Things I Couldn't Tell My Mother Sue Johnston, 2011-09-01 There was a lot that we kept from my mother My dad

would say to me as a teenager Don't tell your mother We couldn't face the disapproval Sue Johnston always seemed to be disappointing her mother As a girl she never stayed clean and tidy like her cousins As she grew older she spent all her piano lesson money on drinks for her mates down the pub and when she discovered The Cavern she was never at home The final straw was when Sue left her steady job at a St Helen's factory to try her hand at that unsteadiest of jobs acting Yet when Sue was bringing up her own child alone her mother was always there to help And playing her much loved characters Sheila Grant in *Waking the Dead* and Barbara in *The Royle Family* although her mum wouldn't say she was proud as such she certainly seemed to approve And in her mother's final months it was Sue she needed by her side The relationship with your mother is perhaps the most precious and fraught of any woman's life When she began writing Sue set out to record all the big things and all the small things Everything I wanted to tell my mother but felt I never could The result is a warm poignant and often very funny memoir by one of Britain's favourite actresses *Children and Decision Making* Professor Ian Butler, Margaret Robinson, Lesley Scanlon, 2005-01-01 This book examines how children negotiate their involvement in family functioning rule making and day to day decision making *The Reinvention of Me* Donna Anne PACE, 2018-03-07 Mum why didn't I go to school today can you take me please No Donna you're staying home with me Do you love me Donna Erm yes of course mum OK come with me Where are we going mum what you gonna do Just come with me At the very tender age of just 5 years old Donna became witness to unimaginable horrors whilst the rest of her family were out of the house On a weekly basis Donna was locked in a bathroom by her own mother who would make Donna watch her whilst she self harmed Donna lived in fear every day constantly thinking that perhaps one day she would become the wrist to which her mum's shiny silver razor blade would become accompanied with Time was to unravel that the events of Donna's childhood were to become the very foundations upon which the rest of her life were going to be built upon From childhood through to adulthood it became daily life for Donna to witness or endure psychological abuse by those who confessed their love yet made Donna their scapegoat Take a step into Donna's very personal open and sensitive account of her life journey so far and discover how she finally found the inner strength and courage to find her voice Donna Anne Pace is proud mum and lives in the South West of England Donna is currently working on her new global book project for female survivors of domestic abuse and is also a Social Justice Entrepreneur *My World* Ami Charlize, 2024-07-18 Hey guys it's me Ami Charlize For years I've been sharing my life online the good and bad bits but what you've seen only scratches the surface of the rollercoaster that's got me to where I am today And it's been anything but smooth trust me From the tricky friendships and relationships I've navigated to the huge life changing decisions I've made in this book I'm ready to take you behind the scenes and reveal it all the ups the downs and everything in between Along the way I'll also be sharing the life lessons I've learned that will help you chase your own dreams whatever those might be So whether you're wondering how to bounce back from a setback wanting to find people who better understand you or are ready to start out on your own I hope you're ready to start shaping your

world I can't wait to get started together Love Ami x
