Metaphysique Du Striptease:

Métaphysique du strip-tease Denys Chevalier, 1960 **Striptease** Rachel Shteir, 2004 This first complete history of a century of striptease is filled with rare photographs and period illustrations **Metaphysique Du Strip-tease** , 1960

Queer Obscenity Javier Fernández-Galeano, 2024-07-16 Under Spain's twentieth century dictators state agents not only censored, eradicated and attempted to prevent the circulation of obscenity but also contradictorily engaged in curation and even restoration initiatives that have bequeathed us an extensive queer pornographic archive. Javier Fernández-Galeano takes us inside the archive to demonstrate how the incongruities of the Primo de Rivera 1923-1930 and Franco 1939-1975 regimes were manifested in the regulation of erotic material cultures. The dictators' authorities destroyed straight pornographies while often curating and preserving queer erotica. While reproductions of the masterpieces of Tintoretto, Michelangelo and Botticelli were incinerated to avoid their deviant effects, judicial authorities could repeatedly attend the screening of an amateur film showing a gay threesome without acknowledging the irony. Their concern was not that obscene material was consumed but rather by whom. Focusing on amateur pornographers and their confiscated and censored erotica, this book adds a rich complexity to both the history and theory of pornography, demonstrating that surveillance depends entirely on documenting intimacy and preserving transgression. This book sheds new light on the production, consumption and circulation of pornography and erotica in Spain over the course of the twentieth century, drawing connections between intimate queer desires, preservation and erasure.

Uncovering Paris Lela F. Kerley, 2017-06-07 From 1889 to 1914, nude spectacles increased at an astonishing rate as a result of burgeoning artistic experimentation, the commercialization of the female body and the rise of urban nightlife. In particular, artists' balls and music halls provided creative spaces in which women artists, impresarios and the illustrated press could cast the natural body as a source of sexual pleasure, identity and reform. Emphasizing the role of erotic entertainment as an outlet and agent of modern sensibilities, *Uncovering Paris: Scandals and Nude Spectacles in the Belle époque* offers a fresh approach to important topics of the period: Bohemian artists, the New Woman and press censorship, and reinterprets them through the lens of *la femme nue*. Having inherited her name from the pictorial female nude and the nude's real-life counterpart, the artist's model, *la femme nue* operated as a screen onto which various groups projected their artistic drives, sexual desires, monetary interests and cultural anxieties. A struggle to define pornography and art, freedom and censorship and public and private spheres ensued among artists, theater directors and moral leagues as a century-long tradition of equating civilization with clothing broke down in the face of performative challenges. In posing, singing, acting and dancing in naturalist presentations, the artist's model turned erotic entertainer engendered crises in ways of seeing the female body that contributed to and was indicative of a changing moral climate within which women were accorded more freedom to corporeally express themselves. Once denigrated and denounced as a sign of vulgar working-class sexuality, the revelation of female flesh became an integral aspect of twentieth-century French

body culture Drawing upon a range of colorful commentaries dramatic debates and evocative photos Lela F Kerley highlights the importance of nudity in the redrawing of moral boundaries as she uncovers key moments that amounted to a culture war in the years leading up to World War I Through an investigation of street riots court cases and anti pornography campaigns Uncovering Paris offers an interdisciplinary approach to the scholarship on Belle poque sexual politics and a rich glimpse into the social construction of morality in Belle poque France

Pastures of the Empty Page

George Getschow,2023-09-05 A collection of essays that offers an intimate view of Larry McMurtry America s preeminent western novelist through the eyes of a pantheon of writers he helped shape through his work over the course of his unparalleled literary life When he died in 2021 Larry McMurtry was one of America s most revered writers The author of treasured novels such as Lonesome Dove and The Last Picture Show and coauthor of the screenplays for Brokeback Mountain and Streets of Laredo McMurtry created unforgettable characters and landscapes largely drawn from his life growing up on the family s hardscrabble ranch outside his hometown of Archer City Texas Pastures of the Empty Page brings together fellow writers to honor the man and his impact on American letters Paulette Jiles Stephen Harrigan Stephanie Elizondo Griest and Lawrence Wright take up McMurtry s piercing and poetic vision an elegiac literature of place that demolished old myths of cowboy culture and created new ones Screenwriting partner Diana Ossana reflects on their thirty year book and screenwriting partnership other contributors explore McMurtry s reading habits and his passion for bookselling And brother Charlie McMurtry shares memories of their childhood on the ranch In contrast to his curmudgeonly persona Larry McMurtry emerges as a trustworthy friend and supportive mentor McMurtry was famously self deprecating but as his admirers attest this self described minor regional writer was an artist for the ages
