

DELIGHT

BY AMY LUDWIG VANDERWATER

Nature does not have
a lost and found table
for summer feathers
and so
the woodpecker
who dropped
this black and white
piece of himself
has let it go forever.
A bit of beauty
a spotted charm
on the sidewalk
for free.
Found a feather.
Finder keepers.
Lucky me.

My Poems:

Poems from My Heart and Soul Melvin Avery Edwards, 2010-02-22 This book is a collection of poems written from 1980-2009. A collection of poems that will have something for all types of folk in this life. It will also give you pause to think about your belief system and what it means to you. These poems look at life from a personal point of view from the author and will show how the author looks at life at certain points of his life while dealing with different types of folk and situations along his life's journey. It will show the angry disappointment, happiness and love with life along the way. In the end, poems are about life and the roads you take until your world has ended at a certain point. **Poems from Homeroom** Kathi Appelt, 2002-08 A collection of poems about the experiences of young people and a section with information about how each poem was written to enable readers to create their own original poems. **Freedom Poems** Sidney R. Jacobs Ph.D., 2019-06-24 Freedom Poems is a poetry collection that gives readers a glimpse of religion, education, racism, politics and world issues that intrigue the mind and soul. Dr. Jacobs raises brows with queries that follow precise pieces for readers to document their feelings and sentiments. After reading this repertoire, readers will anxiously await for Freedom Poems Volume II. *Poems of Love, Struggle, and Change* Merredith F. Perkins, Ph.D., 2019-02-26 Poems of Love, Struggle and Change By Merredith F. Perkins Ph.D. If someone had said to her twenty-five years ago that she would be living the life she's living, Merredith F. Perkins Ph.D. would have questioned his or her sanity. She would have been an ardent disbeliever. The fortune of writing was bestowed upon her a long time ago, but she did not know that twenty-five years of reflective writing and her poems would show up in a book at this stage of her life. In her golden years, Dr. Perkins is writing and sharing her poetry with the public to show that we all have a lot in common and that we all stumble humbly through our life's journey. In taking stock of her life and understanding a little bit of what her life has been for, she is learning that the puzzle pieces were being laid on a path long before she arrived at that path. Poems of Love, Struggle and Change is a collection of poetic expressions on topics about love in relationships, struggling with expressions of self-awareness and engaging in the friction of self-discovery as a way to gauge internal and external explorations as life unfolds. *Mary's Poems* Mary Fields, 2011-06-09 I would like to tell you a bit about my poems. When I started writing them, I really enjoyed it. I get inspiration about everything in life. I love to visit the beach, just sit there and relax, and a poem would start to develop in my mind. I always take a book and pen with me wherever I go. If something inspires me, I write it down. I love life and I have also written poems about my three children, even my little dogs Sooty and Baily give me inspiration. Some of the poems I have written are about all walks of life, from happy times to sad. I hope you will enjoy reading my poems as much as I enjoyed writing them. **On line, Poetry** p. Scaramuzzo, *All the Poems of Muriel Spark* Muriel Spark, 2004 Available at last are all the poems by one of the twentieth century's greatest British writers, Dame Muriel Spark, a true literary artist, acerbic and exhilarating. London Evening Standard. *Poems Everyone Enjoys: With Coloured Illustrations* Michael Rhithm, 2017-08-03 Poems Everyone Enjoys is an anthology

of 50 original poems by the author It s for anyone of mature age 16 including non traditional readers of poetry In this third edition each poem has either a supporting coloured illustration or enclosed in a decorative floral border The vast majority of the poems were inspired by true events consisting of the author s observation of other people of life in general and of London s natural and physical environment The poems also include some personal experiences and opinions of the author and a large number of personalised poems that are entertaining too This book should therefore contain poems that will appeal to any reader in some form or another To further facilitate the reader s enjoyment the author has included a glossary This should be invaluable to many readers especially if English is not their first language
