Redefining Church Membership From Myth To Ministry:

Redefining Church Membership John S. Powers, 2001 **The Search to Belong** Joseph R. Myers, 2011-01-04 A practical guide for those struggling to build a community of believers in a culture that wants to experience belonging over believing Who is my neighbor Who belongs to me To whom do I belong These are timeless questions that guide the church to its fundamental calling Today terms like neighbor family and congregation are being redefined People are searching to belong in new places and experiences The church needs to adapt its interpretations definitions and language to make sense in the changing culture This book equips congregations and church leaders with tools to Discern the key ingredients people look for in community Understand the use of space as a key element for experiencing belonging and community Develop the chemical compound that produces an environment for community to spontaneously emerge Discover how language promotes specific spatial belonging and then use this knowledge to build an effective vocabulary for community development Create an assessment tool for evaluating organizational and personal community health *Latino Pentecostal Identity* Arlene M. Sánchez-Walsh, 2003 Benjamin Ortiz In These Times Protestant Nations Redefined Pasi Ihalainen, 2005 This study in comparative conceptual history reveals how the concepts of nation and fatherland were redefined within public religion in eighteenth century England the Netherlands and Sweden leading to more positive and inclusive conceptions of nationhood and the gradual reconfiguration of national identities in more secular terms **Rethinking Methodist History** Russell E. Richey, Kenneth E. Rowe, 1985 **Rethinking the Asian American Movement** Daryl Maeda, 2012-02-20 Although it is one of the least known social movements of the 1960s and 1970s the Asian American movement drew upon some of the most powerful currents of the era and had a wide ranging impact on the political landscape of Asian America and more generally the United States Using the racial discourse of the black power and other movements as well as antiwar activist and the global decolonization movements the Asian American movement succeeded in creating a multi ethnic alliance of Asians in the United States and gave them a voice in their own destinies Rethinking the Asian American Movement provides a short accessible overview of this important social and political movement highlighting key events and key figures the movement s strengths and weaknesses how it intersected with other social and political movements of the time and its lasting effect on the country It is perfect for anyone wanting to obtain an introduction to the Asian American movement of the twentieth century **The Learning Congregation** Thomas R. Hawkins, 1997-01-01 Congregations today face an adaptive challenge of immense proportions Many respond with classic signs of work avoidance holding to past assumptions and blaming authority Thomas Hawkins s new vision of church leadership can provide a way to break through these defensive routines The Learning Congregation is a must read for all pastors and church leaders **Rethinking the Church** James Emery White, 2003-07-01 Why is it important to rethink the church Today many leaders focus on how their ministries can be run more efficiently But the foundational question according to James Emery White should be Why do we have this ministry and

then Why do we do this ministry the way we do Is it effective Rethinking the Church helps pastors and lay leaders work through questions that must be answered if a church is to rethink evangelism discipleship ministry worship community and the structure of the church Break old molds check assumptions and be sensitive says White He uses the language and aims of seeker targeted churches but urges readers not to tie themselves to any model without understanding the individual purpose of their church Now thoroughly revised and expanded Rethinking the Church contains more emphasis and key material on how to move from rethinking to transition White blends biblical reflection and hands on experience and uses the early church as described in the Book of Acts as the ultimate example

Religious Myths and Visions of America Christopher Buck, 2009-04-30 At the heart of American studies is the idea of America itself Here Buck looks at the religious significance of America by examining those religions that have attached some kind of spiritual meaning to America The author explores how American Protestantism and nine minority faiths have projected America into the mainstream of world history by defining and by redefining America's world role Surveying the religious myths and visions of America of ten religions Buck shows how minority faiths have redefined America's sense of national purpose This book invites serious reflection on what it means to be an American particularly from a religious perspective Religious myths of America are thought orienting narratives that serve as vehicles of spiritual and social truths about the United States itself Religious visions of America are action oriented agendas that articulate the goals to which America should aspire and the role it should play in the community of nations Buck examines the distinctive perspectives held by ten religious traditions that inform and expand on the notion of America and its place in the world He covers Native American Protestant Catholic Jewish Mormon Christian Identity Black Muslim Islamic Buddhist and Baha'i beliefs and invites serious reflection on what it means to be an American particularly from a religious perspective

Companion to Historiography Michael Bentley, 2006-02-27 The Companion to Historiography is an original analysis of the moods and trends in historical writing throughout its phases of development and explores the assumptions and procedures that have formed the creation of historical perspectives Contributed by a distinguished panel of academics each essay conveys in direct jargon free language a genuinely international wide angled view of the ideas traditions and institutions that lie behind the contemporary urgency of world history
