The Earlier Tudors, 1485-1558

John Duncan Mackie,1952 This classic volume in the renowned Oxford History of England series examines the birth of a nation state from the death throes of the Middle Ages in North West Europe John D Mackie describes the establishment of a stable monarchy by the very competent Henry VII examines the means employed by him and considers how far his monarchy can be described as new He also discusses the machinery by which the royal power was exercised and traces the effect of the concentration of lay and ecclesiastical authority in the person of Wolsey whose soaring ambition helped make possible the Caesaro Papalism of Henry VIII

The Routledge Companion to Britain in the Eighteenth Century Jeremy

Gregory,John Stevenson,2012-11-12 Enormously rich and wide ranging The Routledge Companion to Britain in the

Eighteenth Century brings together in one handy reference a wide range of essential information on the major aspects of eighteenth century British history The information included is chronological statistical tabular and bibliographical and the book begins with the eighteenth century political system before going on to cover foreign affairs and the empire the major military and naval campaigns law and order religion economic and financial advances and social and cultural history Key features of this user friendly volume include wide ranging political chronologies major wars and rebellions key treaties and their terms chronologies of religious events approximately 500 biographies of leading figures essential data on population output and trade a detailed glossary of terms a comprehensive cultural and intellectual chronology set out in tabular form a uniquely detailed and comprehensive topic bibliography All those studying or teaching eighteenth century British history will find this concise volume an indispensable resource for use and reference

Who Takes Britain to War? James Gray,Mark

Lomas,2014-09-01 The long standing parliamentary convention known as the Royal Prerogative has always allowed Prime Ministers to take the country to war without any formal approval by Parliament The dramatic vote against any military strike on Syria on 29 August 2013 blew that convention wide open and risks hampering Great Britain's role as a force for good in the world in the future Will MPs ever vote for war Perhaps not and this book proposes a radical solution to the resulting

national emasculation By writing the theory of a Just War its causes conduct and ending into law Parliament would allow the Prime Minister to act without hindrance thanks not to a Royal Prerogative but to a parliamentary one **Royal Taste**
Daniëlle De Vooght,2016-04-08 The explicit association between food and status was academically speaking first acknowledged on the food production level He who owned the land possessed the grain he who owned the mill had the flour he who owned the oven sold the bread However this conceptualization of power is dual next to the obvious demonstration of power on the production level is the social significance of food consumption Consumption of rich food in terms of quantity and quality was and is a means to show one's social status and to create or uphold power This book is concerned with the relationship between food consumption status and power Contributors address the old top of society and consider the way kings and queens emperors and dukes nobles and aristocrats wined and dined in the rapidly changing world of the late eighteenth and nineteenth centuries where the bourgeoisie and even the common people obtained political rights economic influence social importance and cultural authority The book questions the role of food consumption at courts and the significance of particular foodstuffs or ways of cooking deals with the number of guests and their place at the table and studies the way the courts under consideration influenced one another Topics include the role of sherry at the court of Queen Victoria as a means of representing middle class values the use of the truffle as a promotional gift at the Savoy court and the influence of European culture on banqueting at the Ottoman Palace Together the volume addresses issues of social networks prestige politics and diplomacy banquets and their design income and spending economic aims taste and preference cultural innovations social hierarchies material culture and many more social and cultural issues It will provide a useful entry into food history for scholars of court culture and anyone with an interest in modern cultural history **The Constitutional Value of Sunset Clauses**
Antonios Kouroutakis,2016-10-04 Sunset clauses are a commonly used statutory provision related to the temporary duration of various laws This book explores the constitutional value of such clauses It examines the drafting of sunset clauses and the relevant amendment process as well as the parameters that influence their incorporation into legislation Arguments and conclusions are drawn from historical and current uses and it is discussed how and why legislators draft legislation with sunset clauses Predominantly focused on their use in the UK the approach is interdisciplinary and comparative insofar as it uses examples from a variety of legal orders

Decoding **Reign Of George Iii 1760 1815**: Revealing the Captivating Potential of Verbal Expression
