

We thought of you in love today,
but that is nothing new.

We thought about you yesterday
and days before that, too.

We think of you in silence,
we often speak your name.

Now all we have is memories
and your picture in a frame.

Your memory is our keepsake,
with which we'll never part.

God has you in his keeping,
we have you in our hearts.

Reflections Omar H. Malik, 2014-01-27 In a world where most of us are busy making a living, finding few moments to reflect and revere, awe-inspiring power of nature both contributing and disrupting its beauty, serenity and complexity, and how we fit in and play our part, this book explores and evaluates all that in simple language. The beauty and power of nature pictured in the poems titled *The Sun*, *The Cloud*, *A River's Tale*, *Autumn Leaves* and *Rainbow*. In *A Lout's Legacy*, a portrayal of social malaise. Interesting interpretations are reflected in *Time*, *A Holy Sanctuary* and *Of Good and Evil*. There is humour with substance in *Follow the Man in the Middle* and *Oh Dream*. Examples of how commercial folly influenced our life over a period of time is apparent in *Celebrations* and *Merry Christmas*. These are just a few examples. It is literally a reflection mirror of author's mind on aspects of life that move us.

In the Murmuring Trees R. Tirrell Leonard Jr., 2012-11-15 In *The Murmuring Trees*, R. Tirrell Leonard Jr. delves into nature mythology and fantasy through evocative prose and poetry, taking readers to a time and place where myths were real and legends walked amongst men. It retells classic stories of gods and monsters and man's place within nature's grandeur, capturing the essence of these timeless tales while instilling in them a modern twist unique to R. Tirrell Leonard Jr. Imaginative poems and prose of great spirit, rich creativity and three-dimensional imagery. *The Columbia Review* In *The Murmuring Trees* 2012 Reviewed By The Editorial Board. The Editorial Board of *The Columbia Review* selects new books and films of interest as well as paid submissions and sponsored reviews from authors, publishers, directors, agents and producers. In *The Murmuring Trees* by R. Tirrell Leonard Jr. is an imaginative volume of poems and prose of great spirit, rich creativity and three-dimensional imagery. Readers of poetry often seek to understand not only the meaning of the words themselves but to perceive who the poet really is. One might speculate that Leonard may be revealing himself best with the first line in the poem *A Post in Furies*: "Winds I know I differ from the normal view." This collection of poems and prose is also a unique exploration of a common sentiment: love. But here it is to a place as the title of another song reads: *A Magical Country Dance*. One cannot miss Mr. Leonard's deep love for the State of Massachusetts, both its people, contemporary and natives, and its raw physical beauty: land and coast. Most of the pieces may fit on one page, but many would serve as food for thought for a whole evening. And while the poet speaks of losing his voice, his writing comes across loud and clear with great charm and natural rhythm. Adding to this volume's value for the reader are snippets of true perception and tickling humor. For example, who among us, lovers of poetry, don't remember a sleepless night made longer by the crickets singing through the open window, driving us near the brink? In particular, some of Mr. Leonard's poetry attains the cloak of youthful wit, alluding to figures from the sphere of fantasy and the world of magic, which would make much of this volume easily accessible and happily enjoyable for younger readers as well. In summary, this meticulous and beautiful

collection leaves the reader shaken elated and reflective perhaps as the poet concludes the title poem or close to it In Murmurings Through Trees Skies with lightning flashes bright and brawling fill my mind with wonders still and installing Indeed **THE HUES OF REFLECTION (VOL-1)** AUTHORS OF THE BHARAT, Our Anthology THE HUES OF REFLECTION contains marvellous literary work of various authors across the whole Bharat It is a compiled to give a platform to the budding writers of our great nation and help them in coming forward and present their literary work in front of the whole world *Reflections from the Kitchen* Fred Raynaud,2006-10 Reflections is not a cookbook There are no recipes between its pages What you will find is a look at Christ through the eyes of a chef The book takes you behind the scenes of restaurant life and reflects the Glory of Christ while working and worshipping within the marketplace Practical Reflections for Every Day in the Year. Immediacy and Reflection in Kierkegaard's Thought Paul Cruysberghs, Johan Tael, Karl Verstrynge, 2003

We live in a reflective age That is Soren Kierkegaard's overall conclusion when evaluating the time he lives in But his appraisal contains both approval and criticism On the one hand reflection is a necessary category to deal with the dynamics and the qualities of the modern age on the other hand it bears a great danger It is Kierkegaard's firm conviction that reflection should always relate to a kind of immediacy that safeguards it from becoming hollow and detached from our existential reality Throughout the voluminous and complex work of Kierkegaard the notions of immediacy and reflection play a crucial role They appear in such an early work as *From the Papers of One Still Living* as well as in the late *Anti Climacus* writings and indeed their significance or influence can be felt in all philosophical texts published in between That is not to say that the meaning of the notions is unequivocal After all Kierkegaard not only uses the terms in very divergent contexts but his own understanding of them appears to evolve quite strongly in the course of his oeuvre Moreover in spite of their clearly philosophical character the two notions play an unmistakable role in Kierkegaard's understanding of religion They appear frequently in the religious discourses indeed In short Kierkegaard's use of the notions of immediacy and reflection covers a broad array of meanings and interpretations The dialectics of immediacy and reflection of reflection killing immediacy and raising the question of the possibility of a new immediacy is the main theme of *Immediacy and Reflection in Kierkegaard's Thought* The book contains contributions authored by a number of well known Kierkegaard scholars Kierkegaard's theory of the existence spheres of life provides a first viewpoint on the interplay of immediacy and reflection Here the philosophical and pseudonymous writings are the main subject of research If on the other hand one pays a closer look at the significance of a second immediacy for a religious attitude to life The religious discourses come into play when the possibility of a second immediacy is taken into consideration In conclusion the theme of immediacy and reflection is connected to some important trends in the modern and contemporary era On the one hand it is linked to the philosophical influences Kierkegaard underwent e.g. from Hegel on the other hand Kierkegaard is confronted with later thinkers Heidegger in particular
