Regionalization In Africa Integration And Disintegration:

Regionalisation in Africa Daniel Bach,1999 by including accounts of the flows of goods and people that take place informally and frequently illegally Bach has lifted the lid on a little observed but vitally important aspect of contemporary African life International Affairs The dynamics of integration and disintegration in sub Saharan Africa at the end of the millennium result from a combination of upheavals in the international system since the end of the Cold War and the crisis of the state within Africa itself Regionalism and Regional Integration in Africa Nordiska Afrikainstitutet,2001 The contributions identify and review current issues of regionalism and regional integration within the era of globalization in the African context Their approaches present different theoretical and regional perspectives which provide new insights challenge existing concepts and perceptions and contribute to an enriched debate *African Regional Trade Agreements as Legal Regimes* James Thuo Gathii,2011-07-21 African regional trade integration has grown exponentially in the last decade This book is the first comprehensive analysis of the legal framework within which it is being pursued It will fill a huge knowledge gap and serve as an invaluable teaching and research tool for policy makers in the public and private sectors teachers researchers and students of African trade and beyond The author argues that African Regional Trade Agreements RTAs are best understood as flexible legal regimes particularly given their commitment to variable geometry and multiple memberships He analyzes the progress made toward trade liberalization in each region how the RTAs are financed their trade remedy and judicial regimes and how well they measure up to Article XXIV of GATT The book also covers monetary unions as well as intra African regional integration and examines free trade agreements with non African regions including the Economic Partnership Agreements with the European Union The New Regionalism in Africa Fredrik Söderbaum,2017-03-02 This edited volume transcends conventional state centric and formalistic notions of regionalism and theorizes conceptualizes and analyzes the complexities and contradictions of regionalization processes in contemporary Africa The collection not only unpacks and theorizes the African state society complex with regard to new regionalism but also explicitly integrates the often neglected discourse of human security and human development In so doing the book moves the discussion of new regionalism forward at the same time as it adds important insights to security and development It is organized into three parts Part I theorizes conceptualizes and analyzes the new regionalism in Africa from the point of view of the region e g West East Central and Southern Africa The national perspectives in Part II focus on the new regionalism in Africa from the point of view of particular countries or specific state society complexes such as Kenya the Democratic Republic of the Congo DRC the enclave of Cabinda Angola and Zambia Part III contains two concluding chapters that tie the main threads of the volume together theoretically and empirically and discuss the contribution of the analytical framework the new regionalism approach NRA to the larger study of regionalism **Regionalism in Africa** Daniel C Bach,2015-12-22 Africa which was not long ago discarded as a hopeless and irrelevant region has become a new frontier for
