Reform Of Baptism And Confirmation In American Lutheranism:

The Reform of Baptism and Confirmation in American Lutheranism Jeffrey A. Truscott, 2003-10-28 This resource examines the historical and theological background of the rites used for baptism and confirmation in the Lutheran Book of Worship 1978 The introduction of the LBW as the standard book in Lutheran worship not only provided North American Lutherans with a new rite for baptism but also new understandings of the meaning of baptism Baptism was suddenly seen as being central to Christian identity rather than merely serving as an infant rite of passage performed occasionally in private It also allowed for full participation of the liturgical assembly and employed a greater use of ritual and gesture Simultaneously the greater stress on baptism was accompanied by an attempt to downplay the theological and liturgical importance of confirmation the centerpiece of Lutheran spiritual formation for those persons baptized in infancy Confirmation was revised as the Affirmation of Baptism allowing it only a secondary role as a part of the original rite of baptism Truscott argues that these changes have affected how North American Lutherans think about and practice Christian initiation He also critically evaluates the LBW rites and makes proposals for the future renewal of Christian initiation in North American Lutheranism

Johnson,2016-03-24 Originally published in 1999 *The Rites of Christian Initiation* was hailed for its clarity and comprehensiveness Kieran McDonnell OSB called it the best overall treatment of Christian initiation available and Paul

Bradshaw predicted it would be the standard textbook on the subject for very many years to come. The current edition draws on new translations of early texts on baptism as well as recent scholarship on the early traditions in the East and West. It is sure to replace itself as the new standard reference on the rites of Christian initiation. Maxwell E. Johnson's expanded and revised text provides a more complete view of the history and interpretation of the rites in the Eastern Church, including two chapters that explore the pre-Nicene Eastern and Western traditions in detail. Revisiting the theology of baptism, this edition also provides more nuanced positions on the Eastern and Western traditions. Finally, recent liturgical developments in American Protestant churches, particularly Lutheran, as well as the ongoing development of the RCIA and confirmation practices of Catholics, made it necessary to revisit the place and meaning of these rites in the church today. Maxwell E. Johnson, PhD, is professor of liturgy at the University of Notre Dame and an ordained minister of the Evangelical Lutheran Church in America. He has published in *Worship* and is the editor of and contributor to *Living Water: Sealing Spirit Readings on Christian Initiation* (Liturgical Press, 1995) and the revised and expanded edition of *E. C. Whitaker: Documents of the Baptismal Liturgy* (Liturgical Press and S. P. C. K., 2003), to which this study serves as a companion volume.

One Baptism

Susan K. Wood, 2009-07-01. Most Christians would say that baptism is the one sacrament. Christians of all denominations share that it is the source of ecumenical unity among all Christian churches. But how true is that? Is there really one baptism as we profess in the Nicene Creed? If we disagree about what baptism does, can we really say that baptism unites us? To address this central question, Susan Wood brings together the history and theology of baptism, systematic, sacramental, and liturgical, focusing especially on the divergent paths taken in the understanding of the sacrament since the Reformation. Founded not only in her study of theology but also in her years of participation in ecumenical dialogues, her perspective will illuminate this problem for readers and point the way toward deeper understanding.

Introduction to Christian Liturgy

Frank C. Senn, 2012. Designed as a general introduction to Christian liturgy, this book explores the meaning, history, and practice of worship in Eastern and Western Catholic and Protestant traditions. Its chapters cover the theology of worship, the historical development of the Eucharist and the Prayer Offices, the lectionary and customs of the church year, other sacramental rites, and the use of music and the arts. As such, it is a perfect textbook for students seeking to understand the basics of liturgical worship as well as a reliable guide for worship leaders.

The Church in Act

Maxwell E. Johnson, 2015. *The Church in Act* explores the dynamics of ecclesial and liturgical theology, examining the body of Christ in action. Maxwell E. Johnson provides in this volume historical and doctrinal thinking on a diversity of liturgical subjects under the umbrella of Lutheran liturgical theology in ecumenical conversation. From baptismal spirituality to Eucharistic concerns, the volume offers a robust account of the liturgical, sacramental, and spiritual practices of the church for scholars, students, pastors, and others who seek to minister in an ecumenical context with increased understanding and insight.
