**United States. President (2009-2017 :
Obama), Barack Obama**

Regional Analysis Of Crime Causes Control Strategies:

Regional Analysis Of Crime : Causes And Control Strategies Suresh Kumar Deswal,2004 **International Narcotics Control Strategy Report , Global Injustice and Crime Control** Wendy Laverick,2016-02-12 Global Injustice and Crime Control places cross border cross national and international crime and crime control within its wider context It examines theory from a range of disciplines and introduces students to the frequently neglected area of the world order and world politics in an effort to direct attention to the links between events power ideas institutions policies actions and counter actions at the international and domestic level In an increasingly interconnected and interdependent world the various dimensions of globalisation play a pivotal role in issues of crime and criminal justice in the 21st century This interdisciplinary textbook offers a critical treatment of the development and recent acceleration of national regional and international efforts at cross border crime control and law enforcement The book not only places cross national and international efforts by police courts regional and international agencies within their historical context but also focuses on elucidating leading theoretical perspectives from within globalisation literature criminology and international relations to shed light upon both sides of this phenomenon Areas covered include cross border crime and security state crime and corruption international responses to genocide terrorism and counter terrorism organised crime This book will be perfect reading for modules in transnational crime and justice and will be of interest to students in criminology policing public policy and international relations **2014 National Drug Control Strategy** United States. President (2009-2017 : Obama),Barack Obama,2014 **Document Retrieval Index ,1972 Strategic Intelligence-Community Security Partnerships** Maiwa'azi Dandaura-Samu,2017-10-24 This book examines the need to bridge strategic intelligence and community collaboration It explores intelligence collection analysis and operations as they relate to conflicts that can be solved through community collaboration Its argument sits at the nexus of intelligence collection operations and academic research supporting the use of analytical frameworks process theories critical thinking and pragmatic approaches in intelligence data analysis to provide a seamless end product for effective decision making by policy makers business and military strategists The book insists that public opinion matters in the sense that leaders must shape it using collected intelligence and not wait for things to just happen For any intelligence community collaboration to succeed intelligence agencies must succeed in framing and setting public opinion The book also sheds light on competitive intelligence arguing that turbulent times and threatening environments necessitate that corporate organizations engage in competitive intelligence the same way security organizations and agencies constantly shift and change paradigms They must be innovative create new labor practices and use self motivating management approaches and dynamic imaginative models to invent new strategic intelligence tactics and resolutions for optimal performance and productivity **Multidimensional Threats and Regional Responses to Caribbean Security** Wendy C. Grenade,2024-12-20 Multidimensional Threats and Regional Responses to Caribbean

Security assesses the prevalence and intensity of intersecting security threats such as transnational organized crime pandemics and climate change on the state of the Caribbean Community CARICOM The interplay of these various threats can adversely affect small island developing states SIDS This book aims to expose the fault lines in Western centric international relations which neglects non military issues non state actors and other security issues affecting SIDS This volume also explores the efficacy of security regionalism for SIDS where multiple actors cooperate across different levels and pool sovereignty resources and capabilities within legitimate institutional structures in order to prepare for prevent and collectively respond to severe security threats This book argues for a more inclusive global IR that considers the realities of the developing world and a reimagining of security regionalism among CARICOM SIDS
