My Red Animal:

The Colours the Words Cast Christopher Butler, Anne-Marie Simon-Vandenberg, 2025-08-29 This book examines the use of colour terms in the poetry of Dylan Thomas adopting a primarily linguistic and stylistic rather than literary approach. Although critical studies of the poetry of Dylan Thomas abound, systematic and detailed linguistic studies of his poems are relatively rare. The authors' main aim is to investigate in detail the use of colour terms and in particular to link this to the associations between colours and their connotative symbolic meanings which form the basis for what have been called colour metaphors. They also provide a rich database of these associations which will be of use to researchers who may be interested in the use of colour terms in other texts, whether literary or non-literary. This book will be of interest primarily to academics and advanced students in the field of linguistic stylistics.

Trans, 1963 *Game* Richard Hamilton, 1881 **Pic the Weapon-Maker** George Langford, 2022-09-05 In *Pic the Weapon Maker*, George Langford crafts a compelling narrative that intertwines themes of craftsmanship and moral ambiguity within a richly imagined world. The novel is set against a backdrop of political upheaval and social struggles, reflecting Langford's keen observations on the human condition. The prose is both lyrical and accessible, seamlessly blending vivid descriptions with character-driven storytelling, allowing readers to engage deeply with the protagonist's internal conflicts and societal challenges. Langford's work can be contextualized within the broader scope of modern fantasy literature, where ethical dilemmas and the intricacies of choice are prevalent motifs. George Langford, an accomplished author and historian, draws upon his extensive background in craftsmanship and the socio-political landscape of his upbringing to inform his writing. His interest in the intersection between art and ethics serves as a foundation for *Pic the Weapon Maker*, as it explores the responsibilities of creators within a world fraught with moral complexities. Langford's previous experiences, both personal and professional, fuel his exploration of the varied impacts one individual can have in shaping destiny through their creations. Readers seeking a thought-provoking exploration of the complexities of creativity and morality will find *Pic the Weapon Maker* an immense contribution to their literary journey. Langford's ability to evoke empathy and reflection within a fantastical framework makes this novel not only a captivating read but also an essential one for those interested in the deeper implications of one's craft in an ever-changing world.

Afterlife Kim Sheridan, 2006-02-01 Amazing true life stories of contact with pets in the next life. Kim Sheridan grew up with animals as her constant companions. Each time she faced the death of a beloved pet, along with the pain came the same questions to which she could find no answers. Then mysterious things began to happen that she couldn't explain, which led her on an incredible journey to uncover the truth. Along with her own extraordinary experiences, she compiled heartwarming and meaningful true stories of everyday people around the world and discovered compelling evidence that forever erased her

own doubts about an afterlife for animals This book provides enormous comfort and reassurance to anyone who has ever cherished a pet and food for thought for anyone who has ever questioned the place of these beloved creatures in the larger scheme of things both here on Earth and beyond The Dog Fancier Eugene Glass,1920 **Animals and Early Modern Identity** PiaF. Cuneo,2017-07-05 Animals were everywhere in the early modern period and they impacted at least in some way the lives of every kind of early modern person from the humblest peasant to the greatest prince Artists made careers based on depicting them English gentry impoverished themselves spending money on them Humanists exercised their scholarship writing about them Pastors saved souls delivering sermons on them Nobles forged alliances competing with them Foreigners and indigenes negotiated with one another through trading them The nexus between animal human relationships and early modern identity is illuminated in this volume by the latest research of international scholars working on the history of art literature and of sixteenth and seventeenth century Germany France England Spain and South Africa Collectively these essays investigate how animals horses dogs pigs hogs fish cattle sheep birds rhinoceroses even sea monsters and other creatures served people in Europe England the Americas and Africa to defend contest or transcend the boundaries of early modern identities Developments in the methodologies employed by scholars to interrogate the past have opened up an intellectual and discursive space for and a concomitant recognition of the study of animals as a topic that significantly elucidates past and present histories Relevant to a considerable array of disciplines the study of animals also provides a means to surmount traditional disciplinary boundaries through processes of dynamic interchange and cross fertilization

Experiences from the Threshold and Beyond Are Thoresen,2020-12-16 There is a physical world which we all accept as real but there is also a spiritual world which interpenetrates this material world and is its cause and foundation Between these two worlds exists a threshold that can be felt seen clairvoyantly traversed and passed through by anyone with a real desire to do so At this threshold there is a guardian whose task is to stop humans from passing across it unprepared From the Introduction Based on first hand knowledge Are Thoresen offers insights into the meaning of the threshold to the spiritual world He describes his own experiences in encountering this threshold and going beyond it But there are many thresholds to the spiritual world he says and many ways to pass them as there are many aspects to the guardian of the threshold and versions of the so called animals at the threshold The worlds beyond too have a variety of different constructions or as the Bible says In my Father s house are many mansions The author describes the methods and techniques for opening the spiritual sense organs required to cross the threshold and clarifies the differences between Imagination seeing spiritual pictures Inspiration understanding those pictures and Intuition living inside the spiritual reality Structuring the book on his own biography Thoresen conveys many of the lessons he has learnt through decades of familiarity with the invisible dimensions However he warns that there is only one good reason to attempt to cross the threshold and that is to serve God and humanity in the name of love If we do it out of curiosity or to enhance our personal development it would be
