Harvey, Cheryl M.

Phillips, 1985-01-01 **A Thematic Access-Oriented Bibliography of Jesus's Resurrection** Michael J. Alter, 2019-12-31

The keystone of Christianity is Jesus's physical bodily resurrection Present day scholars can be significantly challenged as they forage through voluminous documents on the resurrection of Jesus The literature measures well over seven thousand sources in English language books alone This makes finding specific sources that are most relevant for specific scholarly purposes an arduous task Even when a specific book is relevant finding the parts of the book that are most relevant to the resurrection rather than other topics often requires additional effort A Thematic Access Oriented Bibliography of Jesus's Resurrection addresses these challenges in several ways First the bibliography organizes more than seven thousand English sources into twelve main categories and then thirty four subcategories which are designed to help you find the most relevant literature quickly and efficiently Embedded are pro and con arguments which support efficient access through brief annotations and then annotate the diversity and complexity of the field of religion by including sources that represent a diverse range of views theistic e g Christian Jewish Muslim etc agnostic and nontheistic The objective of this bibliography is to provide convenient access to relevant sources from a variety of perspectives allowing you to browse or find the one source accurately and with ease **The Almanac of the Christian World** Edythe Draper, 1992 This second edition now offers

even more to families students researchers or those just looking for some interesting reading Includes national and international news events of 1991 schedules of conventions and crusades book music leadership magazine and video award winners lists of Christian schools foundations churches and other organizations and more **THE POCKET BOOK OF**

TRUTH: Daily Thoughts to Help Guide Us along our Spiritual Path of Reawakening in God Marty Fall, 2022-01-25

The Pocket Book of Truth came forth in its own way in its own time When I began my spiritual path years ago I had no idea that these new to me teachings would turn out to be such a powerful presence in my everyday life Eventually I understood that the thoughts and beliefs being presented to me and at times experienced by me would become this very book This spiritual thought book began as a desire to fill a need for myself At the age of fifty for the first time in my adult life I began a more spiritually oriented path As I explored and began a new to me way of thinking about our existence and experiences in this lifetime I felt that I needed something to help me stay more in tune spiritually to help me stay more spiritually focused The Pocket Book of Truth came about naturally as the answer At the start of my new path I began attending Unity of Savannah Through Unity I learned about a self study spiritual guidebook known as A Course in Miracles Often referred to as The Course A Course in Miracles was inner dictated to Dr Helen Schucman who heard the Voice of Jesus over an

approximately seven year period The Course not a religion emphasizes application and experience rather than theory and theology Also as I began to explore spirituality I received a book written by spiritual teacher Gary R Renard Gary s book The Disappearance of the Universe had an immediate and profound life changing impact on my spiritual beliefs DOU as it is often called was a great introduction for me in understanding what A Course in Miracles and true forgiveness is all about Almost immediately I found myself starting a daily routine that revolved around The Course This included a first thing in the morning practice of reading The Course for twenty minutes or so along with learning how to meditate It was during this period that I made a conscious decision to put God first which changed everything in my life experiences The everyday practice of studying The Course intently and regularly with focused determination to experience truth eventually led me to starting and completing The Course workbook which is a lesson a day for one year The only rule in The Course is to not do more than one workbook lesson a day Conversely one may take as long as necessary to complete a lesson The workbook took me three and one half years to finish but I did complete the workbook with spiritual experiences along the way The idea of the workbook is ultimately to experience the truth of what you already are where you already are and where you will always be regardless of the seemingly real experiences in this worldly lifetime In the initial weeks of this focused study I began writing down thoughts and ideas that resonated with me I personalized many of these ideas simply changing them into a first person format for myself I taped these statements into one of those ever available little pocket sized calendar books and began keeping these thoughts with me In this manner I was able to have these truth thoughts available most all the time Whenever I had a few minutes or more for whatever reason including any waiting type of situation that came along or just having quiet time I used the opportunity as a chance to study and contemplate spiritual thoughts and ideas Over time many of the statements evolved and many came and went Many thoughts stayed in this writing from the very beginning So I offer the Pocket Book of Truth as an assist along the way to awakening to who and what you already are as a way to point towards truth With love and blessings Marty Fall
