Gary Chartier

Sabbath Time Understanding And Practice For Contemporary Christians:

Sabbath Time. Understanding and Practice for Contemporary Christians Tilden H. EDWARDS,1992 *Sabbath Time* Tilden Edwards,1985 *Understanding Friendship* Gary Chartier,2022 *Understanding Friendship* illustrates friendship as an expression of Christian love that can enrich one's life and be socially, culturally and politically significant. The book examines what friendship is, how its distinctive moral status can be supported by multiple approaches to Christian ethics and its part in Christian spirituality.

The Analogy of Love Gary Chartier,2015-11-09 This book offers an overview of Christian theology organized around the twin themes of divine and human love. The book covers the traditional theological topics as well as basic questions of theological method. It seeks to integrate a focus on love throughout. While love is regularly canvassed as a dominant theme in Christian thought, it has rarely been the focus of Christian theological construction or a constraint on theological formulation. The book seeks to suggest, chapter by chapter, how a given topic relates to the broad theme of love. The book is written in a way designed to make it accessible to university students and educated laypersons. At the same time, it takes positions on controverted scholarly issues and the methodological approach outlined at the beginning will be of interest to academic theologians.

The Spiritual Leader's Guide to Self-Care Rochelle Melander, Harold Eppley,2002-02-01 As spiritual guides, clergy and lay leaders alike often find themselves in need of direction about how to make changes in their personal life and ministry. Rarely, however, do they find a book that presents self-care as an integral part of being a spiritual leader. *The Spiritual Leader's Guide to Self-Care* gives readers the tools to discern God's intention for their lives and to be faithful to that vision through proper self-care. Arranged in 52 chapters, one for each week of the year, the guide addresses seven themes: Creating a Life Vision, Caring for Yourself at Work, Nurturing Your Relationships, Caring for Your Spirit and Body, Caring for Your Finances, Caring for Your Intellect, and Sustaining a Life Vision. Included are journal writing suggestions, personal reflection questions, and activities, guidance for sharing the discovery process with another person, an activity for the coming week, and suggested further resources such as novels, videos, and Web sites.
