Stockdale, 2007-05-25 The exciting captivating exploits of a Virginia farm girl's quest for fame and fortune She shared a secret with her Uncle that could destroy both their lives and their family As they separately climbed the social ladder of Washington D C they found themselves entangled in a web of murder deception disappearances and dirty politics They had unwittingly become major players in a blood bath that would shake the Capitol to

its very foundation and alter history forever The path to the White House and First Lady lay before her but like Appian Way was lined with the bodies of family friends and acquaintances She had two ways to go fame and fortune or love with happiness they both had their price Was the price too high either way she could face rejection prison or even death row Was her dream to become her nightmare or was it to exceed her wildest expectations A web that enveloped her was a complicated maze of deception and choices A wrong choice could be costly causing her to forfeit her freedom or even her life **Redrum Reversed** Elina Martin,2012-05-10 A long distant relative plans and saves plenty of cash to visit his relatives with the hope of marrying a baby relative and promises to raise the baby himself with the hope of becoming her husband the minute she reaches marrying age War begins with the biological parents read on please I hope you will enjoy reading this book and may ALMIGHTY GOD richly bless you *Forever Loved: Exposing the hidden Crisis of Missing and Murdered Indigenous Women and Girls in Canada* Lavell Memee.D Harvard,2016-05-01 The hidden crisis of missing and murdered Indigenous women and girls in Canada is both a national tragedy and a national shame In this ground breaking new volume as part of their larger efforts to draw attention to the shockingly high rates of violence against our sisters Jennifer Brant and D Memee Lavell Harvard have pulled together a variety of voices from the academic realms to the grassroots and front lines to speak on what has been identified by both the Inter American Commission on Human Rights and the United Nations as a grave violation of the basic human rights of Aboriginal women and girls Linking colonial practices with genocide through their exploration of the current statistics root causes and structural components of the issue including conversations on policing media and education the contributing authors illustrate the resilience strength courage and spirit of Indigenous women and girls as they struggle to survive in a society shaped by racism and sexism patriarchy and misogyny This book was created to honour our missing sisters their families their lives and their stories with the hope that it will offer lessons to non Indigenous allies and supporters so that we can all work together towards a nation that supports and promotes the safety and well being of all First Nation Métis and Inuit women and girls **The Genetic Imaginary** Neil Gerlach,2004-01-01 DNA testing and banking has become institutionalized in the Canadian criminal justice system As accepted and widespread though the practice is there has been little critique or debate of this practice in a broad public forum on the potential infringement of individual rights or civil liberties Neil Gerlach's *The Genetic Imaginary* takes up this challenge critically examining the social legal and criminal justice origins and effects of DNA testing and banking Drawing on risk analysis Gerlach explains why Canadians have accepted DNA technology with barely a ripple of public outcry Despite promises of better crime control and protections for existing privacy rights Gerlach's examination of police practices courtroom decisions and the changing role of scientific expertise in legal decision making reveals that DNA testing and banking have indeed led to a measurable erosion of individual rights Biogovernance and the biotechnology of surveillance almost inevitably lead to the empowerment of state agent control and away from due process and legal protection *The Genetic Imaginary* demonstrates that the overall effect of

these changes to the criminal justice system has been to emphasize the importance of community security at the expense of individual rights The privatization and politicization of biogovernance will certainly have profound future implications for all Canadians Redrum Boston George,2012-04-24 Kendu leads the life of an average hustler with his beautiful wife Diamond at home and a smooth operation that he runs with his best friend Deuce When Kendu and Deuce cross the wrong person though Kendu s life suddenly takes a turn for the worst Now in debt to his enemy Kendu must choose his next move wisely or it could cost him everything Add to the mix a concerned wife a disloyal partner and Perry a successful businessman by day and a coldhearted serial killer by night and you ve got a recipe for pure mayhem Follow Boston George as he takes you on an unforgettable journey reminding you that it s not always wise to keep your enemies close **Hangman** Michael Slade,2024-10-08 A harrowing tale of revenge Hangman is a hardboiled police procedural Readers come away not only entertained and terrified but also enlightened Cemetery Dance A woman is killed on Halloween night in Seattle Death by hanging as cruel and vicious as it was back in the days when it was employed as a means of justice Only there is no justice in this murder And it isn t the last one Suddenly the police on both sides of the US Canadian border are tracking a killer with a taste for the drama of the gallows And just when the investigation zeroes in on a suspect another corpse is discovered The string of bizarre and brutal killings leaves a complex trail of clues and a terror that only escalates with each killing Master of the Northern Giallo There are more than a few reasons to take the stand and scream the glories of literary demon Michael Slade Rue Morgue Hangman s escalating suspense is sustained not only by readers wondering whodunit but who will be the next to die Every character is both a suspect and a potential victim Quill Quire Murder with gore galore and a killer who enjoys his hobby There s plenty of legerdemain before the trick ending The Globe and Mail Toronto Fascinating The research on real life hangmen is deftly larded into the fast paced story The Vancouver Sun First hand knowledge of the judicial system gives Slade s thrillers their authenticity North Shore News **Criminal Investigative Failures** D.
