## **Relations Of Ruling Class And Gender In Postindustrial Societies:**

**From Power Sharing to Democracy** Sidney John Roderick Noel, **Perspectives on Contemporary Professional Work** Adrian Wilkinson, Donald Hislop, Christine Coupland, 2016-01-29 How is the world of professions and professional work changing This book offers both an overview of current debates surrounding the nature of professional work and the implications for change brought about by the managerialist agenda The relationships professionals have with their organizations are variable indeterminate and uncertain and there is still debate over the ways in which these should be characterized and theorized The contributors discuss these implications with topics including hybrid organizations and hybrid professionalism the changing nature of professional and managerial work profession and identity and the emergence of HRM as a new managerial profession This book will be of interest to academics and postgraduate students seeking a comparative study on contemporary professional work It will also be of use to a number of practitioners namely human resource managers looking for ways in which to approach the changing professional world *Democracy, Citizenship and the Global City* Engin F. Isin, 2013-04-15 Democracy Citizenship and the Global City focuses on the controversial neglected theme of citizenship It examines the changing role of citizens their rights obligations and responsibilities as members of nation states and the issue of accountability in a global society Using this interdisciplinary approach the book offers an innovative collection of work from Robert A Beauregard Anna Bounds Janine Brodie Richard Dagger Gerard Delanty Judith A Garber Robert J Holton Warren Magnusson Raymond Rocco Nikolas Rose Evelyn S Ruppert Saskia Sassen Bryan S Turner John Urry Gerda R Wekerle and Nira Yuval Davis It's a Working Man's Town Thomas William Dunk, 2003 In a valuable addition to the debate on the nature of contemporary working class culture Thomas Dunk shows that the function and meaning of gender ethnicity popular leisure activities and common sense knowledge are intimately linked with the way an individual's experience is structured by class After reviewing the principal theoretical problems relating to the study of working class culture and consciousness Dunk provides a detailed ethnographic analysis of the Boys the male working class subjects of this study Male working class culture he argues contains both the seeds of a radical response to social inequality and a defensive reaction against alternative social practices and ideas In a new forward Dunk contextualizes the original text with regard to the debates about class and masculinity that have occurred since the book was first published Education & Jobs D. W. Livingstone, 2009-01-01 Edited by one of the world's leading educational sociologists based on national survey data and close focus case studies this book makes a powerful case for new policy industrial and educational thinking Raewyn Connell University of Sydney **Eros and Alienation** Alan Sears, 2025-01-20 Sears takes social reproduction feminism and queer Marxism in exciting new directions as he historicizes penetration and orgasms He expands the concept of alienated labor to all life making and founds a queer ecology foregrounding colonized racialized and disabled voices Peter Drucker author of *Warped* Meticulously outlines how capitalism shapes human intimacy A sweeping original analysis that challenges

how we think about sexuality life making and building a better world Holly Lewis author of *The Politics of Everybody* A compelling argument on the pervasive alienation of capitalist society that truncates and distorts our capacities for creative expression love and human flourishing M E O'Brien author of *Family Abolition* Our deeply human drive to shape the world around us and fulfill ourselves through labor is subverted by capitalist alienation leaving us to find fulfillment elsewhere As a result our erotic drives become the central focus for transformation and life making but are themselves restricted and fueled by whatever energy is left after completing the monetized or social reproductive work required to survive This alienation encounters ongoing resistance as life making activity can never be fully separated from the person who labors Eros and Alienation delves into the underexplored relationship between alienated labor and sexuality Alan Sears explores the ways this alienation frames the processes of gender and sexual formation showing how the organization of work contributes to the development of a dominant regime of gendered sexualities defined by a binary gender mapping of desire as heterosexual homosexual or bisexual Alan Sears is Professor of Sociology at Toronto Metropolitan University He is an activist and author of several books including *The Next New Left* *The New African Diaspora in Vancouver* Gillian Creese, 2011-08-13 *The New African Diaspora in Vancouver* documents the experiences of immigrants from countries in sub-Saharan Africa on Canada's west coast Despite their individual national origins many adopt new identities as African and are actively engaged in creating a new place-based African community In this study Gillian Creese analyzes interviews with sixty-one women and men from twenty-one African countries to document the gendered and racialized processes of community building that occur in the contexts of marginalization and exclusion as they exist in Vancouver Creese reveals that the routine discounting of previous education by potential employers the demeaning of African accents and bodies by society at large cultural pressures to reshape gender relations and parenting practices and the absence of extended families often contribute to downward mobility for immigrants *The New African Diaspora in Vancouver* maps out how African immigrants negotiate these multiple dimensions of local exclusion while at the same time creating new spaces of belonging and emerging collective identity

*Work in Tumultuous Times* Vivian Shalla, Wallace Clement, 2007 Offering a critique of how social structures and relations as well as ideologies shape workplaces labour markets and households in contemporary Canada this work exposes the uncertainty insecurity and instability that characterise both paid and unpaid work It also proposes alternative policies and practices **The Education-jobs Gap** D. W. Livingstone, 1999-01-01 This text's basic argument is that our knowledge generally far exceeds our job opportunities **The Changing Canadian Population** Barry Edmonston, Eric Fong, 2011 Informative and helpful essays that study census data regarding developments in Canadian society *Regulating Flexibility* Mark Preston Thomas, 2009 A timely analysis of employment standards legislation that calls for a new approach to labour market regulation **Beyond Service** Greg McElligott, 2001-01-01 Greg McElligott traces neoconservative labour market policy from its international origins to the local offices of the Canadian state **Routledge Handbook of International**

**Political Economy (IPE)** Mark Blyth, 2009-06-02 Providing an overview of the range and scope of International Political Economy scholarship this important work maps the different regional schools of IPE and notes the distinctive way IPE is practiced and conceptualized around the world

**Lifelong Learning in Paid and Unpaid Work** D.W. Livingstone, 2015-04-08 Lifelong Learning is essential to all individuals and in recent years has become a guiding principle for policy initiatives ranging from national economic competition to issues of social cohesion and personal fulfilment However despite the importance of lifelong learning there is a critical absence of direct international evidence on its extent content and outcomes Lifelong Learning in Paid and Unpaid Work provides a new paradigm for understanding work and learning documenting the active contribution of workers to their development and their adaptation to paid and unpaid work Empirical evidence drawn from national surveys in Canada and eight related case studies is used to explore the current learning activities of those in paid employment housework and volunteer work addressing all forms of learning including formal schooling further education courses informal training and self directed learning particularly in the context of organisational and technological change Proposing an expanded conceptual framework for investigating the relationships between learning and work the contributors offer new insights into the ways in which adult learning adapts to and helps reshape the wide contemporary world of work throughout the life course

**Making Realism Work** Bob Carter, Caroline New, 2005-10-09 In this innovative book theorists and researchers from various social science disciplines explore the potential of realist social theory for empirical research The examples are drawn from a wide range of fields health and medicine crime housing sociolinguistics development theory and deal with issues such as causality probability and reflexivity in social science Varied and lively contributions relate central methodological issues to detailed accounts of research projects which adopt a realist framework Making Realism Work provides an accessible discussion of a significant current in contemporary social science and will be of interest to social theorists and social researchers alike

**The Vertical Mosaic Revisited** Richard Charles Helmes-Hayes, 1998-01-01 When The Vertical Mosaic first appeared in 1965 it became an instant classic Its key message was that Canada was not the classless democracy it fancied itself to be In fact Canada was a highly inequalitarian society comprising a vertical mosaic of distinct classes and ethnic groups This collection of papers by five of Canada's top sociologists subjects John Porter's landmark study to renewed scrutiny and traces the dramatic changes since Porter's time both in Canadian society and in the agenda of Canadian sociology Based on papers written for a conference held in commemoration of the thirtieth anniversary of The Vertical Mosaic's publication the five essays revisit the central themes of the original work including gender and race inequality citizenship and social justice and class power and ethnicity from the viewpoint of political economy An introduction by the editors provides a historical biography of Porter and discusses his influence on Canadian sociology

**Staples and Beyond** Mel Watkins, 2006-10-06 This collection brings together Watkins most important scholarly articles In Staples and Beyond Watkins addresses the staple thesis of Canadian economic and

political development and in particular the effort to extend Harold Innis work by giving more explicit consideration to class relations and the role of the state He considers the historical nature of Canada's economic dependency in relation to tariff barriers foreign investment the multi national corporation and wide ranging free trade and investment agreements He also examines the evolution of economics and political economy as academic disciplines and reflects on the relationship between intellectual scholarship and political activism

**Change and Continuity** Mark P. Thomas, Leah F. Vosko, Carlo Fanelli, Olena Lyubchenko, 2019-08-28 In a period characterized by growing social inequality precarious work the legacies of settler colonialism and the emergence of new social movements *Change and Continuity* presents innovative interdisciplinary research as a guide to understanding Canada's political economy and a contribution to progressive social change Assessing the legacy of the Canadian political economy tradition a broad body of social science research on power inequality and change in society the essays in this volume offer insight into contemporary issues and chart new directions for future study Chapters from both emerging and established scholars expand the boundaries of Canadian political economy research seeking new understandings of the forces that shape society the ensuing conflicts and contradictions and the potential for social justice Engaging with interconnected topics that include shifts in immigration policy labour market restructuring settler colonialism the experiences of people with disabilities and the revitalization of workers movements this collection builds upon and deepens critical analysis of Canadian society and considers its application to contexts beyond Canada The latest in a series of related volumes on Canadian political economy *Change and Continuity* explores the past present and potential futures of the discipline in a global context offering insight into some of the most pressing issues of our time

**The Political Economy of European Integration** Erik Jones, Amy Verdun, 2005 This book provides an accessible introduction to diverse political economy perspectives on different aspects of European integration It presents a critical appraisal of how scholars in the EU and US use theory to understand European integration

**Power Resources Theory and the Welfare State** Walter Korpi, 1998-01-01 Rather than simply asserting that all social policies in all capitalist societies exist to maintain capitalism and serve the long term interests of the capitalist class PRT examines the nature and impact of social policies and the level and types of social inequality in a variety of advanced capitalist nations
