Redemption And Dialogue:

Redemption And Dialogue William R. Burrows, 2009-11-01 Redemption and Dialogue makes available for the first time both of these vital Catholic statements one on mission and evangelization and the other on dialogue with other faiths It contains authoritative commentaries on both Redemptoris Missio and Dialogue and Proclamation as well as shorter critiques by an international group of Catholic and Protestant scholars Part I the full text of John Paul II's encyclical Redemptoris Missio is followed by a meticulous discussion of the document and its development by Marcello Zago O M I Part II then presents the full text of Dialogue and Proclamation and commentary by Jacques Dupuis S J Part III provides the international assessment by Catholic and Protestant scholars of the strengths weaknesses and challenges of these documents By providing the complete text of both documents and the fruits of the international discussion they spark Redemption and Dialogue provides a fascinating treatment of both documents their meanings for the church and their significance for all concerned with issues in mission theology and interfaith dialogue

Redemption S. T. Birmingham, 1877

Prophetic Dialogue Stephen B. Bevans, Roger P. Schroeder, 2011 A collection of essays that demonstrates that to be effective in the twenty first century mission must be prophetic as it encounters other cultures and religious traditions When we speak as mission as dialogue then we are about as far away from imagining mission as conquering the world for Christ and missionaries as marines of the Catholic Church as we probably can get There has indeed been a radical shift both in the world in which the church does mission and within the church's own consciousness of the goodness and even holiness of that world These words from one of the essays in this superb collection clearly demonstrate the changing of mission today In this volume Fathers Bevans and Schroeder address a primary challenge faced by Christians missionaries today How can they bring the Christian tradition to interact respectfully and effectively with members of other cultures and traditions from around the globe and still be prophetic

The Legacy of John Paul II Tim Perry, 2007-10-16 The papacy of John Paul II was phenomenal and not least for the fact that many evangelicals came to honor and respect him Tim Perry calls on some of the best evangelical minds to offer their assessments of the thought of John Paul II as expressed in his major encyclicals

Mission Shaped by Promise Jukka A. Kaariainen, 2012-10-03 Utilizing resources from Martin Luther and the Lutheran tradition this study offers an understanding of the gospel as promise as key to addressing the challenge of relating the missio Dei to a generous constructive approach toward the religious other In its construction of a Lutheran missiology it retrieves and reappropriates four resources from the Lutheran tradition the gospel as promise the law gospel distinction a theology of grace as promise of mercy fulfilled and a theology of the cross utilizing the hiddenness of God The law of God as accusing yet webbing humanity to its Creator the gospel as the comforting promise of mercy and the hiddenness of God as mystifying form the overarching framework within which the Lutheran missiology presented here seeks to engage the religious other by dialectically relating gospel proclamation and dialogue Such a view of mission shaped by promise offers the paradox of God being both revealed

and hidden in the cross as a distinctive contribution to an interreligious dialogue centered on the ambiguity and hiddenness of God John Oman Adam Hood,2014-07-08 A volume of significant contributions to our understanding of John Oman With an impressive list of contributors Adam Hood Alan Sell Fleur Houston David Thompson Eric McKimmon Stephan Bevans John Hick John Nightingale and Ashok Chaudari the volume is unique in a number of ways It provides a more detailed historical account of Omans life and work than that offered before often drawing on primary sources The Call to Personhood Alistair I. McFadyen,1990-10-26 This book is an attempt to answer the question What is a person Although the answer is given in largely theoretical terms the author is concerned primarily with practice what does it mean to live as a human person in community with others What personal social and political practices are required by personal being The central insight that human identity is most productively understood in communicational terms leads to an account of personhood which is both compassionate and which at the same time keeps sight of the particularity of each individual *Dialogues on Atonement. ...* William Raymond Weeks,1825 *Ecumenical Directions in the United States Today: Churches on a Theological Journey* Antonios Kireopoulos,Juliana Mecera,2014-05-14 Proceedings of a conference held in July 2007 at Oberlin College *A Shamanic Pneumatology in a Mystical Age of Sacred Sustainability* Jojo M. Fung,2017-07-17 This book represents a germinal effort that urges all religious and world leaders to savor the mystical spirituality especially the cosmology and spirituality of sacred sustainability of the indigenous peoples The power of indigenous spirit world is harnessed for the common good of the indigenous communities and the regenerative power of mother earth This everyday mysticism of the world as spirited and sacred serves to re enchant a world disillusioned by the unsustainability of destructive economic systems that have spawned the current ecological crises Author Jojo Fung offers insight from his lived experience and this book represents his effort to correlate the indigenous spirit world with Catholic Pneumatology and articulate the activity of God s Spirit as the Spirit of Sacred Sustainability
