My Mothers Getting Married:

Daughters Betrayed by their Mothers Holli Kenley, 2018-02-14 The daughters stories touch upon the deepest and darkest of pains knowing you have a mother but you don't *Daughters Betrayed By Their Mothers Moving From Brokenness To Wholeness* is an intimate exploration into the lives of daughters who were wounded by their mothers and who chose wellness over victimhood Each daughter's unique story of recovery is a testament to the power of choice perseverance and resilience Readers are invited to journey alongside the daughters grabbing hold of healing lifelines and moving from broken places to whole spaces within Do you feel your mother did not show up for you in the ways you needed Because of your mother's role in your life do you feel like you were not enough Do you wonder if it is possible to heal from the brokenness that comes from being wounded by your mother If you answered yes to any of these questions the Daughters warmly welcome you There are tears of both sorrow and joy in the beautiful brave stories of harm and hope *Daughters Betrayed By Their Mothers* changed my life Charlotte Carson Editorial Director ClearLifeMagazine.com *Daughters Betrayed By Their Mothers* is heartrending and uplifting dark and optimistic painful and inspirational A profound human document Sam Vaknin author of *Malignant Self Love Narcissism Revisited* Powerful reflective and reassuring to all who read it Holli Kenley's *Daughters Betrayed By Their Mothers* reminds us that no matter what hurt we have experienced the opportunity to heal and be whole is always possible Cyrus Webb media personality author and speaker Learn more at www.HolliKenley.com From *Loving Healing Press* www.LHPress.com

Children of the Enemy Steven DeBonis, 2017-05-12 When U.S. troops withdrew from Vietnam they left behind thousands of young children fathered by American soldiers The new regime regarded the Amerasians as children of the enemy and ostracized them from Vietnamese society The U.S. government passed the Homecoming Act of 1988 finally facilitating immigration of Amerasians to the United States Most who have emigrated faced difficulty adjusting to a new culture and only about 2 percent have been reunited with their fathers Revealing and often poignant the 38 interviews here give voice to the struggle that Amerasians and their mothers faced in their homeland

Mothers as Keepers and Tellers of Origin Stories Kerri S. Kearney, 2019-12-01 This collection presents diverse critical perspectives and discussion about the keeping or telling of children's origin stories as a part of contemporary mothering labor The first two sections outline perspectives from mother authors about how they strategically craft complex origin stories for their children as well as how the telling and retelling of origin stories may be passed on as generational knowledge The third section discusses mothering and origin stories from multiple perspectives that of a father by adoption of single mothers positioning stories of absent fathers and a multi perspective chapter that includes a mother by adoption her adult child and her child's birthmother

Mothers, Midwives and Reimagining Birthing in the South Bronx Jennifer Dohrn, 2023-11-08 Women came through the doors at a community based birthing center in the South Bronx seeking prenatal care They had heard about the center from a neighbor a parents group at their children's school or the local mosque or church What they found when they arrived

was a brightly colored waiting area that resembled a living room children immersed in games in a corner and staff that reflected the mosaic of cultures living in the surrounding apartments They also met midwives who asked about their lives their children their families and traditions If pregnancies developed complications back up obstetricians were there to give higher levels of care with the women returning to the midwifery center afterwards The results were healthy mothers and healthy babies For over twenty years the center became a haven for women s health care and a national exemplar It is a tragic and unjust paradox that the United States the highest income country in the world and the country with the largest budget for perinatal care has rising rates of maternal mortality that disproportionately affect women of color Yet an inner city maternity center with midwifery care found solutions to the challenge of making birth safe for low income populations especially women of color This oral history presents the stories of twelve women who participated in this care As they tell it the experience changed their lives and their understanding of what safe quality maternal care can achieve Jennifer Dohrn examines the systems that perpetuate disparities in care from global to local and describes essential components needed for change using oral histories as evidence for the way forward towards maternal health as a human right

Becoming Women/Becoming Workers Catherine Raissiguier,1994-09-08 This book traces the experiences of young French and Algerian women students in a Parisian vocational school how they negotiate their class gender and ethnic racial identities in relation to school family romance and future work in a changing and unpromising economy Drawn from classroom observations and personal interviews the book provides a theoretical framework for analyzing the complex network of cultural and historical discourses limitations and expectations that form the students present lives and future outlook The author links the micro and macro levels of her analysis by grounding her study in the nature of the French school the discursive boundaries of French society and the volatile French economy The book contributes to an overall understanding of the processes of identity formation class race ethnicity and gender intersections and women s responses to schooling and education

Raising the Race Riché J. Daniel Barnes,2015-12-01 Winner of the 2017 Race Gender and Class Section Book Award from the American Sociological Association Popular discussions of professional women often dwell on the conflicts faced by the woman who attempts to have it all raising children while climbing up the corporate ladder Yet for all the articles and books written on this subject there has been little work that focuses on the experience of African American professional women or asks how their perspectives on work family balance might be unique Raising the Race is the first scholarly book to examine how black married career women juggle their relationships with their extended and nuclear families the expectations of the black community and their desires to raise healthy independent children Drawing from extensive interviews with twenty three Atlanta based professional women who left or modified careers as attorneys physicians executives and administrators anthropologist Rich J Daniel Barnes found that their decisions were deeply rooted in an awareness of black women s historical struggles Departing from the possessive individualistic discourse of having it all the

women profiled here think beyond their own situation considering ways their decisions might help the entire black community Giving a voice to women whose perspectives have been underrepresented in debates about work family balance Barnes s profiles enable us to perceive these women as fully fledged individuals each with her own concerns and priorities Yet Barnes is also able to locate many common themes from these black women s experiences and uses them to propose policy initiatives that would improve the work and family lives of all Americans The Secret to a Southern Wedding Synithia Williams,2023-08-15 An emotional and witty story of love forgiveness and second chances as the race to the wedding day begins It s been years since Dr Imani Kemp has returned home to Peachtree Cove Georgia As Tallahassee s most sought after OB GYN she doesn t have much time for anything else But when her mom announces she s marrying a man she just met on a dating app Imani knows she has to put a stop to it immediately Let her mom be hurt again after the disastrous way her last marriage ended Absolutely not Always her protector Imani won t rest until her mom sees reason She just never expected sparks to fly with the groom s son After his mother s tragic death Cyril Dash and his father relocated to Peachtree Cove to escape the gossip and speculation Now in this quirky small town they ve made a new life for themselves and after years of grief his dad has finally found happiness again And Cyril refuses to let Imani threaten that The more determined he is to prove the strength of his dad s love the more drawn he is to this beautiful complicated woman who s determined to call off the wedding But when Cyril s heartbreaking past comes to light destiny won t be denied Because the secret to this southern wedding is you never know how far you ll go in the name of love **Are You My Mother or My Mom?** Nevaeh Arneese,2016-07-26 This book is a true story my life story and my first book A very young girl gave birth and with no experience in being a mother with no support from her family she had to make a very important decision about what to do with a baby that she did not want or love She could have chosen to abandon the child in a garbage can or leave her at the door of some hospital No one wanted me not even an orphanage home she visited God had a purpose for this baby girl and gave her a second chance at life **Gay Parents/straight Schools** Virginia Casper,Steven B. Schultz,1999-06-04 Gay Parents Straight Schools openly addresses the specific educational realities and needs of lesbian and gay headed families It explores why gayness is perceived as such a threat especially to the education of young children when it has such potential to enrich the worldviews of both children and adults Based on research that includes perspectives from all those involved this pioneering book delves into such issues as communication between lesbian and gay parents and school staff homophobia at school and at home gender and gender role and the different understandings about role models curriculum planning that invites lesbian and gay parents into the school environment connecting children s family experiences with school experiences Featuring many direct quotes from children teachers administrators and parents this timely volume provides solid information wise insights and useful strategies to ensure the best education for all our children The Autobiography of Francis Place Francis Place,1972-03-16 Francis Place s autobiography presents a vivid and readable account of the early life

of one of the best known radical reformers of the early 19th century The publication of Place s manuscript for the first time in book form is a landmark in the expanding field of studies in artisan self consciousness of the pre Victorian era The book will be of obvious value to those interested in the origins of the Reform Movement and especially of the controversial reform group the London Corresponding society In his description of the rise and fall of the LCS and of the men who composed it and other reform groups Place brings to life the human feelings and failings of the working class democratic movement and his own lifelong attempts to promote the welfare of the working class *This Is for You, Abuela* Linda Garcia,2011-04-04 This book is a heart felt story about a grandmother and granddaughters unconditional love for one another The love is so strong and undying Linda our author is a stronger person than she lets any one in on and would like for people to look at her life as a success story Going through so many trials and tribulations and set backs and still being able to raise her children on a very small income and always being a working mom she was able to overcome so many obstacles and still make sure her children had what they needed to get through everyday life Even though she longs for her fathers love affection and attention and one on one relationship she was able to learn so much from everyone around her family members Linda grew up with her aunt Adelia as well as her maternal grandmother and even though times were rough some days she was able to grow to learn from and admire her aunt that took her in at a young age Even though her aunt Adelia had her own family and there were struggles within the household she was able to raise Linda and teach her so much Linda will always love and appreciate and respect her aunt Adelia for all she had to go through raising a rebellious adolescent and not giving up Linda also loses faith in love and all that it stands for not being able to open herself to marriage the way its supposed to be and a relationship with a man by her side she floats endlessly like a lost soul and finds it hard to let her heart fall deeply in love unconditionally a major obstacle for her Linda would like to challenge her audience while reading her book in the fact that theres so much to learn and discover about life when a parent dies and children are left behind to make a name and life for themselves enduring everyday life as it comes at you Throughout reading you will find that everything about Lindas life and the person she is today and has become is like a shadow of who her nana was and thanks to the man upstairs for never leaving her side proves there is a God and you should never give into losing your faith and never give up no matter how bad you want to or how bad things get In the end striving to be your best acts as inspiration to others and you dont even know you could be helping others *Playing with Fate* Nick Schmiedt,2018-01-22 When a girl gets pregnant by her summer fling a spiral of secrets and changes will begin to spiral out of control **From Power to Purpose** Sam Brownback,2009-03-15 A sense of mission for America a heart for God Senator Sam Brownback grew up in the heartland in a family of hard working Kansas farmers Instilled from an early age with a strong work ethic and a fierce sense of independence he continues to be guided by Christian values and beliefs strength courage character common sense faith and a keen sense of justice and moral responsibility From Power to Purpose is the firsthand account of his remarkable journey from farm boy to U S Senator and in

2008 the Republican candidate for the White House In honest straightforward prose he recounts his trials struggles and lessons learned on the way to becoming one of our leading voices for bleeding heart conservatism It s a proactive response to some of our country s most vexing problems It s a message of hope and fresh ideas for a world that needs both

Maternal Regret: Resistances, Renunciations, and Reflections Andrea O'Reilly, 2022-06-08 This collection considers how maternal regret as it is conveyed in remorse resentment dissatisfaction and disappointment troubles the assumptions and mandates of normative motherhood and how it is explored and critiqued in creative non fiction film literature and social media Maternal regret is also examined in relation to the estrangement of mother and child and the remorse and grief felt by both mothers and children caused by the abandonment of mother or child Finally the collection explores how regret opens the space for maternal erudition enlightenment and evolution and makes possible maternal empowerment The book is organized by way of these three sections the first Resistances examines how maternal regret as conveyed in remorse disillusionment and resentment counters and corrects normative motherhood the second Renunciations looks at how regret is experienced in mother child abandonment and the third Reflections explores how regret may be an opportunity for maternal knowledge and power Overall the collection serves to debunk and destroy the final taboo of normative motherhood that of maternal regret Mothers voicing regret as journalist Kingston writes signals a large groundswell of maternal reckoning one that has been compared to the MeToo campaign

Emotionally Engaged Allison Moir-Smith, 2006-12-26 From the country s foremost expert on cold feet a smart and compassionate guide for the bride to be who thinks she should be blissfully happy but is freaking out instead For most brides the elation of engagement is accompanied by a cocktail of unexpected emotions Anxiety about making a lifelong commitment Sadness about leaving their single life behind Confusion when even simple decisions should we serve chicken cordon bleu or beef Wellington bring them to tears Worst of all since everyone around them expects them to be happy few brides feel there s anyone to turn to with these conflicting feelings Written by one of Modern Bride s 25 Trendsetters of 2006 and targeting the 2.5 million women who get engaged each year Emotionally Engaged is the only book geared toward helping brides survive their engagements and emerge as stronger happier better adjusted married women In the book Allison Moir Smith shares her three-stage tried and true process from her workshops and individual therapy sessions along with the stories of over a dozen brides to be and newlyweds helping readers transform their bridal blues into bridal bliss

Tough Choices Ekaterina Hertog, 2009-08-07 As is the case in Western industrialized countries Japan is seeing a rise in the number of unmarried couples later marriages and divorces What sets Japan apart however is that the percentage of children born out of wedlock has hardly changed in the past fifty years This book provides the first systematic study of single motherhood in contemporary Japan Seeking to answer why illegitimate births in Japan remain such a rarity Hertog spent over three years interviewing single mothers academics social workers activists and policymakers about the beliefs values and choices that unmarried Japanese mothers have Pairing her findings with extensive research she

considers the economic and legal disadvantages these women face as well as the cultural context that underscores family change and social inequality in Japan This is the only scholarly account that offers sufficient detail to allow for extensive comparisons with unmarried mothers in the West *Becoming Sunflower Brazil* Sunflower Brazil, 2024-01-04 Sunflower Brazil like many individuals grew up in less than desirable circumstances Circumstances that one could only dream of successfully surviving However even as a young child she held fast to the alchemist within her Day after day moment after moment transmuting her lows into self prophesying highs Then transforming her highs into magical life exhilarating experiences until she one day became a self assured confident loving spiritual being She is now sharing her wisdom and indomitable spirit with the world She is confidently inspiring the inner you to shine vigorously Enjoy the ride and Shine Bright my Loves *Im Not Perfect- Im Pretty* Ceiarra Scott, 2018-08-11 The purpose of this book is to identify my idea of perfection I want to give the people that I motivate the truth I want to give you a brief glimpse inside the life of me where I come from and how I became the way I am today I always tell people that I don t look like what I ve been through I want my audience to really pay attention to my story and find the true honest and real background of Ceiarra Marie Scott **Wife Has The Magic The Wife** Gregory Steven Garbee, *The Wife s Magic* is a book that every woman should have in her hand When knowing that the territory is being watched by the enemy and intends to invade what woman can calm down and even think of escaping I have to join the war I have to clear the inside I have to find that woman protect my territory When reading the novel I think that a couple who love each other break up mostly because they can t overcome difficulties or other challenges such as race third party politics etc But in reality I discovered that having to deal with the little things of life is even scarier How to deal with a third person I believe this is a common problem for all women in modern society but the correct answer is not only one **“Same Is Better”** Cari Myers, 2022-10-31 As younger generations drift away from evangelical churches the number of religiously unaffiliated young adults grows Is the drift because of politics personal morality rebelliousness culture wars or something else In this project 16 young adults from the Churches of Christ participate in qualitative interviews over a five year span They describe messages they learned about success and survival from their faith communities as children and how they have embraced and reinterpreted those messages into helpful life principles as adults The resulting study explores issues of ethnicity in evangelical borderland communities and contrasts Latinx narratives with white narratives in religious and educative contexts Findings also revealed gendered narratives class based narratives and the glaring absence of helpful narratives around sexuality filtered through the lenses of religion and education The central finding of the interviews is this participants experienced the Church of Christ as rewarding conformity with community a strategy when it works which secures the future of the denomination and cements a conservative doctrine in the next generation of leadership However the study concludes that true survival narratives were the narratives participants constructed in response to the narratives provided by Churches of Christ
