Shelby's Wildlife Wallace A. Wyss,1987 **Shelby's Wildlife** Wallace A. Wyss,1977 **Mustang** Randy Leffingwell,2006 The Automobile in American History and Culture Michael L. Berger,2001-07-30 This comprehensive reference guide reviews the literature concerning the impact of the automobile on American social economic and political history Covering the complete history of the automobile to date twelve chapters of bibliographic essays describe the important works in a series of related topics and provide broad thematic contexts This work includes general histories of the automobile the industry it spawned and labor management relations as well as biographies of famous automotive personalities Focusing on books concerned with various social aspects chapters discuss such issues as the car s influence on family life youth women the elderly minorities literature and leisure and recreation Berger has also included works that investigate the government s role in aiding and regulating the automobile with sections on roads and highways safety and pollution The guide concludes with an overview of reference works and periodicals in the field and a description of selected research collections The Automobile in American History and Culture provides a resource with which to examine the entire field and its structure Popular culture scholars and enthusiasts involved in automotive research will appreciate the extensive scope of this reference Cross referenced throughout it will serve as a valuable research tool Shelby Mustang Randy Leffingwell,2011-02-11 When Ford wanted to add some spice to its new Mustang pony car in the mid 1960s it turned to the talented colorful and opinionated Texan Carroll Shelby who was then building the high performance Fordpowered Cobra racing sports car The result the Shelby Mustang GT350 perhaps the definitive performance Mustang of the muscle car era Ford released its newest Mustang in 2005 the first truly all new Mustang since 1979 returning the model to the spotlight Shelby himself was directly involved in defining what is the most powerful factory produced Mustang ever This up to the minute history from award winning authors Randy Leffingwell and David Newhardt traces the Shelby Mustang story from the early Shelby American cars built in a converted airplane hangar in Southern California to the 2010 version of the new Shelby Mustang *The Chequered Past* David Anderson Charters,2007-01-01 In the forty year period between 1951 and 1991 Canadian sports car competition underwent a massive change transforming itself from an amateur recreational pastime to a commercialized profession and from an individual sport to a spectacle for mass consumption The Chequered Past is the story of the struggle over power and purpose within the Canadian auto sport that led to this transformation The first comprehensive history of sports car racing and rallying in Canada The Chequered Past traces the efforts of the national governing body the Canadian Auto Sport Clubs CASC to bring its sports car competition up to a world class level and to manage the consequences of those efforts in the second half of the twentieth century David Charters traces the social origins of the sport and the major trends that shaped it professionalism technological change rising costs and the influence of commercial sponsors Charters argues that while early enthusiasts set the sport on a course toward professionalism that

would eventually produce world class Canadian events and racers that course would also ultimately change the purpose of the sport from personal recreation to mass entertainment As technological innovations drove up the costs of competing at the top ranks racers were forced to rely on sponsors who commercialized and ultimately gained control of the sport The end result Charters argues was the marginalization of the amateur competitor and of the CASC itself Based on extensive research into the CASC s records and dozens of interviews with former competitors and officials *The Chequered Past* opens a window into the rich but virtually unknown history of the auto sport and claims for it a place in Canadian sports history *Cars & Parts* ,1988 **Mustang 1964 1/2 - 1973** David Newhardt,2003 **Road & Track** ,1984-02 **Road and Track** ,1984
