Reframed Stuart Shanker,2025-07-08 Stuart Shanker s Reframed presents a comprehensive exploration of self regulation grounded in cutting edge neuroscience to help individuals thrive and society flourish Aimed at parents educators and all adults invested in individual well being this revised and expanded edition is presented in a reader friendly format with engaging vignettes that appeal to a wider audience Employing the same proven techniques from his earlier volumes Calm Alert and Learning and Self Reg Shanker delves into the science and principles behind the Shanker Self Reg method emphasizing that understanding our own brains is the key to understanding one another and rethinking black and white labels such as bad lazy and stupid He argues that everyone has the capacity to self regulate in ways that foster growth and that life trajectories can shift at any point with the right tools For Shanker the foundation of a just and free society begins with how we understand and nurture ourselves as well as our children In an era marked by social challenges Reframed not only illuminates the complexities of the modern world but also inspires hope for a better future This essential work equips readers with the knowledge and tools to help build a more compassionate society one mind at a time

The Purpose Effect Dan Pontefract,2018-06-08 Pontefract combines years of experience and research on employee engagement behavior and culture to create a work about the three crucial areas of purpose personal organizational and workplace role If all three can come to fruition if there is a positive interconnection between the three distinct definitions of purpose the benefits should be felt by employees teams the organization customers and perhaps most importantly society as

a whole We can refer to this balanced state as the sweet spot When one area is lacking or ignored the results range from disengagement apathy lack of growth and even bankruptcy The Purpose Effect is aimed at both leaders and employees who wish to achieve a purpose mindset on a personal level for the organization where they are employed and in their role at work too A business leader that is committed to purpose will create purpose for the organization An employee that feels his her personal sense of purpose is being fulfilled at work will be an invaluable asset to productivity and success An organization centered on purpose will benefit every stakeholder from employees to society in general This sweet spot of purpose creates a reciprocal relationship between all three areas and sits at the center of Pontefract s work **Each Day a Renewed**
