Relics Spawn Shadows:

Renegades Shaun Hutson, 2014-04-01 Modern terrorism meets medieval madness in jaw dropping horror that will make the living envy the dead As a member of the Counter Terrorist Unit Sean Doyle thought he'd seen it all every violent act every depraved action man could perpetrate against man but he is to discover that there are much worse things in this world than even he has encountered Tracking a group of renegade terrorists from London to the Republic of Ireland to discover who is funding them and why what he discovers threatens not only his life but his sanity too The trail of terror leads not just across Britain but to France as well where the monstrous deeds of a murderer who died 400 years earlier still cast a dark and horrific shadow In the grisly frames of a stained glass window taken from the home of this vile killer lay the secret sought by so many for so long the secret of immortality One man will stop at nothing to get it and Sean Doyle is about to meet that man

The Writers Directory, 2013 **Monolith** Shaun Hutson, 2015-04-02 When you have eliminated the impossible whatever remains however improbable must be the truth Arthur Conan Doyle On the banks of the river Thames a massive new building is being completed A stunning creation of glass and concrete that will be a new landmark on London's skyline And people are dying because of it Dozens of mysterious unexplained accidents have claimed the lives of workmen during the construction and journalist Jessica Anderson is convinced that the owner of the building a billionaire Russian businessman knows more about the accidents than he is revealing Enlisting the help of a former colleague Jess tries to investigate the shadowy industrialist but finds that far harder than she imagined Protected by a private security force and cocooned by his entourage this powerful man proves to be as elusive as anyone she has ever known He values his privacy and seems willing to go to any ends to protect it But what is he hiding As she delves into his background she discovers that one of his ancestors lived in London during the 1930s on the same site where the Crystal Tower was constructed and death and destruction surrounded that ancestor too Is there a link between these two men Jess is convinced there is and when a series of horrific attacks and murders take place perpetrated against men who want to stop the Russians next building project she finds herself plunged into a maelstrom of fear and events that threaten not just her life but her very sanity Something from the darkest reaches of myth and superstition has been unleashed upon a modern world and it seems no one can stop it *Artifacts of the Ages* J.
