D.S Wall,2017-11-30 This book was published in 2003 This book is a collection of key texts that have contributed towards or
have reflected the various debates that have taken place over crime and the internet during that past decade The texts are
organised into three parts The first contains a number of viewpoints and perspectives that facilitate our broader
understanding of cyberspace crime cybercrimes The second part addresses each of the major types of cybercrime trespass
hacking cracking thefts deceptions obscenities pornography violence and illustrate their associated problems of definition
and resolution The third and final part contains a selection of texts that each deal with the impact of cyberspace crime upon
specific criminal justice processes the police and the trial process **International Criminal Justice Review** ,2003

Perspectives on Crime Reduction Tim Hope,2017-11-22 This title was first published in 2000 The papers in this
volume are concerned with the prevention of crime Like other books in the International Library the text is intended
primarily for reference by those who need to reflect upon what criminology has had to say about important contemporary
concerns of criminal policy The papers present a kind of history of ideas which together trace the emergence of some key
components of contemporary thinking about reducing crime *Work Place Sabotage* Gerald Mars,2019-03-25 This title was
first published in 2001 The examples cited in this study of sabotage in the working environment range from sophisticated
tricks played in Western factories to natural reactions to inferior or unhealthy working practices in for example Malaysia and
India The book contains articles from various contributors which cover numerous topics within the subject including crime
and punishment in the factory employee and organizational sabotage and management techniques to prevent sabotage

Organized Crime, Prison and Post-Soviet Societies Alain Touraine,Anton Oleinik,2017-11-01 This title was first
published in 2003 The Red Mafia in Russia have become the subject of increasing international interest and considerable
misinterpretation After well received editions in Russian French and Italian Anton Oleinik s study of Russian prisons in which
he explores the social roots of organized crime in post Soviet societies is now published in English This English edition

includes a postscript on the Moscow terrorist crisis of 2002 Oleinik's analysis reveals prison society as a mirror of broader Russian society characterized by the absence of the state as an organizer of social practices He builds on this to make a central distinction between two types of societies the modern large society and the small society like Russia that has only been partially modernized and in which the world of everyday life experiences and relationships remains entirely separated from the official aims of modernization and efficiency Oleinik is interested in the void between these two separate worlds a void he sees being filled in Russia by the Mafia
