suspects including an eccentric community college professor and one of his colleagues who lives near the chicken farm and has to wear a respirator mask to ward off the smell Also someone known in the county as Robin Hood is going around shooting arrows into utility poles as a protest When semi nude protestors arrive at the chicken farm things really begin to get out of hand Filled with fun mayhem and memorable characters *Murder in the Air* is a wonderful addition to this very excellent series Award winning author Bill Crider shows again that he is one of the most talented and entertaining mystery writers around
