the word kul tura entered the Russian language in the early nineteenth century Russian arts and letters have thrived on
controversy At any given time several versions of culture have coexisted in the Russian public sphere The question of what
makes something or someone distinctly Russian was at the core of cultural debates in nineteenth century Russia and
continues to preoccupy Russian society to the present day When Art Makes News examines the development of a public
discourse on national self representation in nineteenth century Russia as it was styled by the visual arts and popular
journalism Katia Dianina tells the story of the missing link between high art and public culture revealing that art became the
talk of the nation in the second half of the nineteenth century in the pages of mass circulation press At the heart of Dianina s
study is a paradox how did culture become the national idea in a country where few were educated enough to appreciate it
Dianina questions the traditional assumptions that culture in tsarist Russia was built primarily from the top down and
classical literature alone was responsible for imagining the national community When Art Makes News will appeal to all
those interested in Russian culture as well as scholars and students in museum and exhibition studies **Charted Folk**
