolescents and adults to find a wide range of narrative and interpretive perspectives in the tale and its revisions Beckett shows how authors and illustrators from around the globe have renewed the age old tale in a range of multilayered sophisticated and complex textual and visual Red Riding Hood narratives With a child protagonist who confronts grown up issues of sexuality violence and death the Red Riding Hood story appeals to readers of all age groups and is often presented in crossover texts that can be enjoyed by both children and adults Beckett presents a wide selection of retellings many of which have been never translated into English Texts come from a variety of countries in Europe North America South America Africa and Asia and date from the early twentieth to the twenty first century This wealth of stories and illustrations is organized thematically into sections that consider Little Red Riding Hood alternately as a cautionary tale an initiation story a story focused on the wolf a tale inspired by the wolf within and a story of an unconventional girl who runs with wolves This volume provides a global survey of Red Riding Hood s story in contemporary culture proving that the character is omnipresent in modern literature and that the universal appeal of her story knows no age boundaries Red Riding Hood for All Ages will be of interest to scholars of folklore gender studies and literature as well as librarians educators parents and all those interested in the many interpretations of the Red Riding Hood tale **Recycling Red Riding Hood** Sandra Beckett,2013-10-11 Sandra Beckett s book explores the

contemporary retelling of the Red Riding Hood tale in Western children's literature
