Jones, 2008-05 Jones writes of severed relationships sexual violation and the devastating effects of spiritual abuse sharing a wealth of insights understanding and learning      Bhagavad Gītā Richard Gotshalk, 1985 The Bhagavad Gita is a dramatic poem which forms a small part of the great epic the Mahabharata The poem is the dialogue through which Arjuna's doubts are resolved by Kṛṣṇa's teaching about the nature and place of action in the ultimate reality of things The present translation is supplemented by a commentary both seek to emphasize how the teaching is rooted in the concrete situation and how its order and structure reflect the changing condition of the conversants and the purpose of the conversation Footnotes and notes are included to clarify the Sanskrit to indicate alternative translations and to note relevant comments from other commentators and translators      **The Deliverance of God** Douglas A. Campbell, 2009-08-07 This book breaks a significant impasse in much Pauline interpretation pushing beyond both Lutheran and New perspectives on Paul to a non-contractual apocalyptic reading of many of the apostle's most famous and most troublesome texts His strongly antithetical vision identifies participation in Christ as the sole core of Pauline theology and produces the most radical rereading of Romans 1-4 for more than a generation Even those who disagree will be forced to clarify their views as never before      **The Arya Samaj Movement in South Africa** Thillayvel Naidoo, 1992 The Arya Samaj movement is essentially a religious institution but became a significant force in India's religious and secular struggle for social and cultural self-determination Its founding in 1875 presaged the creation of independent India in 1947 This work does not attempt a detailed examination of the movement but provides an outline of its growth and philosophy in the light of the work of its founder Swami Dayanand Saraswati the complex of institutions and upliftment programmes initiated by the Samaj and the major historical forces which acted to shape the movement are a cause for considerable pride The Arya Samaj was one of several socio-religious movements which were founded in the nineteenth century It was however responsible for constructing some of the best known educational institutions in north India The repercussions of this were felt by emigrant Indian communities in such places as Mauritius South Africa and Guyana What started then as a small religious sect has now grown into a religious denomination of considerable influence In South Africa the Arya Pratinidhi Sabha is one of the best known Hindu organisations wielding influence among the north Indian segment of the Hindu population      **Advaita Metaphysics** P.
