**The Russian Debutante's Handbook** Gary Shteyngart, 2003-04-29 NAMED ONE OF THE ATLANTIC S GREAT AMERICAN NOVELS OF THE PAST 100 YEARS A visionary novel from the New York Times bestselling author of *Super Sad True Love Story* and *Little Failure* The Russian Debutante's Handbook introduces Vladimir Girshkin one of the most original and unlikely heroes of recent times The twenty five year old unhappy lover to a fat dungeon mistress affectionately nicknamed Little Failure by his high achieving mother Vladimir toils his days away as a lowly clerk at the bureaucratic Emma Lazarus Immigrant Absorption Society When a wealthy but psychotic old Russian war hero appears Vladimir embarks on an adventure of unrelenting lunacy that takes us from New York's Lower East Side to the hip frontier wilderness of Prava the Eastern European Paris of the nineties With the help of a murderous but fun loving Russian mafioso Vladimir infiltrates the Prava expat community and launches a scheme as ridiculous as it is brilliant Bursting with wit humor and rare insight The Russian Debutante's Handbook is both a highly imaginative romp and a serious exploration of what it means to be an immigrant in America

*The Russian Debutante's Handbook* Gary Shteyngart, 2004 Vladimir 25 year old Russian American immigrant and lowly clerk at the bureaucratic Emma Lazarus Immigrant Absorption Society is about to have his first break However his capitalist dreams and desire for a girlfriend will lead him off the straight and narrow into uncharted territory

*The Russian Debutante's Handbook* Gary Shteyngart, 2003-04-29 NAMED ONE OF THE ATLANTIC S GREAT AMERICAN NOVELS OF THE PAST 100 YEARS A visionary novel from the New York Times bestselling author of *Super Sad True Love Story* and *Little Failure* The Russian Debutante's Handbook introduces Vladimir Girshkin one of the most original and unlikely heroes of recent times The twenty five year old unhappy lover to a fat dungeon mistress affectionately nicknamed Little Failure by his high achieving mother Vladimir toils his days away as a lowly clerk at the bureaucratic Emma Lazarus Immigrant Absorption Society When a wealthy but psychotic old Russian war hero appears Vladimir embarks on an adventure of unrelenting lunacy that takes us from New York's Lower East Side to the hip frontier wilderness of Prava the Eastern European Paris of the nineties With the help of a murderous but fun loving Russian mafioso Vladimir infiltrates the Prava expat community and launches a scheme as ridiculous as it is brilliant Bursting with wit humor and rare insight The Russian Debutante's Handbook is both a highly imaginative romp and a serious exploration of what it means to be an immigrant in America

**Out of Russia** Adrian Wanner, 2011-06-09 Out of Russia is the first scholarly work to focus on a group of writers who over the past decade have formed a distinct phenomenon immigrants with cultural and linguistic roots in Russia who have chosen to write in the language of their adopted countries The best known among these are Andre Makine who writes in French Wladimir Kaminer who writes in German and Gary Shteyngart who writes in English Wanner also addresses the work of emerging immigrant writers active in North America Germany and Israel He argues that it is in part by writing in a language other than their native Russian that these writers have made something of a commodity of their

Russianness That many of them also happen to be Jewish adds still another layer to the questions of identity raised by their work In situating these writers within broader contexts Wanner explores such topics as migration cultural hybrids and the construction and perception of ethnicity Soviet-Born Karolina Krasuska,2024-07-12 In 2010 when The New Yorker published a list of twenty writers under the age of forty who were key to their generation it included five Jewish identified writers two of whom American Gary Shteyngart and Canadian David Bezmozgis were Soviet born This publicity came after nearly a decade of English language literary output by Soviet born writers of all genders in North America Soviet Born The Afterlives of Migration in Jewish American Fiction traces the impact of these now numerous authors among others David Bezmozgis Boris Fishman Keith Gessen Sana Krasikov Ellen Litman Gary Shteyngart Anya Ulinich and Lara Vapnyar on major coordinates of the Jewish American imaginary Entering an immigrant Soviet born standpoint creates an alternative and sometimes complementary pattern of how the Eastern and Central European past and present resonate with American Jewishness The novels short stories and graphic novels considered here often stage strikingly fresh variations on key older themes including cultural geography the memory of World War II and the Holocaust communism gender and sexuality genealogy and finally migration Soviet Born demonstrates how these diasporic writers with their critical stance toward identity categories open up the field of what is canonically Jewish American to broader contemporary debates This book is also freely available online as an open access digital edition Understanding Gary Shteyngart Geoff Hamilton,2017-04-15 A survey of the Russian born American author s work and themes questioning identity politics and multiculturalism Understanding Gary Shteyngart the first comprehensive examination of Shteyngart s novels and memoir introduces readers to one of the most critically acclaimed and commercially successful contemporary American authors Born in Leningrad in 1972 Shteyngart immigrated to the United States in 1979 attended Oberlin College and the City University of New York and currently teaches in the Writing Program at Columbia University His novels include Super Sad True Love Story winner of the Bollinger Everyman Wodehouse Prize Absurdistan chosen as one of the ten best books of the year by the New York Times Book Review and Time magazine and The Russian Debutante s Handbook winner of the Stephen Crane Award for First Fiction and the National Jewish Book Award for Fiction Geoff Hamilton studies three broad overlapping elements of Shteyngart s work his construction of Russian Jewish identity in the United States his appraisal of communism s imaginative legacy for the wider East European diaspora and former Soviet republics and his representation of the deadening effects of late capitalism Focusing on Shteyngart s themes of the fracturing and decay of ethnic identities the limits and pitfalls of multiculturalism and the decline of privacy and civility against the creeping power of technological mediation Hamilton also tracks the author s playful manipulation of literary traditions and his incisive revision of seminal mythologies of Russian Jewish and American selfhood Although Shteyngart has sometimes been pigeon holed as an immigrant author working a rather marginal ethnic shtick Hamilton demonstrates that Shteyngart s work deserves attention for its remarkable centrality

that is its relevance to core questions of identity formation and beliefs common to globalized societies **Elle** ,2002 The  
^AOxford Handbook of Shakespeare and Dance Lynsey McCulloch,Brandon Shaw,2019-01-28 Featuring new chapters from  
thirty leading scholars The Oxford Handbook of Shakespeare and Dance examines the relationship between William  
Shakespeare his life works afterlife and dance **Twisted** Jessica Zafra,1995 The Time Traveler's Guide to Regency  
Britain Ian Mortimer,2022-04-05 A vivid and immersive history of Georgian England that gives its reader a firsthand  
experience of life as it was truly lived during the era of Jane Austen Percy Bysshe Shelley and the Duke of Wellington This is  
the age of Jane Austen and the Romantic poets the paintings of John Constable and the gardens of Humphry Repton the  
sartorial elegance of Beau Brummell and the poetic licence of Lord Byron Britain's military triumphs at Trafalgar and  
Waterloo the threat of revolution and the Peterloo massacre In the latest volume of his celebrated series of Time Traveler's  
Guides Ian Mortimer turns to what is arguably the most loved period in British history the Regency or Georgian England A  
time of exuberance thrills frills and unchecked bad behavior it was perhaps the last age of true freedom before the arrival of  
the stifling world of Victorian morality At the same time it was a period of transition that reflected unprecedented social  
economic and political change And like all periods in history it was an age of many contradictions where Beethoven's  
thundering Fifth Symphony could premier in the same year that saw Jane Austen craft the delicate sensitivities of Persuasion  
Once more Ian Mortimer takes us on a thrilling journey to the past revealing what people ate drank and wore where they  
shopped and how they amused themselves what they believed in and what they were afraid of Conveying the sights sound s  
and smells of the Regency period this is history at its most exciting physical visceral the past not as something to be studied  
but as lived experience **Forthcoming Books** Rose Arny,2003-04 **AB Bookman's Weekly** ,1991 **The United**
