Deborah DeMoss Smith knows just how to reconnect us with the magic splendor and awe of our animal kin through Sharon Callahan's intuitive experience. Marc Bekoff, Professor of Biology, University of Colorado Boulder and coauthor of *The Ten Trusts* with Jane Goodall, Jerry a tabby cat distressed by a beloved family member's departure for college, Jupiter a macaw parrot who yearned to live among his own kind, Rudy a border collie whose grave illness did not stop him from keeping his profound promise to the young girl who loved him. All of these animals spoke with their human companions through the extraordinary gift of animal intuitive Sharon Callahan. Now award-winning journalist Deborah DeMoss Smith relates these and many other true inspirational tales of the human and animal lives Callahan has touched. *Reflections of the Heart* illustrates how the sometimes puzzling behavior of animals often mirrors our own actions and feelings. These stirring accounts offer a window into the emotional, mental, and spiritual lives of our animal companions and remarkable insight into the special bond between animals and people.

Reflections of the Heart Yvan Leger, 2010-10. The book is a combination of life moving stories, poetry, and heart warming quotations. It is written in a way to entice you into reflection and emotional soul searching. Some of those stories could be your friend and acquaintance or even a family member. But I wrote them in a way to stimulate soul searching respect without judgement and mutual understanding.

Reflections of the Heart LeRon E. Easley, Winnifer Wilson, 2013-01-10. Reflections never fade; they are only transparent and every time you look deep enough into your heart, you never see what you really want but only a reflection and in due time your true desires would show itself to you and no longer be just a transparent reflection. Every day we make the connection by touching. It becomes a growth process where we learn to understand one another; those contributions that we make are the distinct pieces of ourselves; those things that expand our thoughts, feelings, and emotions. The experiences of today are just more stumbling blocks I must succeed in order to venture anywhere closer towards my endeavors; the objective is more than just making it. It's turning a bad situation around in order to create something worthwhile. Remembering instills the desire to think about those pleasant things that at one time enriched our lives; feeling touches upon the core of what had existed, reminding the heart of all that was and all that is real. These things enable a person to understand what was then and what is now. Instilling the sense of direction towards what is to come. Being is the acknowledgement of oneself. It is a measure that characterizes not only the structure of that individual. It also focuses on set reservations and intent upon one's life. In this book, we will come to know one another well; come to learn that as well as the world revolves around us, so do we evolve around each other.

LeRon Easley. LeRon Everett Easley began writing in an effort to assist others who were literally challenged in order to help them construct emotional packed letters to their family and loved ones. He envisioned how distant people were apart from one another within those relationships they shared and created a tool that would empower people to communicate what he believed that others felt inside. LeRon Everett Easley is a man who rose from the pits of a correctional facility having obtained a Bachelors Degree in Organizational Management. His passion has been to write various expressions based on thoughts, feelings, and emotions.

Monique,2022-03-27 Healing is a process a personal process that encompasses individual strength behaviors actions and attitudes We get to decide when how and why we complete the healing process Many times we petition for God to speak to acknowledge or to send a sign for the pain challenges and places we face If we listen close enough or pay attention we will find He does send a Word through a scripture person circumstance or our own prayers Unfortunately there are times we simply miss it Times when we overlook the exact thing we asked God for and there are times when we can t recognize God s answer amid our troubles because they feel so loud big painful This compilation of Love Letters Notes of Encouragement Pivot Points and Prayers are a remembrance of God s Word speaking to the challenges pains and places over a young adult life resulting in hope encouragement and connection Through the Love Letters we see how God s love is revealed and

supported by scripture In Notes of Encouragement we find God's word releasing us from the frustrations of disappointment resentment and perceived failed opportunities In Pivot Points we find God's word soothing our decisions discretions and renewing hope Finally in Prayers we find an honest conversation with the Father The reflections within the Love Letters Notes of Encouragement Pivot Points and Prayers acknowledge the hurt which began the healing process We all deserve to heal from past hurts to embrace the possibilities of future happiness Recognizing that the Father will answer that healing is possible and He wants us to be filled with the Fruit of the Spirit is a beautiful phenomenon filled with real hope There is a petition for each of you to lean in to listen for or remember when God spoke directly to your challenge pain and place Be encouraged
